Interlocal Agreement for Stevens Creek Sewer Phase I and Stream Restoration

Action:
Adopt a resolution to approve an interlocal agreement with Mecklenburg County pursuant to which the County will pay the City to construct a portion of the Stevens Creek Sewer Phase I and Stevens Creek Stream Restoration Project.

Staff Resource(s):
Angela Lee, Charlotte Water
Ron Hargrove, Charlotte Water
Carl Wilson, Charlotte Water

Explanation
- The City and Mecklenburg County have overlapping projects identified along a portion of Stevens Creek in the Town of Mint Hill. The City and County have negotiated an agreement to construct these projects under one contract, which will provide a mutual benefit.
  - The City’s portion of the project includes design and construction of approximately 10,000 feet of sanitary sewer ranging from eight to 24 inches diameter, with an estimated construction cost of $4,000,000.
  - The County’s portion of the project includes design and construction of 10,000 feet of stream restoration along Stevens Creek, with an estimated construction cost of $2,000,000.
- The proposed interlocal agreement outlines cost-sharing for construction and maintenance.
- The City’s design contract with GHD Consulting Services Inc. for the sanitary sewer portion of the project was approved by Council on November 14, 2016.
- The City has completed the design phase and has incorporated the County-designed stream restoration portions of the project.
- Charlotte Water is preparing to advertise and receive bids for construction. The final financial obligation will be known once construction bids are received for the project.
- The Mecklenburg County Board of County Commissioners will be asked to approve the interlocal agreement at their April 10, 2018 meeting.
- The construction contract, budget ordinance to accept the County contribution, and construction administration contract are anticipated to be submitted for City Council consideration in the summer of 2018.
- Project construction is expected to start in the fall of 2018 and conclude by the end of 2019.

INTERLOCAL AGREEMENT FOR  
FUNDING OF THE STEVENS CREEK AND  
GRAVITY SEWER PROJECT

This Interlocal Agreement for Funding of the Stevens Creek and Gravity Sewer Project is entered into and agreed upon as of September 7, 2018 (the “Effective Date”), by and between the CITY OF CHARLOTTE (the “City”), a municipal corporation organized under the laws of the State of North Carolina and the COUNTY OF MECKLENBURG (the “County”), a political subdivision of the State of North Carolina (hereinafter the “Parties”).

WITNESSETH:

WHEREAS, the Parties operate the Charlotte-Mecklenburg Storm Water Services utility pursuant to an interlocal agreement entered into between the Parties in 1993, which identifies their respective rights and responsibilities for operation and management of storm water throughout Mecklenburg County;

WHEREAS, the City of Charlotte and the County own properties or hold easements along Stevens Creek and tributary, located between Thompson Road and I-485 in Mint Hill, North Carolina as shown in Exhibit “A” (hereinafter the “Property”). The County intends to make certain improvements to the water resources on said Property along Stevens Creek and Tributary, which may include the restoration of streams, Best Management Practices (“BMPs”) and provisions for subsequent maintenance and monitoring of the improvements (hereinafter the “County Project”);

WHEREAS, the City is currently interested in the installation of a gravity sewer along, in combination with the restoration of, the major stream known as Stevens Creek and Tributary, and provisions for subsequent maintenance and monitoring of the sewer improvements (hereinafter the “City Project”);

WHEREAS, it is in the Parties’ mutual best interest to make County Project and City Project improvements concurrently by developing feasibility and design plans for constructing both the County Project area and the City Project area (hereinafter the “Combined Project”);

WHEREAS, the Parties desire to enter into a funding and development agreement that sets out their respective rights and responsibilities with respect to the Combined Project;

NOW, THEREFORE, in consideration of the premises and the fulfillment of the terms of this agreement, the County and the City agree as follows:

1. **Combined Project Description**. The Combined Project includes a combination of the following: gravity sewer, stream restoration; stream enhancement; stream stabilization; habitat structure placement; buffer enhancements; and implementation of structural BMPs.
2. **Exhibit List**

The following Exhibits are attached to this agreement and incorporated into and made hereof by reference:

**Exhibit A:** Map of the Property.

**Exhibit B:** Combined Project Funding.

**Exhibit C:** Project Schedule

Each reference to the agreement shall be deemed to include all Exhibits.

3. **Consultant Selection.** The County, after complying with all applicable statutory procedures, has selected a consulting engineering firm, Stantec Consulting Service, Inc (the “Engineer”), which has expertise in the field of engineering, design and construction contract services with projects similar in size and scope to the Combined Project, to provide engineering services with respect to the County Project. The City, after complying with all applicable statutory procedures, has selected HGD Engineering firm, (the “Engineer”), which has expertise in the field of engineering design and construction contract services with projects similar in size and scope to the Combined Project, to provide engineering services with respect to the City Project.

4. **Planning and Design.** The County and City shall be responsible, through the Engineer, for design of their respective Projects. The design plans will consist of major system improvements (County portion of design plans) and gravity sewer (City portion of design plans).

5. **Permits.** The City and County shall, through the Engineer, obtain all Federal, State and local permits necessary to construct their specific portion of the Combined Project. The County will submit to the City a copy of all permit authorizations related to the County’s portion of the Combined Project.

6. **Construction Contract.** The City shall solicit and obtain bids for the construction of the Combined Project, including all labor, materials and services necessary to execute the work associated with the approved design plans and construction documents and award the contract for such Combined Project to a qualified contractor (hereinafter the “Contractor”) in accordance with applicable law. Before awarding any contract, the City must notify the County of all bidders for the Combined Project and their bid amounts. County Staff will be included in invitations to periodic and/or monthly construction meetings and punch list, as-built and/or final walkthroughs for the purpose of construction QC/QA of the County Project. The City will not award a contract for construction of the County Project without express written authorization by the County (the “Approved Contract”), and any subsequent proposed change orders to the Approved Contract shall also be subject to County’s prior review and written approval.

7. **Maintenance.** Maintenance of the facility will be performed according to the terms below:

- maintenance of the Stream portion of the project, Stream vegetation, erosion, stream structures;
• removal, at the discretion of the County, of trash, algae, mosquito control, and dead fish removal; and
• reporting blockages and nuisance animal activities such as burrowing animals.

The City will be responsible for:
• maintenance of the gravity sewer and associated right of way;
• sewer inspection to address structural and functional maintenance items; and
• non-routine maintenance including maintenance related to right of way clearing.

8. Payment Responsibilities of the County. The County shall provide full funding to the City for construction of the County Project as outlined in Exhibit B after bids are opened and City Council has recommended award. The City shall provide the County a copy of the monthly Combined Project invoices, completed with actual cost documentation supporting the invoice. The County shall provide written approval of the County’s costs included in every monthly payment application. At the conclusion of the Combined Project, any of the County’s funding not completely utilized on the County Project shall be promptly returned to the County.

9. Funding Administration. The City shall be responsible for contract administration for the construction contract and the funding agreement with the County as specified in Exhibit B. The City, with assistance from the Engineer, will be responsible for separating all costs associated with the Combined Project.

10. Notices. All notices required or permitted to be given hereunder shall be deemed given if emailed, hand delivered, or faxed with a mailed copy to follow, or mailed in a sealed wrapper and deposited in the United States Mail, registered or certified, return receipt requested, postage prepaid, properly addressed as follows:

If to the County: Mecklenburg County Storm Water Services

Charlotte, NC 28216
Attention: Nicole Bartlett, PE

Either party may change its notice address by giving written notice of the change to the other party in the manner specified above ten (10) days prior to the effective date of such change.

11. Applicable Law. This agreement shall be enforced, interpreted and construed by and under the laws of the State of North Carolina.

12. Dispute Resolution. The Parties agree that any disputes which cannot be resolved by the City and County Managers or their designees will first be attempted to be resolved by mediation and if not resolved by mediation, then by binding arbitration. If the Parties cannot agree upon selection of an
arbitrator and a process for arbitration, disputes between the parties arising out of or in connection with this agreement or the performance or breach thereof shall be resolved by binding arbitration in accordance with the then-applicable Commercial Arbitration Rules (the "Rules") of the American Arbitration Association. The Rules will apply except as specified in this paragraph. All arbitration proceedings will be held in Charlotte, North Carolina before a single arbitrator. The parties hereto agree to submit to the enforcement of any award resulting therefrom by any court of competent jurisdiction. Judgment upon the award rendered in any such arbitration proceeding may be entered into any court having competent jurisdiction thereof, or application may be made to such court for a judicial acceptance of the award and an order of enforcement as the case may be.

13. **Term of Agreement.** The term of this agreement shall commence on the Effective Date and shall expire at the conclusion of the one year construction warranty period unless sooner terminated or extended in accordance with the provisions of this agreement.

14. **Schedule:** City and County staff have reviewed and agreed upon the proposed Project Schedule (Exhibit C). All due diligence will be undertaken by both parties to ensure adherence to the Schedule.

15. **Amendments.** This Agreement may be amended by written agreement authorized by the governing bodies of each party and signed by authorized representatives of both parties.

16. **Termination.** The City and County may terminate this agreement at any time by mutual consent under such terms as may be agreed to in writing by the Board of County Commissioners and the City Council. The City and County further acknowledge that either party may terminate this agreement if all bids received for that party’s portion of the Combined Project exceed that party’s budgeted ability to fund such portion of the Combined Project.

[Signatures are on following pages]
IN WITNESS WHEREOF, the Parties hereto have caused this agreement to be executed as of the day and year first above written by the authority duly granted by their respective governing bodies.
