ORDINANCE NO. 2085-X

Ordinance designating as a Historic Landmark the “Sidney and Ethel Grier House” (including the interior and exterior of the house). The property is owned by Nancy Grier Miller and Florence Simpson Grier, and is located at 4647 McKee Road in the City of Charlotte in Mecklenburg County, North Carolina.

WHEREAS, all of the prerequisites to the adoption of this ordinance prescribed in Chapter 160A, Article 19, as amended, of the General Statutes of North Carolina have been met; and

WHEREAS, the members of the City Council of Charlotte, North Carolina, have taken into full consideration all statements and information presented at a joint public hearing held with the Charlotte-Mecklenburg Historic Landmarks Commission on the 17th day of June, 2002, on the question of designating a property known as the Sidney and Ethel Grier House as a historic landmark; and

WHEREAS, the Grier family farms were economically and socially integral to the Providence community of southern Mecklenburg County. As large landowners, members of the Grier family were able to produce cotton and other crops as well as to function as creditors for the poor farmers of the community — practices that place the Grier family farms firmly within the agricultural trends prevalent in the post Civil War South as a whole as well as in Mecklenburg County. Also, members of the Grier family established the first building in Mecklenburg that was exclusively devoted to the spinning of cotton; and

WHEREAS, the Sidney and Ethel Grier House, as part of the Providence Township, retains the qualities of a rural farmhouse. Such places are becoming
increasingly rare in Charlotte-Mecklenburg and serve as valuable reminders of the agricultural history of Mecklenburg County; and

WHEREAS, the Sidney and Ethel Grier House is a well-preserved, pyramidal hipped roofed farmhouse of which there are relatively few examples in rural Mecklenburg County; and

WHEREAS, the Sidney and Ethel Grier House features elements of the Craftsman and Queen Anne Styles, illustrating how popular styles could co-exist in the vernacular architecture of early 20th century Mecklenburg County; and

WHEREAS, the Charlotte-Mecklenburg Historic Landmarks Commission has demonstrated that the property known as Sidney and Ethel Grier House possesses special significance in terms of its history, architecture, and cultural importance; and
