AN ORDINANCE TO AMEND CHAPTER 23 OF THE CITY CODE, ENTITLED "WATER, SEWERS, AND SEWAGE DISPOSAL.

BE IT ORDAINED by the City Council of the City of Charlotte, that:

Section 1. Sec. 23-43, subsection (u) "Interference" shall be amended by the correction in spelling of the word "conjuntion" to "conjunction".

Sec. 2. Sec. 23-48 "Pretreatment compliance" shall be amended by deleting entirely the existing (b) (5) in its entirety and substituting in its place the following:

(b)(5) The CMUD may require an IU, who has the potential to discharge wastewater in violation of pretreatment standards, to install, maintain, and operate at the IU's expense, an authorized pH controller and meter related to pH.

Sec. 3. Sec. 23-54 "Permit duration, modification, transfer, reissuance." shall be amended by deleting the semi-colon after the work "Permittee", and substituting in its place a comma (,) in subsection (d)(1).

Sec. 4. Sec. 23-57 "Authority to Inspect and Sample" shall be amended by deleting the existing subsections (a) and (b) and substitute in their place, the following:

(a) The CMUD may inspect facilities of any user to ascertain if the user is complying with all requirements of this article, the Act, other applicable law regulating the discharge of wastewater into the POTW, a compliance agreement to which the user is a party and which is authorized by this article, any order issued to the user pursuant to this article and any permit issued to the user pursuant to this article.
Any person who owns, occupies or otherwise controls any premises where wastewater is created or discharged into the POTW shall provide the CMUD, approval authority and EPA or the authorized representative of each of them ready access at all reasonable times to all parts of the premises for the purposes of inspection, sampling, records examination and copying, or in the performance of any of their duties. The CMUD, approval authority and EPA shall have the right to set up on the user's premises such devices as are reasonably necessary to conduct sampling, inspection, compliance monitoring, and/or metering operations. If a user has security measures in force which would require identification and clearance before entry into the user's premises, the user shall make necessary arrangements with the user's security personnel so that upon presentation of identification (identification being defined as the piece(s) of identification supplied by the CMUD, approval authority or EPA to their respective, authorized representatives) authorized representatives from the CMUD, approval authority and EPA will be permitted to enter and perform their specific responsibilities without delay. Denial of access to the CMUD, approval authority or EPA to the user's premises or portions thereof shall be a violation of this article. Denial of access may also occur if a user fails to provide without delay such facilities, equipment, or devices as are reasonably necessary to permit authorized representatives of the CMUD, approval authority and EPA to perform their duties in a safe manner. Unreasonable delay may constitute denial of access.

The time of access to a user's premises will be reasonable if, at the time ready access is requested, the user's facility at the premises is in operation or wastewater is being discharged from the user's premises into the POTW. At such time as the user's facilities at the premises is in operation or wastewater is being discharged from the user's premises into the POTW, the user shall have at least one person present at the premises who is readily available and is authorized to permit immediate access to the user's premises to the CMUD, the approval authority, and the EPA.

At all times the CMUD shall retain the authority to inspect the POTW and to sample and analyze wastewater in the POTW for any purpose.

Sec. 5. This ordinance shall become effective on January 1, 1995.
