AN ORDINANCE AMENDING CHAPTER 3, ENTITLED "ANIMALS"
OF THE CODE OF THE CITY OF CHARLOTTE.

BE IT ORDAINED by the City Council of the City of Charlotte, North Carolina, that:

Section 1. Chapter 3, § 24, ¶ 9, beginning with the words "The director of the operations department..." and ending with the words "... for any further review of such a request" shall be deleted in its entirety and a new section is substituted in lieu thereof to read as follows:

"The director of the operations department (director) of the City of Charlotte shall have the discretionary authority to grant a refund of money paid for the cost of spay/neuter services, or for City license tags, or for adoption fees, when the animal has died before spay/neuter services can be performed, or if it is subsequently determined that such surgery is unnecessary or inappropriate, or for some other exceptional reason which would make it unjust for the City to retain the monies received for City license tags, for spay/neuter services, or for adoption fees paid to the City of Charlotte and a refund would be appropriate. This is discretionary authority for the director and the director may decline to exercise such authority for any reason whatsoever. If such discretionary authority is exercised, then the finance department will be authorized pursuant to a written memorandum from the director of the operations department to the director of the finance department, to refund such money with whatever appropriate documentation is required by the finance department. If the discretionary authority is not exercised by the director of if an individual remains dissatisfied with the decision of the director, then the individual must file a notice of claim with the Office of the City Manager for any further review of such a request."

I, Pat Sharkey, City Clerk of the City of Charlotte, North Carolina, DO HEREBY CERTIFY that the foregoing is a true and exact copy of an ordinance adopted by the City Council of the City of Charlotte, in meeting held on the 22nd day of April, 1985, and recorded in full in Ordinance Book 33, beginning on page 453.

WITNESS my hand and the corporate seal of the City of Charlotte, North Carolina, this the 24th day of April, 1985.

Pat Sharkey, City Clerk
Be it ordained by the City Council of the City of Charlotte, North Carolina, that:

Section 1. Section 20-15.1 shall be amended by deleting subsections (a), (b), (c), (d), (e), (f), and (g) in their entirety, and substituting in lieu thereof the following:

"(a) In order to promote and conserve the public health and safety and pursuant to the police powers of the city and the power to prevent and abate public nuisances as conferred upon the city by the General Statutes of North Carolina, it is hereby declared to be a public nuisance for a person owning and/or having the legal control of any land within the corporate limits of the city to maintain or permit upon any such land any fence, sign, billboard, shrubbery, bush, tree, mailbox or other object, or any combination thereof, which obstructs the view of motorists using any street or approach to any street intersection so as to constitute a traffic hazard or a condition dangerous to the public safety.

(b) The restrictions set forth in this Section 20-15.1 shall apply to both of the following triangles of land:

(i) That triangle bounded by the curb edges (or edges of pavement where there is no curb), measured along the curb edge (or edge of pavement where there is no curb) fifty feet from the mid point of the radius of the curb edge (or edge of pavement where there is no curb) in each direction and the diagonal line connecting the further ends of such fifty foot lengths, and

(ii) That triangle bounded by the right-of-way lines measured thirty-five feet from the point of their intersection in each direction and the diagonal line connecting the further ends of such thirty-five foot lengths.

(c) Within said triangles, and except as provided in subsection (d) below, it shall be unlawful to install, set out or maintain, or allow the installation, setting out, or maintenance of, any sign, hedge, shrubbery,
tree, natural growth, earthen berm, or other object of any kind which obstructs cross-visibility at a level between thirty (30) inches and seventy-two (72) inches above the level of the center of the adjacent intersection.

(d) The foregoing provisions of subsection (c) shall not apply to:

(1) Permanent buildings.

(2) Existing natural grades which, by reason of natural topography, rise thirty (30) or more inches above the level of the center of the adjacent intersection.

(3) Trees having limbs and foliage trimmed in such manner that no limbs or foliage extend into the area between thirty (30) inches and seventy-two (72) inches above the level of the center of the adjacent intersection.

(4) Fire hydrants, public utility poles, street markers, governmental signs, and traffic control devices.

(e) Where compliance with this section in the foregoing described triangles or at the heights described alone is insufficient to prevent a dangerous condition, the City Transportation Director may designate further measures which must be taken by the owner or other responsible person to eliminate such dangerous condition. Such measures shall be designed to provide an adequate sight and stopping distance for persons approaching the intersection at prevailing speeds and may include the removal of obstructions at different heights or in areas outside the triangles established in Section 20-15.1(b).

(f) If the provisions of any other law, ordinance or regulation of the City or of the State of North Carolina shall be in conflict with the provisions of this section, the more stringent provision shall control.

(g) The administration of this section shall be under the direction of the City Transportation Director who shall investigate violations, issue such notices and orders as are required herein, and perform such other duties as may be necessary to the enforcement hereof.

(h) Any obstruction to cross-visibility maintained in violation of this section shall be deemed to be a public nuisance inconsistent with and detrimental to the public safety and shall be abated in accordance with the following procedure:
(1) The City Transportation Director shall cause to be served by certified mail a written notice and order of abatement upon the owner, tenant and/or person having legal control of the premises upon which such obstruction exists.

(2) Such obstruction shall be removed within ten (10) days from the date of receipt of such notice and order.

(3) Any person receiving such notice and order may, within ten (10) days from receipt thereof, request in writing a hearing before the City Manager or his designee. If any person receiving such notice and order does not comply with the order and does not request in writing a hearing before the City Manager or his designee within said ten (10) day period, the City Transportation Director may request in writing that the City Manager or his designee fix the date of hearing and notify the person upon whom the notice and order has been served of the time and place of such hearing. If, after such hearing, the City Manager or his designee finds that the obstruction in question does in fact constitute a public nuisance, the City Manager or his designee shall order that such nuisance be abated within ten (10) days from the date of such order. Upon failure by any person to comply with such order of the City Manager or his designee, the City Transportation Director shall cause the removal of such obstruction by City forces and/or an independent contractor. The cost of such removal shall be billed to the owner and/or person having legal control of the land. If unpaid for more than thirty (30) days, such cost shall become a lien against the property from which such obstruction is removed. The City Transportation Director shall have authority to file the lien on the public records of Mecklenburg County and to cancel the lien when paid.

(4) In addition to the other remedies provided herein, the City shall be entitled to seek a judicial injunction and order of abatement or other equitable remedy to secure the enforcement of this ordinance, regardless of
whether the City Manager has held or been requested to hold a hearing or the Manager or City Council has declared the condition a nuisance.

Section 2. This ordinance shall become effective upon adoption.
