ORDINANCE (No. 135) AMENDING THE ZONING ORDINANCE CHANGING THE ZONING FROM R-2 TO LIGHT INDUSTRIAL ON PROPERTY ON NEW THRIFT ROAD.

The hearing was held on an Ordinance amending the Zoning Ordinance, which was introduced on October 10th, requesting a change in the zoning from R-2 to Light Industrial on approximately 25.38 acres of undeveloped property on New Thrift Road, being the property of the Misses Julia and Violet Alexander.

Mr. P. B. Welton, resident of the area, expressed objections to the change, stating he is the owner of 25 acres of property adjacent to the property in question which he intends to develop for residential use, and the change to an Industrial or Light Industrial zone is too drastic and will devalue his property. He advised that the land immediately to the rear of the property of the Misses Alexander is now being developed by Mr. Lex Marsh for residential purposes. He urged that the home-owners in the area be given protection by the Council against an industrial district being established within the area.

Mr. J. Caldwell McDonald, representing the Misses Alexander, stated that the establishment of mills, or heavy smoke producing plants was not contemplated on the property; that it was his understanding that New Thrift Road was opened for the use of heavy trucks to relieve the situation in the residential areas within the vicinity and the construction of buildings or small business establishments on the said road was contemplated. He called attention to the fact that the Zoning Board of Adjustment recommended the change after an inspection of the area, stating that it would be in keeping with the general character of the area.

Following the discussion, Councilman Baxter moved the adoption of the Ordinance amending the Zoning Ordinance to effect the change in zoning. The motion was seconded by Councilman Boyd, and carried, with the votes cast as follows:

AYE: Councilmen Baxter, Boyd, Dallinger, Jordan and Van Every.

NAY: Councilman Albee.

PROTEST REGISTERED AGAINST VALUATION OF 12-ACRE TRACT OF LAND FOR THE EXTENSION OF THE CITY'S SEWER SYSTEM NEAR SUGAW CREEK DISPOSAL PLANT.

Mr. N. S. Cochran again appeared before Council in protest against the condemnation of the property of his wife and sister for the extension of the City's sewer system near Sugaw Creek Disposal Plant. He stated their price of $500.00 per acre was a give away bargain and the City's offer of $200.00 unfair, and the price of $150.00 per acre recently fixed by the appraisers appointed by the Charlotte Real Estate Board at the City's request, was an unheard of price. He stated further that if the City does not want to pay their price of $500.00 per acre then to leave them alone, they do not want to sell anyway.

Mayor Shaw advised Mr. Cochran that the matter was not on the Agenda of business for consideration today.
