RESOLUTION OF CHAMBER OF COMMERCE ON SMOKE ABATEMENT.

The following resolution, which was adopted by the Board of Directors of the Charlotte Chamber of Commerce, was presented by Mr. Bechtold for such action of the City Council as they saw fit to take:

RESOLUTION

"The Charlotte Chamber of Commerce Board of Directors assembled at regular meeting on this the 16th day of September is requesting through Mr. John Wilkinson, one of their members, and Mr. C. C. Ruester, Executive Vice-President of the Charlotte Chamber of Commerce, to present the following request:

WHEREAS, during the fall and winter months Charlotte has a great amount of unnecessary smoke which destroys much valuable property and goods and whereas, by the proper elimination of this unnecessary smoke that this condition would be remedied, it is hereby requested that the City Council of the City of Charlotte draft and pass an ordinance requesting the unnecessary smoke in Charlotte be eliminated."

Councilman Wilkinson moved that the City Attorney be instructed to draw up an ordinance and present to the Council at the next meeting. This motion seconded by Councilman Hovis.
City Attorney Scarborough suggested that a committee be appointed to write to the various cities having smoke abatement ordinances and then study the various ordinances presented. Councilman Wilkinson stated that he would amend his motion to comply with this suggestion. Carried.

Mayor Douglas later appointed on this committee Councilmen Sides, Nance, Britt and City Attorney Scarborough and City Manager Armstrong.

The City Manager reported in this connection, that he had been investigating apartment houses that had been burning trash.

GASOLINE TRUCK ORDINANCE ADOPTED ON THIRD READING.

Several representatives of the gasoline trucking industry were present and through Attorney H. L. Taylor protested the adoption of the ordinance "To Regulate Transportation of Inflammable Petroleum Products on the Streets of the City of Charlotte", which ordinance was adopted on two readings at the last meeting.

Mr. Taylor declared this ordinance unconstitutional, and discriminatory, and stated if adopted, that they would carry it to the Supreme Court. He cited a similar ordinance, which he said was not nearly so drastic as the proposed ordinance before the Council, which had been declared unconstitutional and null and void by the South Carolina Supreme Court.

Mr. Taylor suggested that the Council set the effective date of this ordinance as of December 15th, in order to allow time for a Supreme Court ruling before his clients were required to spend money to meet the requirements of the ordinance. A discussion was held on this proposal for extension of time of the effective date. Councilman Baxter stated he was not ready to vote on this ordinance and made a motion that the ordinance be tabled until the City Attorney has had time to examine same and advise the Council as to the legality of the ordinance. This motion was seconded by Councilman Huntley.

It was suggested that the effective date of the ordinance be fixed as of January 1, 1944 in order to allow ample time for the Supreme Court's decision, but after a lengthy discussion, with no date being agreed upon, Councilman Hovis offered a substitute motion that this ordinance be passed on third and final reading, which was seconded by Councilman Hudson.

Councilman Baxter's motion to table was voted on and failed to carry, receiving only five affirmative votes.

Councilman Hovis again moved that the Ordinance, which was again read (as presented at the last meeting) be adopted on third and final reading. Motion seconded by Councilman Hudson.

Councilman Ward made a motion that the Council recess for five minutes in order to study this question. Motion seconded by Councilman Albee and carried, and a five minute recess was taken at 5:05 P.M.

At 6:05 P.M. the Council reconvened and a vote was taken on Councilman Hovis' motion to adopt on third reading. This motion received six affirmative votes, viz: Councilmen Albee, Sides, Ward, Little, Hovis and Hudson. The Mayor declared the motion carried and the ordinance adopted on third and final reading.
APPOINTMENT OF HERMAN A. MOORE AS MEMBER OF CIVIL SERVICE COMMISSION.

The Mayor stated that the appointment of a Civil Service Commissioner to fill the unexpired term of Brevard S. Garrison, resigned, was the next order of business and called for nominations.

Councilman Albee made a motion that Mr. Herman A. Moore be nominated to succeed Mr. Garrison, which motion was seconded by Councilman Baxter and unanimously carried, there being no further nominations.

Mr. Moore was called into the Council Chamber and introduced to the Council and was administered the oath of office by Mayor Douglas.

Messrs. W. C. Davis and S. J. Lowe, Jr., the other two members of the Civil Service Board, were also introduced to the Council at this time.
