If the owner fails to pay the bill within thirty (30) days, then the supervisor of the Community Improvement Division is hereby ordered to place a statutory notice of lien against the property for the cost of bringing the property into compliance with article IIB. The format for the notice of lien has been approved by the city council and a copy of the said format is available at the office of the city clerk. The supervisor of the Community Improvement Division shall also be authorized to cancel any notice of lien filed pursuant to article IIB that has been satisfied or is a clerical error. A property owner can challenge the filing of a lien by appeal to the city council within thirty days of receipt of the written notice of violation. The city council has the authority to order the supervisor of Community Improvement to cancel the lien, if the city council finds that the alleged violation of the specific city code provision causing the filing of the lien did not exist.
Sec. 10-35. Authority of Community Improvement Division Officer.
A Community Improvement Division officer shall have the authority to enter upon property, to obtain an administrative search warrant if necessary, to issue a notice of violation, to enter upon or authorize an agent to enter upon and clean up the premises if there is not compliance with the notice of violation, and to file a notice of lien against the property in the event that the city seeks to secure the cost of bringing the property into compliance with the code through the collection of the costs as unpaid taxes.

Sec. 10-36. Interference with Community Improvement Officer.
It shall be unlawful for any person to interfere, harass, or otherwise impede a Community Improvement Division officer carrying out his duties when the Community Improvement officer is exercising his duties in a lawful manner, when a Community Improvement Division officer has authority to conduct an investigation under the authority of a lawfully issued administrative search warrant and when carrying out the enforcement provisions of this article after a notice of violation has been issued and the time for compliance has expired.
