Petitioner: Charlotte Mecklenburg Planning Commission

AN ORDINANCE AMENDING APPENDIX A OF THE CITY CODE – ZONING ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHARLOTTE:

Section 1: Appendix A, “Zoning” of the Code of the City of Charlotte is hereby amended as follows:

A. CHAPTER 2: DEFINITIONS

1. Section 2.201, "Definitions"

Amend Section 2.201 by adding the following definitions in alphabetical order. These definitions will apply to the terms used in other portions of the Zoning Ordinance, including Chapter 13. The new definitions shall read as follows:

Banner

A sign intended to be hung either with or without a frame, possessing characters, letters, illustrations, or ornamentations applied to plastic or fabric of any kind, excluding flags and emblems of political, professional, religious, educational, or corporate organizations.

Decorative Sign

A pictorial representation, including illustrations, words, numbers, or decorations, or emblems on a flag, banner, or pennant.

Pennant

Any lightweight plastic, fabric, or other material whether or not containing a message of any kind, suspended from a rope, wire, or string, usually in a series, designed to flutter or swing in the wind.

Flag, Public

A piece of durable fabric or other flexible material solely containing distinctive colors, patterns, standards, words, or emblems of any nation, organization of nations, state, or city including but not limited to political jurisdictions such as the United States, or any fraternal, religious or civic organizations, which in no way identify a product.
service or company. A flag is designed to attach to or to be flown from a permanent flagpole. Flags displaying a logo, message, statement, or expression relating to commercial interests are not considered public flags and must conform with the sign regulations of Chapter 13.

Flagpole

A permanent, free-standing structure or a structure attached to a building and used for the sole purpose of displaying public flags. Free-standing flagpoles or flags displayed on mast arms typically have a halyard system of rope used to hoist the flag. A “flag staff” is not considered a flagpole.

Halyard

A rope, usually made of nylon, wire core nylon, or polypropylene, or similar material specifically manufactured for use on flagpoles, that hoists a flag on a flagpole. The rope may be external, internal, or concealed within the flagpole.

B. CHAPTER 13: SIGNS

Amend Section 13.102 by deleting the definition of “flag” from Chapter 13, “Signs”. The old definition reads:

Flag

A piece of durable fabric or distinctive design attached to a permanent pole that is used as a symbol or decorative feature.

2. Section 13.106. Signs not requiring a permit.

a. Delete Section 13.106(7), “Flags on permanent poles” in its entirety. This section will be revised, and moved into Chapter 12, Part 4 because it is an accessory use on an accessory structure (a permanent pole), not a sign. The text currently reads as follows:

(7) Flags on permanent poles.

Flags or emblems of any nation, organization of nations, state, city, or any fraternal, religious or civil organization are also exempt from permit requirements when used to adorn an entrance feature in nonresidential zoning districts and are displayed as set forth below. This provision pertaining to an entrance feature is not permitted in residential districts. (Residential districts: R-3, R-4, R-5, R-6, R-8,
MX-1, MX-2, MX-3, R-MH, R-8MF, R-12MF, R-17MF, R-22MF, R-43MF, UR-1, UR-2, UR-3, and all of their parallel conditional zoning districts plus any parallel conditional zoning residential districts approved prior to January 1, 1992)

(a) The term flag in this subsection shall mean a piece of fabric or other flexible material solely containing distinctive colors, patterns, standards, words, or emblems of any nation, organization of nations, state, or city including but not limited to political jurisdictions such as the United States, or any fraternal, religious or civic organizations, or works of art which in no way identify a product. References to flagpole height in this subsection refer to vertical flagpoles. References to the number of flags, flagpoles and flag dimensions refer to both vertical flagpoles and mast arm flagpoles (for example, staffs extending at an angle from a building).

(b) Except as otherwise provided herein, or as allowed in Chapter 13 of the Zoning Ordinance, flags shall be displayed on permanent poles. Such poles in nonresidential zoning districts shall not exceed the allowed height of the zoning district or 70 feet whichever is less.

(c) The maximum dimensions of any flag shall be proportioned to the flagpole height. The hoist side of the flag shall not exceed 20% of the vertical height of the pole. In addition, flags are subject to the following dimensional limitations:

<td>150 sq. ft.</td>
</tr>
<tr>
<td>70 ft. max.</td>
<td>216 sq. ft.</td>
</tr>
</tbody>
</table>

(d) A maximum of 2 flags shall be allowed per flagpole.

(e) The flagpoles along an entrance driveway or street shall be set back from the edge of any street right-of-way a minimum of 10 feet with a minimum spacing between flagpoles of 10 feet. There shall be a maximum of one flagpole per 50 linear feet of the development’s street frontage from where the entrance is accessed. All flagpoles must be located within 200 feet from the outer edge of the street right-of-way from where the entrance is accessed.

Ordinance Book 53, Page 529C

(f) Flags displaying a logo, message, statement, or expression relating to commercial interests and banners not meeting the definition for a flag contained in subsection (a) must conform with all sign regulations under Chapter 13 of the Zoning Ordinance.

(g) Flags and flagpoles shall be maintained in good repair. Flagpoles with broken halyards shall not be used and flags, which are torn or frayed, shall not be displayed.

(h) Flagpoles shall be permanently mounted to the ground with necessary structural support features or below grade footings, installed in accordance with all required state and local regulations or applicable codes. (Petition No. 2000-099, § 13.106(7), 02-19-01)
