ditional Parking to R-15MF(CD); and

WHEREAS, the petition for rezoning for a parallel conditional use
district as permitted by Section 23-35.1 was submitted to the Charlotte-

which are required by Section 23-35(d):

1. The policies and objectives of the Comprehensive Plan of the
City, and particularly in relation to the proposed site and
surrounding area.

2. The potential adverse impacts of the establishment of the con­
ditional district upon the surrounding area, especially in regards
but not limited to traffic, storm drainage, land values and com­
patibility of land use activities; and

WHEREAS, in addition to the forgoing, the City Council has con­
sidered the following factors in the passage of this ordinance:

1. The property in question is adjacent on one side to an already
existing multi-family development and, therefore, can be con­
sidered an extension of an already existing multi-family site.

4. The traffic generated by the proposed development would be considerably less than that if the site were developed entirely for single-family usage.

5. The site in question has excellent access to the public transportation system, access to shopping facilities, and also to day care and job opportunities in the surrounding area.
