CITY COACH LINES, INC., REQUESTED TO OPERATE BUS ON MONROE ROAD TO FUGATE AVE, UPON COMPLAINT OF RESIDENTS AS TO NO BUS SERVICE.

Mr. John A. Carrigan, 3419 Monroe Road, was spokesman for a delegation of residents of the Monroe Road area, requesting Bus service. He advised that in the past thirty years there had been no service on Monroe Road beyond Nashburn Avenue. He stated that within recent years a large subdivision has been developed within the area and four large industries have located on Monroe Road, and it is necessary for the residents, and school children to walk at least a mile to the nearest Bus line. Mr. Carrigan advised that the Commonwealth Avenue Bus comes out as far as the Oakhurst School and returns via the same route. That they desire bus service on Monroe Road as far as Oakhurst School and at least to Fugate Avenue.

Mr. John D. Shaw, City Attorney explained, at the Mayor’s request, that the Council can only request the City Coach Lines to establish or change routes, and if they do not see fit to do so, then the only recourse is for the residents to appeal to the State Utilities Commission.

Mayor Van Every stated that the Bus Company is new to Charlotte and to the Bus Routes, and they are feeling their way in working out the situation. That he believes that over a period of time it will be worked out to the satisfaction of everyone.
