PARALLEL CONDITIONAL USE PERMIT

This is a parallel conditional use permit approved by the Charlotte City Council to Arrowood Limited Partnership and successors-in-interest of the property described as tax parcel portion of 205-173-02 and described in detail further in the ordinance, identified below, approved by the City Council.

In approving this parallel conditional use permit, the Charlotte City Council amended Chapter 6: Part 2 of the City of Charlotte Zoning Ordinance and the official zoning map. The property now has a parallel conditional use district zoning classification of BD(CD) on the official zoning map.

Three years from the date of approval of this parallel conditional use permit, the Planning Commission shall determine if active efforts to develop in accordance with approved plans have occurred. Section 1. Appendix A, "Zoning" of the Code of the City of Charlotte is hereby amended as follows:

CHAPTER 12: DEVELOPMENT STANDARDS OF GENERAL APPLICABILITY
PART 2: OFF-STREET PARKING AND LOADING.

1. Section 12.206. Location of required parking (3), by deleting it in its entirety which reads as follows:

(3) No off-street parking or driveways are permitted in the required setback or within any required side or rear yard which abuts a street in any district nor within five (5) feet of any exterior lot line on a lot, except for single family detached, duplex and attached triplex and quadraplex dwellings with individual driveways providing access across the setback, street side yard or perimeter strip except as provided below. The space within the required setback, side or rear yard abutting a street may not be used as maneuvering space for parking or unparking of vehicles, except that driveways providing access to the parking area may be installed across these setback and yard areas. It is the intent of this provision that these driveways be as nearly perpendicular to the street right-of-way as possible.

and replacing it with the following:
