RESOLUTION RELATIVE TO THE PROPOSED MERGER OF THE SEABOARD AIR LINE RAILROAD COMPANY AND THE ATLANTIC COAST LINE RAILROAD COMPANY.

WHEREAS, the depressed state of the railroad industry in this Country in recent years is a matter of common knowledge and concern; and

WHEREAS, various agencies of the Federal Government that have studied the situation have advocated that the railroads, in order to cope with increasingly intense competition and rising costs, do something themselves to solve their problems and have expressly encouraged consolidation and merger of railroad lines as a means of effecting economies; and

WHEREAS, Seaboard Air Line Railroad Company and Atlantic Coast Line Railroad Company have proposed a merger of their properties into one rail system and have applied to the Interstate Commerce Commission for approval of such merger; and

WHEREAS, the merger study, resulting in the action by the two railroads, reveals an ultimate annual savings of $38,700,000, as well as an increase in the service and efficiency to the users; and

WHEREAS, one strong railroad system would not only be in a more favorable competitive position, but would accrue advantages to Charlotte in its industrial development efforts.

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Charlotte, North Carolina, does hereby go on record as commending the Seaboard Air Line Railroad Company and the Atlantic Coast Line Railroad Company for endeavoring, through self-help, to meet the difficult problems confronting them and their industry today and as strongly favoring the proposed merger of their properties; and

BE IT FURTHER RESOLVED, that a certified copy of this Resolution shall be transmitted to the Interstate Commerce Commission for filing in the aforesaid merger application in Finance Docket Number 21215.
