ORDINANCE NO. 9282

AN ORDINANCE AMENDING APPENDIX A
OF THE CITY CODE - ZONING ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHARLOTTE:

Section . Appendix A, "Zoning" of the Code of the City of Charlotte is hereby amended as follows:

A. CHAPTER 2: DEFINITIONS AND RULES OF CONSTRUCTION

1. PART 2: DEFINITIONS

a. Amend Section 2.201 to add the following definitions in alphabetical order:

Large Waste Container.

A dumpster, compactor, open-top container, and detachable container that is used for collecting, storing, or transporting solid waste. A Large Waste Container has a minimum capacity of two cubic yards and picked up by a specially equipped truck for transporting the waste materials to the disposal site.

Recycling Station.

The area designated for the collection and temporary storage of recyclables.

b. Amend Section 2.201 by modifying the following definitions:

Recycling collection center.

An area containing one or more “Recycling containers Stations” operated by a unit of
local government, or its designee, which is set aside and used by members of the public, including business entities, to collect recyclable materials.

Recycling container.

Any containers, including but not limited to a Large Waste Container, used exclusively for the collection and temporary storage of recyclable materials.

B. CHAPTER 12: DEVELOPMENT STANDARDS OF GENERAL APPLICABILITY

1. PART 4: ACCESSORY USES AND STRUCTURES

a. Amend Section 12.403, “Solid waste containers, compactors, recycling containers, solid waste and recycling handling areas, and service entrances”, subsection (3) and subsection (4) by 1) modifying the title of Section 12.403; 2) modifying the requirements regarding solid waste containers, compactors, recycling containers, solid waste and recycling handling areas and service entrances to align with revisions made to the Municipal Code, Chapter 10: Health and Sanitation Ordinance, Article I, Section 10-1 and Article II, adopted by City Council on September 11, 2017, with an effective date of January 1, 2018; and modifying the terms to align with current terms used by Solid Waste Services. Subsections (1) and (2) remain unchanged. The modifications shall read as follows:

Section 12.403. Solid waste containers, compactors, recycling containers, solid waste and recycling handling areas, Large Waste Containers, Recycling Stations, space allocations, and service entrances.

The following requirements shall apply to all solid waste containers (including dumpsters), compactors, recycling containers, solid waste and recycling handling areas any Large Waste Container and any solid waste containers (including dumpsters), compactors, Recycling containers, Station, solid waste and recycling handling areas space allocations, and service entrances accessory to any multi-family or nonresidential use and shall be shown on submitted plans:

(1) Except as provided in subsection (2) below, any such accessory use or structure shall be screened on three sides by a fence, wall or planting materials from the public view from public streets and any abutting properties located in a residential, research, office, or business zoning district in accordance with Section 12.303.

(2) Screening in accordance with Section 12.303 shall not be required where any buffer, as set out in Section 12.302, separates such accessory uses and structures from the public street or abutting property.

(3) All Uses.
When a recycling container Recycling Station is placed on a property permitted before October 17, 2001, the minimum number of parking spaces required by these regulations may be reduced by up to three (3) spaces for each recycling container Recycling Station, if necessary, to provide space for the location and servicing of the recycling container Recycling Station. This provision is included in these regulations to allow existing uses or uses for which building permits have been obtained prior to the date set forth above to place recycling containers a Recycling Station on the property.
without the location of recycling containers, any Recycling Station creating a violation of these regulations.

Residential uses only.
When a solid-waste container or compactor Large Waste Container is placed on a property permitted before October 17, 2001, the minimum number of parking spaces required by these regulations may be reduced by up to three (3) spaces for each compactor-type of Large Waste Container, and two (2) spaces for each any other type of Large Waste Container, if necessary, to provide space for the location and servicing of the compactor and solid-waste containers each Large Waste Container. This provision is included in these regulations to allow existing uses or uses for which building permits have been obtained prior to the date set forth above to place a Large Waste Container compactors, and/or solid waste containers on the property without the location of each any Large Waste Container compactors and/or solid-waste containers creating a violation of these regulations.

(4) All non-residential uses that are permitted after October 17, 2001, shall be required to set aside space for recycling and solid waste containers and Large Waste Container and each Recycling Station. Equal space shall be allocated for both Large Waste Containers and each Recycling Station, recycling and solid waste containers. Any space allocation for each of these containers shall be indicated on the submitted plans, even if containers are not proposed as the primary method of solid waste or recycling collection.

All multi-family complexes developments, which are permitted after October 17, 2001, shall be required to set aside space for each Large Waste Container and each Recycling Station recycling containers and solid waste containers used for the collection of solid waste as follows.

Space for Solid Wast Containers Large Waste Containers. - At a minimum, space for an eight (8) cubic yard container per each thirty (30) units or eight (8) cubic yard compactor per each ninety (90) units. If there are less than thirty (30) units, no space allocation is required unless solid waste container service is the primary method of collection. For eleven (11) units or less, no space allocation is required if a Large Waste Container is not used for collection. For eleven (11) units or less using a Large Waste Container for collection, the minimum space allocation shall be an eight (8) cubic yard Large Waste Container. For twelve (12) units or more, the minimum space allocation shall be an eight (8) cubic yard dumpster-type of Large Waste Container per every thirty (30) units or an eight (8) cubic yard compactor-type of Large Waste Container per every ninety (90) units.

Space for Recycling Stations recycling containers shall be allocated as follows:

WHEREAS, all of the prerequisites to the adoption of this ordinance prescribed in Chapter 160A, Article 19, as amended, of the General Statutes of North Carolina have been met; and

WHEREAS, the members of the City Council of Charlotte, North Carolina, have taken into full consideration all statements and information presented at a public hearing held on the 19th day of February, 2018, on the question of designating a property known as the Charlotte Firefighting Apparatuses as an historic landmark; and

WHEREAS, the members of the Charlotte-Mecklenburg Historic Landmarks Commission have taken into full consideration all statements and information presented at a public hearing held on the 12th day of February, 2018, on the question of designating a property known as the Charlotte Firefighting Apparatuses as an historic landmark; and

WHEREAS, the William Jeffers & Company Hand-Powered Pumper (1861), the American Fire Engine Company “Metropolitan” Steam-Powered Pumper (1902), and the
American LaFrance & Foamite Company Gasoline-Engine-Powered Pumper (1928) are the only extant fire apparatuses of their types that exist in the collection of fire engines owned by the Charlotte Fire Department; and

WHEREAS, the William Jeffers & Company Hand-Powered Pumper (1861), the American Fire Engine Company “Metropolitan” Steam-Powered Pumper (1902), and the American LaFrance & Foamite Company Gasoline-Engine-Powered Pumper (1928) document the evolution of fire engines used by Charlotte firefighters from the last quarter of the nineteenth century until the mid-twentieth century; and

WHEREAS, the William Jeffers & Company Hand-Powered Pumper (1861), the American Fire Engine Company “Metropolitan” Steam-Powered Pumper (1902), and the American LaFrance & Foamite Company Gasoline-Engine-Powered Pumper (1928) have been restored to operational condition and therefore possess educational value, not only for Charlotte but for communities throughout North Carolina.; and

WHEREAS, the City of Charlotte acquired the William Jeffers & Company Hand-Powered Pumper (1861) for use by Charlotte’s African American Volunteer Fire Company. Consequently, the William Jeffers & Company Hand-Powered Pumper is an Important Artifact of Charlotte’s African American history; and

WHEREAS, Charlotte-Mecklenburg Historic Landmarks Commission has demonstrated that the property known as the Charlotte Firefighting Apparatuses possesses special significance in terms of its history, and/or cultural importance; and

WHEREAS, the property known as the Charlotte Firefighting Apparatuses is owned by Charlotte Fire Department.
NOW, THEREFORE, BE IT ORDAINED by the members of the City Council of Charlotte, North Carolina:

1. That the property known as the “Charlotte Firefighting Apparatuses” (including the 1861 William Jeffers & Company Hand-Powered Pumper, the 1902 American Fire Company Metropolitan Steam-Powered Pumper, and the 1928 American LaFrance & Foamite Company Fire Truck) is hereby designated as an historic landmark pursuant to Chapter 160A, Article 19, as amended, of the General Statutes of North Carolina. The location of said landmark is noted as being situated at 500 Dalton Avenue, Charlotte NC, and 620 West 28th Street, Charlotte, Mecklenburg County, North Carolina. Features of the property are more completely described in the “Survey and Research Report on the Charlotte Firefighting Apparatuses” (2017).

2. That said designated historic landmark may be materially altered, restored, or demolished only following issuance of a Certificate of Appropriateness by the Charlotte-Mecklenburg Historic Landmarks Commission. An application for a Certificate of Appropriateness authorizing the demolition of said landmark may not be denied, except if such landmark is judged to be of State-wide significance by duly authorized officials of the North Carolina Division of Archives and History. However, the effective date of such Certificate may be delayed in accordance with Chapter 160A, Article 19, and amendments thereto, and hereinafter adopted.

3. Nothing in this ordinance shall be construed to prevent or delay ordinary maintenance or repair of any architectural feature in or on said landmark that does not involve a change in design, material or outer appearance thereof, nor to prevent or delay the construction, reconstruction, alteration, restoration, demolition or removal of any such feature when a building inspector or similar official certifies to the Commission that such action is required for the public safety because of an unsafe condition. Nothing herein shall be construed to prevent the owner of

the historic landmark from making any use of the historic landmark not prohibited by other statutes, ordinances or regulations. Owners of locally designated historic landmarks are expected to be familiar with and to follow The Secretary of the Interior’s Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings, the guidelines used by the Charlotte-Mecklenburg Historic Landmarks Commission to evaluate proposed alterations or additions.

4. That a suitable sign may be posted indicating that said property has been designated as an historic landmark and containing any other appropriate information. If the owner consents, the sign may be placed on said historic landmark.

5. That the owners of the historic landmark known as the “Charlotte Firefighting Apparatuses” be given notice of this ordinance as required by applicable law and that copies of this ordinance be filed and indexed in the offices of the City Clerk, Building Standards Department, Mecklenburg County Register of Deeds, and the Tax Supervisor, as required by applicable law.

6. That which is designated as an historic landmark shall be subject to Chapter 160A, Article 19, of the General Statutes of North Carolina as amended, and any amendments to it and any amendments hereinafter adopted.
