RESOLUTION OF THE CHARLOTTE CITY COUNCIL AMENDING THE ATTENDANCE POLICY FOR BOARDS, COMMITTEES, AND COMMISSIONS

WHEREAS, on February 10, 1997, the Charlotte City Council adopted a Resolution establishing certain policies and procedures relating to, among other things, attendance requirements for members of boards, committees, and commissions; and

WHEREAS, the City Council now desires to amend the attendance policy established in the February 10, 1997 Resolution.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Charlotte that the February 10, 1997 “Resolution of the Charlotte City Council Establishing its Policies and Procedure for Public Notification, Nomination, and Appointment of Persons to Boards, Committees, and Commissions, and Stating City Policies for Consecutive Terms, Oaths of Office, Residency, and Attendance, and for the Submittal of Review Reports of Boards and Commissions”, as amended, is hereby amended by rewriting the first paragraph of Section 5, Attendance Policy to read as follows:

“In order for a board, committee, or commission to be effective and efficient, and to accomplish its purpose, its membership must be actively involved and attendant to the business of the body. Therefore, all members are required to attend at least 65% of the regular and special meetings of the body and assigned committees and subcommittees held in any one calendar year with NO EXCUSED ABSENCES. On January 1 of each year, a member of any board, commission, or committees appointed by the Mayor, Council or City Manager shall be automatically removed from said body for failure to attend at least 65% of all regular and special meetings of the body and assigned committees and subcommittees held during the immediately preceding calendar year. RESOLUTION OF THE CITY OF CHARLOTTE, NORTH CAROLINA, AUTHORIZING THE NEGOTIATION OF AN INSTALLMENT PAYMENT CONTRACT, DIRECTING A PUBLIC HEARING BE HELD AND THE PUBLICATION OF NOTICE WITH RESPECT THERE TO AND PROVIDING FOR CERTAIN OTHER RELATED MATTERS THERE TO

WHEREAS, the City of Charlotte, North Carolina (the "City") is a duly and regularly created, organized and validly existing municipal corporation of the State of North Carolina, existing as such under and by virtue of the Constitution, statutes and laws of the State of North Carolina (the "State");

WHEREAS, the City has the power, pursuant to North Carolina General Statutes, to (1) purchase real and personal property, (2) enter into installment purchase contracts in order to finance the purchase of real and personal property used, or to be used, for public purposes, and (3) grant a security interest in some or all of the property purchased to secure repayment of the purchase price;

WHEREAS, the City Council of the City of Charlotte, North Carolina (the "City Council"), hereby determines that it is in the best interests of the City to enter into an Installment Payment Contract to be dated as of May 15, 2003 (the "Contract") with the New Charlotte Corporation (the "Corporation") in order to (1) finance (a) the acquisition of land, (b) the construction of an arena and related improvements and (c) the construction, renovation, improvement, equipping and furnishing of the City's old City Hall building, Marshall Park, the City’s old police and fire training academies and related facilities, Fire Station #1, Fire Station #35, the City’s Spratt Street maintenance facility and the Charlotte/Mecklenburg Utilities department administrative building (collectively, the "Project") and (2) refinance the Installment Payment Contract dated as of June 15, 1993 between First Union Securities, Inc., the successor to which is the Corporation, and the City (the "1993B Contract")
WHEREAS, the City’s obligation to make installment payments under the Contract will be secured by the Amended, Restated and Supplemental Deed of Trust and Security Agreement dated as of March 1, 1995 (the “Deed of Trust”) from the City to the deed of trust trustee named therein, as previously amended, which currently provides a security interest in the Charlotte/Mecklenburg Law Enforcement Center and the Adams Bureau and will be extended in conjunction with future amendments to the Contract to provide a security interest in all or some of the following City facilities: old City Hall building, Marshall Park, the City’s old police and fire training academies and related facilities, Fire Station #1, Fire Station #35, the City’s Spratt Street maintenance facility and the Charlotte/Mecklenburg Utilities department administrative building;

WHEREAS, the City hereby determines that the acquisition of the Project will permit the City to carry out public functions that it is authorized by law to perform; and that entering into the Contract is necessary and expedient for the City by virtue of the findings presented herein;

WHEREAS, the City hereby determines that the refinancing of the 1993B Contract will result in debt service savings to the City;

WHEREAS, the City hereby determines that the Contract allows the City to purchase the Project and take title thereto at a favorable interest rate currently available in the financial marketplace and upon terms advantageous to the City;

WHEREAS, the City hereby determines that the cost of the acquisition of the Project exceeds the total amount that can be prudently raised from currently available appropriations, unappropriated fund balances and non-voted bonds that could be issued by the City in the current fiscal year pursuant to Article V, Section 4 of the Constitution of the State;

WHEREAS, although the cost of financing the Project pursuant to the Contract is expected to exceed the cost of financing the Project pursuant to a bond financing for the same undertaking, the City hereby determines that the cost of the Project pursuant to the Contract and the obligations of the City thereunder are preferable to a general obligation bond financing or revenue bond financing for several reasons, including but not limited to the following: (1) the time required for a general obligation bond election would cause an unnecessary delay which would thereby decrease the financial benefits of acquiring, constructing, improving and equipping the Project; and (2) insufficient revenues are produced by the Project so as to permit a revenue bond financing;

WHEREAS, the City hereby determines that the estimated cost of financing the acquisition of the Project pursuant to the Contract reasonably compares with an estimate of similar costs under a bond financing for the same undertaking as a result of the findings delineated in the above preambles;

WHEREAS, the City does not anticipate future property tax increases solely to pay installment payments falling due under the Contract in any fiscal year during the term of the Contract and such payments are adequate and not excessive for their purpose;

WHEREAS, Parker Poe Adams & Bernstein L.L.P., as special counsel (“Special Counsel”), will render an opinion to the effect that entering into the Contract and the transactions contemplated thereby are authorized by law;

WHEREAS, no deficiency judgment may be rendered against the City in any action for its breach of the Contract, and the taxing power of the City is not and may not be pledged in any way directly or indirectly or contingently to secure any moneys due under the Contract;

Also present: City Manager Pam Syvert, City Attorney Mac McCrleary, and City Clerk Brenda Freeze

Council member Patrick Cannon introduced the following resolution (the "Resolution"), a summary of which had been provided to each Council member:

RESOLUTION OF THE CITY OF CHARLOTTE, NORTH CAROLINA, AUTHORIZING THE NEGOTIATION OF AN INSTALLMENT PAYMENT CONTRACT, DIRECTING A PUBLIC HEARING BE HELD AND THE PUBLICATION OF NOTICE WITH RESPECT THERETO AND PROVIDING FOR CERTAIN OTHER RELATED MATTERS THERETO

WHEREAS, the City of Charlotte, North Carolina (the "City") is a duly and regularly created, organized and validly existing municipal corporation of the State of North Carolina (the "State"), existing as such under and by virtue of the Constitution, statutes and laws of the State;

WHEREAS, the City has the power, pursuant to the North Carolina General Statutes, to (1) purchase real and personal property, (2) enter into installment payment contracts to finance the purchase of real and personal property used, or to be used, for public purposes, and (3) grant a security interest in some or all of the property purchased to secure repayment of the purchase price;

WHEREAS, the City Council of the City (the "City Council") hereby determines that it is in the best interests of the City to enter into (a) an installment payment contract (the "Contract") with Bank of America, N.A. and Wachovia Bank, National Association (collectively, the "Banks") to finance a portion of the acquisition, construction, renovation, equipping and furnishing of an arena and related improvements to be located in the City (the "Project") and (b) a deed of trust and security agreement (the "Deed of Trust") related to such property as will be required to secure the Banks’ interest under the Contract;

WHEREAS, the City hereby determines that the acquisition and construction of the Project is essential to the City’s proper, efficient and economic operation and to the general health and welfare of its inhabitants; that the Project will provide an essential use and will permit the City to carry out public
functions that it is authorized by law to perform; and that entering into the Contract is necessary and expedient for the City by virtue of the findings presented herein;

WHEREAS, the City hereby determines that the Contract allows the City to purchase a portion of the Project and take title thereto at a favorable interest rate currently available in the financial marketplace and on terms advantageous to the City;

WHEREAS, the City determines that the estimated cost of such portion of the Project is an amount not to exceed $16,800,000 and that such cost exceeds the amount that can be prudently raised from currently available appropriations, unappropriated fund balances and non-voted bonds that could be issued by the City in the current fiscal year pursuant to Article V, Section 4 of the Constitution of the State;

WHEREAS, although the cost of financing the cost of a portion of the Project pursuant to the Contract is expected to exceed the cost of financing the cost of such portion of the Project pursuant to a bond financing for the same undertaking, the City hereby determines that the cost of financing the cost of such portion of the Project pursuant to the Contract and the obligations of the City thereunder are preferable to a general obligation bond financing or revenue bond financing for several reasons, including but not limited to the following: (1) the time required for a general obligation bond election would cause an unnecessary delay which would thereby decrease the financial benefits of acquiring, constructing, improving, equipping and furnishing the Project; and (2) insufficient revenues are produced by the Project so as to permit a revenue bond financing;

WHEREAS, the City hereby determines that the estimated cost of financing a portion of the Project pursuant to the Contract reasonably compares with an estimate of similar costs under a bond financing for the same undertaking as a result of the findings delineated in the above preambles;

WHEREAS, the City does not anticipate future property tax increases solely to pay installment payments falling due under the Contract in any fiscal year during the term of the Contract and such payments are adequate and not excessive for their purpose;

WHEREAS, Parker Poe Adams & Bernstein L.L.P., as special counsel ("Special Counsel"), will render an opinion to the effect that entering into the Contract and the transactions contemplated thereby are authorized by law and constitute a purpose for which public funds may be expended pursuant to the Constitution and laws of the State;

WHEREAS, no deficiency judgment may be rendered against the City in any action for its breach of the Contract, and the taxing power of the City is not and may not be pledged in any way directly or indirectly or contingently to secure any moneys due under the Contract;

WHEREAS, the City is not in default under any of its debt service obligations;

WHEREAS, the City's budget process and Annual Budget Ordinance are in compliance with the Local Government Budget and Fiscal Control Act, and external auditors have determined that the City has conformed with generally accepted accounting principles as applied to governmental units in preparing its Annual Budget Ordinance;

WHEREAS, past audit reports of the City indicate that its debt management and contract obligation payment policies have been carried out in strict compliance with the law, and the City has not been censured by the North Carolina Local Government Commission (the "LGC"), external auditors or
any other regulatory agencies in connection with such debt management and contract obligation payment policies;

WHEREAS, a public hearing on the Contract after publication of a notice with respect to such public hearing must be held and approval of the LGC with respect to entering the Contract must be received; and

WHEREAS, the City hereby determines that all findings, conclusions and determinations of the City in this Resolution are subject to modification or affirmation after all interested parties have been afforded the opportunity to present their comments at a public hearing regarding the execution and delivery of the Contract, the Deed of Trust and the acquisition of the Project to be financed in part thereby;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CHARLOTTE, NORTH CAROLINA, AS FOLLOWS:

Section 1. Authorization to Negotiate Contract. That the City Manager and the Director of Finance, with advice from the City Attorney and Special Counsel, are hereby authorized and directed to proceed and negotiate on behalf of the City for the financing of a portion of the cost of the Project for a principal amount not to exceed $16,800,000 under the Contract to be entered into in accordance with the provisions of Section 160A-20 of the North Carolina General Statutes and to provide in connection with the Contract, as security for the City’s obligations thereunder, the Deed of Trust conveying a lien and interest in such property as may be required by the Banks, or their assigns, providing the funds to the City under the Contract.

Section 2. Application to LGC. That the Director of Finance or his designee is hereby directed to file with the LGC an application for its approval of the Contract and all relevant transactions contemplated thereby on a form prescribed by the LGC and to state in such application such facts and to attach thereto such exhibits regarding the City and its financial condition as may be required by the LGC.

Section 3. Direction to Retain Special Counsel. That the City Manager and the Director of Finance are hereby authorized and directed to retain the assistance of Parker Poe Adams & Bernstein L.L.P. of Charlotte, North Carolina, as Special Counsel.
