AN ORDINANCE AMENDING CHAPTER 5, ENTITLED "BUILDING", OF THE CODE OF THE CITY OF CHARLOTTE.

BE IT ORDAINED by the City Council of the City of Charlotte, North Carolina, that:

Section 1. Chapter 5, § 5, subsection (m) of the City Code shall be deleted in its entirety and a new section substituted in lieu thereof to read as follows:

"(m) Certificate of occupancy-compliance. It shall be unlawful to occupy any new building or any addition to or enlargement of any existing building or any existing building that has been altered or moved, or any building which the occupancy or use has been changed until the superintendent of building inspection has issued a certificate of occupancy-compliance therefore. A temporary certificate of occupancy-compliance may be issued for a portion or portions of a building which, in the opinion of the superintendent of building inspection, or his designated representative, may safely be occupied prior to final completion and occupancy of the use of the entire building.

Application for a certificate of occupancy-compliance shall be made by the owner or his authorized agency prior to any occupancy or use of a building, or, in the case of an existing building, after supplying the information and data necessary to determine compliance with all applicable state and local laws and ordinances. The superintendent of building inspection, or his designated representative, shall issue a certificate of occupancy-compliance when, after inspection and examination, it is found that the building and premises conforms to all applicable state and local laws and ordinances and complies with the terms of the permit issued.

The Charlotte-Mecklenburg Building Inspection Department shall not issue a certificate of occupancy-compliance unless there has been compliance with any approved site plan, any certificate of appropriateness issued by the Charlotte Historic District Commission, or the Charlotte-Mecklenburg Historic Properties Commission or any requirement of Chapter 22, "Trees".

If there has been any certificate of occupancy-compliance that has been mistakenly or erroneously issued when there has not been full compliance, then the certificate of occupancy-compliance shall be null and void from the date of its issuance.

Compliance with a certificate of appropriateness shall include, but not be limited to, meeting all the requirements of the certificate of appropriateness and not doing any act which would have required a certificate of appropriateness.

A violation of this section shall constitute a criminal misdemeanor and may be enforced by either a criminal prosecution or by issuance of a mandatory or prohibitory injunction or order of abatement as prohibited in G.S. § 160A-175.

Section 2. Chapter 5, § 5, subsection (n), "Revocation of certificate of occupancy-compliance," line 8, of the City Code shall be amended by adding the words "or the Tree Ordinance, Chapter 22," after the words "zoning ordinance" and before the words "or the certificate of".
