An Ordinance Amending the City Code with respect to the Zoning Ordinance

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHARLOTTE:

Section 1. Chapter 23 "Zoning" of the Code of the City of Charlotte is hereby amended as follows:

1. Amend Article III, Division 3, Special Districts and Conditional Uses by deleting Section 23-37, "Mobile home courts or trailer parks," in its entirety and insert the following in its place:

Sec. 23-37 R-MH Mobile Home District.

(a) The purpose of this district is to provide for the development of properly located and planned facilities for mobile homes. The mobile home is recognized as a form of housing for which specific provisions should be made. It is further recognized that in urban and urbanizing areas mobile homes should be located in mobile home parks and subdivisions only and that such areas must be carefully located and designed to meet the needs of the residents and to achieve a satisfactory relationship to adjoining and nearby property. Emphasis is given, therefore, to the location of a proposed mobile home district, the relationship of the site and site development plan to adjoining property, and the development plan itself when evaluating an application for this conditional district.

(b) An application for rezoning to R-MH Mobile Home District shall be accompanied by a schematic plan and supplementary text showing:

1. Name of mobile home park or subdivision; names and addresses of owners and designer.
2. Date, north arrow and scale.
3. Property boundary and area.
4. Topography at 4 foot contour intervals (existing and primary proposed).
5. Adjacent streets.
6. All proposed land uses.
7. Proposed buildings (show outline and number of floors).
8. Proposed mobile home lots or spaces.
9. Proposed streets and private drives, parking areas and the total number of parking spaces to be provided.
10. Recreation areas and other areas.
11. Where water supply or sewage disposal system will be other than by connection to public facilities the petitioner shall secure and submit a statement from the Mecklenburg County Health Department that the proposed systems will meet the needs for the population contemplated.
(c) Lot requirements for mobile home subdivisions and for institutional uses in the R-MH District shall be in accordance with the requirements for the R-9 District as specified in Section 23-41, 23-42.1, and 23-43.

(d) Development requirements for mobile home parks within the R-MH District shall be as specified below:

1. The minimum area of any site to be developed as a mobile home park shall be five (5) acres, including rights-of-way and utility easements.
2. The maximum gross density of a mobile home park or sections thereof shall be eight (8) mobile home living units per gross acre of the tract.
3. There shall be no less than ten (10) mobile home spaces available at first occupancy.
4. A mobile home park shall abut a publicly dedicated street for a minimum distance of 60 feet.
5. The minimum setback from a public street shall be 40 feet. There shall be no parking permitted within the required setback.
6. All buildings, structures, and mobile home stands shall be located at least 30 feet from any exterior property line not a street right-of-way line, except that accessory structures may be located in accordance with the provisions of Section 23-27.
7. A mobile home park shall be equipped with private drives paved to a width of at least 20 feet, measured from edge of pavement to edge of pavement, and graded to a width of at least 30 feet for two-way traffic, and paved to a width of 10 feet and graded to a width of 20 feet for one-way traffic.
   (A) A base course shall be applied the entire required paved width of drives and shall consist of at least 4 inches of compacted crushed stone.
   (B) A surface course shall be applied the entire required paved width of drives and shall consist of at least 1 1/2 inches in thickness of plant mixed asphalt or Class "A" bituminous surface in conformance to North Carolina State Highway Commission specifications, Section 100.
   (C) Permanent street names approved by the Planning Commission shall be assigned to each private drive. Street signs approved by the Traffic Engineering Department shall be posted. The Department of Public Works shall utilize approved private drives and approved names in the assignment of mobile home space identification numbers.
8. The mobile home park shall be designed and graded in such a manner as to allow for the adequate runoff of storm water. Storm drains shall be provided with sufficient inlets located at points of surface water accumulation to adequately intersect surface flow.
9. A mobile home park shall be equipped with electricity, water and sanitary waste disposal facilities to the extent that convenient, safe and sanitary connections may be made with each mobile home in the park, in accordance with existing statutes and local ordinances.
10. Screening shall be utilized on all sides of a mobile home park. Consideration shall be given to topography, large trees, vegetation, site design and land uses in the evaluation of the extent of required...
(11) Recreation areas shall be provided to meet the anticipated needs of the residents of the mobile home park. Provision of separate adult and tot lot recreation areas is encouraged. Not less than 8% of the gross site area shall be devoted to recreational uses. Recreation area includes space for community buildings and community use facilities, adult and child play areas, swimming pools, and drying yards. The design of recreation areas shall be appropriate for the intended use and location of the activity.

(12) Site planning and improvements shall provide for the following:

(A) Site planning should adapt to individual site conditions. An informal park type of site planning which conforms to terrain, existing trees and shrubs is preferred. The mobile home space should be fitted to the terrain with a minimum disturbance of the land. Existing trees and other natural site features shall be preserved to the extent practical. Variations in the street pattern, block shapes and location of mobile home stands should be employed. Excessive repetition of the principal elements of the plan is not acceptable.

(B) Adequate protection shall be provided against any undesirable offsite views or any adverse influence from adjoining streets and areas, and protection of offsite residential areas from undesirable views and adverse influences from areas within the park. Consideration shall be given to the location and arrangement of mobile homes and of buildings, recreation and parking areas, the nature and extent of screening, setbacks, street design, and open space in the evaluation of the site plan and its relation to surrounding areas.

(13) Mobile home space requirements shall be as specified below.

(A) A mobile home park shall be divided into mobile home spaces, the limits of which shall be clearly marked on the ground by permanent flush stakes. Each space shall be of sufficient size to meet minimum dimensional area and separation requirements based upon the anticipated size and character of the mobile home and its additions to be placed on the space. In no case, however, shall a space be less than 5000 square feet per living unit in an area and no more than one mobile home shall be erected on one space.

(B) Location of space limits on the ground shall be approximately the same as shown on the approved plans. The degree of accuracy obtainable by working with a scale on the plan and then a tape on the ground is acceptable. Precise engineering of space limits is not required either on the plans or on the ground.

(C) Each mobile home shall be erected or located on a permanently constructed stand of the characteristics as given in the following sections.

(1) Each stand shall include a minimum of two (2) concrete runways. Each runway shall be a minimum of six (6) inches in thickness, 24 inches in width and 40 feet in length. The remaining area of the stand shall have at least a base of three (3) inches of compacted crushed stone.

(2) The location of each mobile home stand shall be at such elevation
Distance and angle in relation to the parking bay and the adjacent access drive that placement and removal of the mobile home is practical by means of customary moving equipment.

(3) Each mobile home stand shall be situated no nearer than 20 feet from any other stand and no nearer than 20 feet to the right-of-way of any drive which provides common circulation to mobile home sites within the park.

(4) No mobile home stand shall be located with direct access to a public street.

(5) Attached structures such as an awning, cabana, storage cabinet, carport, windbreak, and porch which has a floor area exceeding 25 square feet and roofed shall for purposes of all separation requirements be considered to be part of the mobile home stand.

(D) For each mobile home there shall be constructed a permanent patio, located adjacent to or attached to the mobile home stand and such patio shall be of the following characteristics:

(1) Each patio shall be at least 180 square feet in area.

(2) Each patio shall have sufficient gradient to facilitate adequate drainage away from the mobile home stand.

(3) Each patio shall have a well graded, well drained and compacted base and shall be of portland cement concrete or masonry construction.

(E) A walkway shall be constructed for each mobile home space and shall connect the parking bay and the patio where parking is provided for on the mobile home space and shall connect the patio and the drive where community parking areas are provided.

(F) Parking areas for motor vehicles shall be provided at a ratio of two parking spaces for each mobile home living unit. Parking may be provided on the mobile home space or in community bays. Each parking space shall be at least 180 square feet in area, have a minimum width of 20 feet, and shall be surfaced with at least 4 inches of compacted crushed stone.

(e) Permitted uses within the R-MH Mobile Home District shall be as provided herein:

(1) Mobile homes.

(2) Caretaker's or manager's home or office.

(3) Service building to house services for occupants of the mobile home park only, including management office, rest rooms, vending machines, washing and drying machines for domestic laundry and recreation facilities accessory to the mobile home park, and similar uses.

(4) Mobile home sales for mobile homes to be located within the district shall be permitted only as such mobile homes are located on approved and established mobile home lots or spaces and stands.

(5) All other uses permitted in single family residential districts subject to the R-9 District development requirements.

(f) In approving an application for R-MH Mobile Home District, the City Council shall find:

(1) That the proposed site and development plan provide for adequate access to the public street system without causing undue congestion or placing excessive traffic loads on local streets.

(2) That the size and shape of the site is adaptable to good mobile home park design and that development of the site for mobile home uses will not unduly obstruct development of adjoining property.

(3) That implementation of the development plan will not disrupt unduly any natural features of the site such as topography, streams or tree cover.
(4) That the development plan provides effective screening of the park from adjoining single family residential areas so as to minimize adverse effects on these areas.

(g) Site development within the R-MH District shall conform to the schematic plan and associated requirements approved by the City Council. Modification of the development plan and associated requirements may be made by the City Council subsequent to their initial approval upon application thereof by the owner of the property.

(h) Following City Council approval of a R-MH Mobile Home District, the property for which approval was granted shall be labeled R-MH on the Official Zoning Map.

(1) If development in the R-MH District is not started within two years of the date of approval, the City Council may consider rezoning the site to its previous classification.

(j) Upon approval of a R-MH Mobile Home District detailed development plans for a mobile home park may then be submitted to the Superintendent of Building Inspection for approval in accordance with the following provisions. Preliminary plans and final plats for mobile home subdivisions shall be submitted to the Planning Commission in accordance with the requirements of Chapter 18 of this Code.

(1) A Mobile Home Park Construction Permit is required either to establish a mobile home park or to expand an existing park. Application for such permit shall be made to the Superintendent of Building Inspection and shall be accompanied by six (6) copies of a Mobile Home Park Final Plan.

(2) A Mobile Home Park Final Plan shall be prepared by a registered Surveyor, Engineer or Landscape Architect, shall be drawn at a scale of not less than 1 inch equals 50 feet, and shall include at least the following information:

(A) Name of mobile home park; names and addresses of owners and designer of park and designer's seal.

(B) Date, north arrow and scale.

(C) Boundaries of the mobile home park and adjoining property owners.

(D) The location and dimensions of all existing and proposed street, drives, access ways, mobile home spaces, stands, parking bays, patios, walkways, service and accessory buildings, utility easements, storm drainage structures, and the location and type of screening to be provided.

(E) The location of outlets for utility connections to mobile homes.

(F) Existing and finished contours at intervals of not more than 2 feet.

(G) The location and service connections of fire hydrants, both public and private.

(3) The Superintendent of Building Inspection shall submit one (1) copy of the Mobile Home Park Final Plan to each of the following agencies for their approval or disapproval:

(A) Charlotte-Mecklenburg Planning Commission - for conformance with site plan requirements.

(B) Department of Public Works - for conformance with site improvement and construction specifications.

(C) Traffic Engineering Department - for conformance with parking and circulation design requirements.

(D) Mecklenburg County Health Department - for conformance with regulations of the Mecklenburg County Health Department and regulations of the North Carolina State Board of Health.
(E) Fire Department - for location and adequacy of fire hydrants.

(4) Upon approval of a Mobile Home Park Final Plan by the above agencies and by the Superintendent of Building Inspection, the Superintendent of Building Inspection is empowered to issue a Mobile Home Park Construction Permit. All improvements within the mobile home park shall conform to the approved Mobile Home Park Final Plan.

(5) A Mobile Home Park Certificate of Occupancy, issued by the Superintendent of Building Inspection shall be required prior to the installation or erection of mobile homes on spaces ready for occupancy in a mobile home park which is newly developed or expanded subsequent to the adoption of this ordinance. Such Certificate of Occupancy shall be issued when the park and the mobile home spaces covered by the permit comply with the provisions of this ordinance, and other applicable requirements. Such Certificate of Occupancy shall limit the park to the use of mobile homes approved by the Superintendent of Building Inspection under appropriate regulatory standards therefore.

(k) Replacement of Existing Mobile Homes. Mobile Homes as principal residential buildings on individual lots, or in mobile home parks in operation at the time of the adoption of this ordinance may be improved by replacement of mobile home with another mobile home even though it is not designated as a permitted use in the district in which it is located, or may be permitted, but has not been developed in accordance with provisions of this ordinance, provided the number of mobile home living units is not increased beyond the number available before replacement, and provided that the replacing mobile home will not create non-conforming yards or separation distances or will not increase existing non-conforming yards or separation distances.
2. Amend Article I, Definitions, Section 23-2 by deleting paragraph (16a) in its entirety and changing "(16b) Net residential area to read "(16c) Net residential area" and "(16c) Planned unit development to read "(16d) Planned unit development," and by inserting the following new paragraphs:

"(16a) Mobile home. A moveable or portable dwelling over 32 feet in length and over 2 feet wide, constructed to be transported on its own chassis and designed without a permanent foundation, whether or not a permanent foundation is subsequently provided, which includes one or more components that can be retracted for transporting purposes and subsequently expanded for additional capacity, or two or more units separately transportable but designed to be joined into one integral unit, as well as a portable dwelling composed of a single unit.

"(16b) Mobile home park. A parcel or tract of land under single ownership which has been planned and improved for the placement of mobile homes for dwelling purposes.

"(16c) Mobile home stand. That part of an individual mobile home space which has been reserved for the placement of the mobile home and additions or attachments thereto."  

3. Amend Article III, Division 1, Section 23-31. Table of permitted uses, paragraph (a) Residential and related uses by deleting the following two listed uses in their entirety:

"Mobile homes, in organized trailer parks only; as a Conditional Use, under Sec. 23-37."

"Mobile homes, in organized trailer parks only, subject to conditions listed in Sec. 23-37, (a) and (b), (2), (3), (4), (5)."

In place of the above paragraphs insert the following listed use without designating any specific district in which it will be permitted:

"Mobile homes, in the Conditional R-MH District only, as provided under Sec. 23-37."

4. Amend Article IV, Division 1, Residential Districts, Section 23-42.1. Cluster Developments, by changing paragraph (b) to read as follows:

"(b) Cluster developments may be established in R-6; R-6MF; R-9; R-9MF; R-12; R-12MF; R-15; R-15MF; R-20; and O-15 districts, and in the Conditional R-MH District, subject to the following requirements:"

5. Amend Article VI, Sign Regulations. Division 2. Section 23-80. Residential Districts. as follows:

(a) Change paragraph (a) to read as follows: "(a) Signs on premises of single-family and two-family dwellings and on the premises of mobile homes shall be regulated as follows:"

(b) Change paragraph (c) to read as follows: "(c) Signs on premises of Planned multi-family developments and on premises of established mobile home parks shall be regulated as follows:"
November 23, 1970
Ordinance Book 17 - Page 473

6. Amend Article VII, Division 3, Section 23-96. Amendments to the zoning ordinance, paragraph (d) by changing "(10a) RE-1," (10b) RE-2," and (10b) INST" to "(10b) RE-1," (10c) RE-2," and "(10d) INST" and by inserting the following new district: "(10a) R-MH."
