RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHARLOTTE, NORTH CAROLINA MAKING CERTAIN STATEMENTS OF FACT CONCERNING PROPOSED BOND ISSUE

WHEREAS, the City Council (the “City Council”) of the City of Charlotte, North Carolina (the “City”) is considering the issuance of bonds of the City which shall be for the following purposes and in the following maximum amount:

$118,080,000 of bonds to provide funds to pay the capital costs of constructing, reconstructing, enlarging, extending and improving certain streets, including streets and roads constituting a part of the State highway system or otherwise the responsibility of the State and including the cost of related studies, streetscape and pedestrian improvements, relocation of utilities, plans and design; acquiring, constructing, reconstructing, widening, extending, paving, resurfacing, grading or improving streets, roads, intersections, parking lots and pedestrian and bicycle paths; acquiring, constructing, reconstructing or improving sidewalks, curbs, gutters, drains, bridges, overpasses, underpasses and grade crossings and providing related landscaping, lighting and traffic controls, signals and markers; and the acquisition of land and rights-of-way in land required therefor;

related thereto and the acquisition of land and rights-of-way required
therefor; and

$55,000,000 of bonds to provide funds to pay the capital costs of
infrastructure improvements for various neighborhoods of the City,
including the cost of related studies, plans and design, acquiring,
constructing, reconstructing, improving, installing or providing curbs,
gutters, storm drainage, sidewalks, pedestrian and bicycle paths; paving,
resurfacing, grading or improving streets, roads and intersections,
providing public open space, landscaping and lighting, and acquiring any
necessary equipment, land, interests in land and rights-of-way therefor.

WHEREAS, certain findings of fact by the City Council must be presented to enable the Local
Government Commission of the State of North Carolina to make certain determinations as set forth in
Section 159-52 the North Carolina General Statutes, as amended.

NOW, THEREFORE, BE IT RESOLVED that the City Council, meeting in open session on the
11th day of June, 2018, has made the following factual findings in regard to this matter:

A. Facts Regarding Necessity of Proposed Financing. The proposed bonds are necessary
and expedient to pay (1) the capital costs of constructing, reconstructing, enlarging, extending and
improving certain streets, including streets and roads constituting a part of the State highway system or
otherwise the responsibility of the State and including the cost of related studies, streetscape and
pedestrian improvements, relocation of utilities, plans and design; acquiring, constructing, reconstructing,
widening, extending, paving, resurfacing, grading or improving streets, roads, intersections, parking lots
and pedestrian and bicycle paths; acquiring, constructing, reconstructing or improving sidewalks, curbs,
gutters, drains, bridges, overpasses, underpasses and grade crossings and providing related landscaping,
lighting and traffic controls, signals and markers; and the acquisition of land and rights-of-way in land
required therefor, (2) the capital costs of housing projects for the benefit of persons of low income, or
moderate income, or low and moderate income, including construction of infrastructure improvements
related thereto and the acquisition of land and rights-of-way required therefor and (3) the capital costs of
infrastructure improvements for various neighborhoods of the City, including the cost of related studies,
plans and design, acquiring, constructing, reconstructing, improving, installing or providing curbs,
gutters, storm drainage, sidewalks, pedestrian and bicycle paths; paving, resurfacing, grading or
improving streets, roads and intersections, providing public open space, landscaping and lighting, and
acquiring any necessary equipment, land, interests in land and rights-of-way therefor.

B. Facts Supporting the Amount of Bonds Proposed. The sums estimated for these bonds
are adequate and not excessive for the proposed purposes. Estimates for the proposed construction and
improvements have been carefully analyzed and determined by persons knowledgeable about the
construction and improvements.

C. Past Debt Management Procedures and Policies. The City’s debt management
procedures and policies are good and have been carried out in compliance with law. The City employs a
Chief Financial Officer to oversee compliance with applicable laws relating to debt management. The
City Council requires annual audits of City finances. In connection with these audits, compliance with
laws is reviewed. The City is not in default in any of its debt service obligations. The City Attorney
reviews all debt-related documents for compliance with laws.

D. Past Budgetary and Fiscal Management Policies. The City’s budgetary and fiscal
management policies have been carried out in compliance with laws. Annual budgets are closely
reviewed by the City Council before final approval of budget ordinances. Budget amendments changing a function total or between functions are presented to the City Council at regular City Council meetings. The Chief Financial Officer presents financial information to the City Council which shows budget to actual comparisons annually and otherwise as the City Manager deems necessary or as a member of the City Council may request.

E. **Increase in Taxes; Retirement of Debt.** The increase in taxes, if any, necessary to service the proposed debt will not be excessive. The schedule for issuance anticipates issuing all of the bonds in one or more series during the seven years following the adoption of the bond orders.

F. **Marketing of Bonds.** The proposed bonds can be marketed at reasonable rates of interest.

G. **Effective Date.** This Resolution is effective immediately on its adoption.

(j) Lake Patrol responsibilities as referenced in Attachment C

6. **Police Services Funding Formula.**

(a) The amount that the County shall pay the City for police services is set forth in Attachment B to this Agreement, Police Services Funding Formula, which is incorporated herein by reference.

(b) For each fiscal year of this Agreement, by the 10th day of each month, the County shall pay to the City one twelfth (1/12) of the annual amount computed using the Police Services Funding Formula, as estimated and as contained in the County’s adopted Budget for that fiscal year. A reconciliation will occur following the end of each fiscal year based on actual amounts as determined by the County’s audited Comprehensive Annual Financial Report (CAFR) pursuant to the Funding Formula. Settlement amounts as finally mutually determined to be due will be paid in the month following the published CAFR.
7. **Jurisdiction of Charlotte-Mecklenburg Police Department Officers.**

By its approval of this Agreement, the Board of County Commissioners, pursuant to Chapter 1170 of the 1969 Session Laws, as amended, has authorized and hereby reaffirms its authorization and empowerment of all law enforcement officers of the Charlotte-Mecklenburg Police Department to exercise throughout the County the same jurisdiction, authority, powers and rights, including arrest and service of criminal and civil process, which they are authorized by law to exercise within the City. But it is understood that the City shall not be obligated to exercise the powers referenced in this section in those portions of the County that the County has authorized another municipality to provide police services for except with respect to the fulfillment of mutual aid agreements by the City.

8. **Changes to City and County Ordinances.**

The City and County agree to make such changes or amendments to ordinances, rules, regulations and policies as may be required to further the interests of police consolidation and the police services to be provided by the City pursuant to this Agreement.

9. **Responsibility for Claims.**

The City will continue to be solely responsible for any and all claims and actions arising from the operation of the consolidated Charlotte-Mecklenburg Police Department on an occurrence basis from and after October 1, 1993, including but not limited to claims by third parties as well as former County employees who are employed by the City and arising out of their employment with the City. Each agrees to indemnify and hold the other harmless with respect to the claims for which it is responsible.

10. **Revenues.**

All funds related to police operations, such as the Forfeiture and Assets Fund, Police Donations Expendable Trust and Agency Fund, and Seized Assets Trust and Agency Fund have been transferred by the County to the City. Any monies received in the future by the County that would have been placed in these funds will be remitted to the City.

11. **Term of Agreement.**

In light of the terms, conditions and mutually beneficial purpose of this Agreement, and to ensure that the residents of the ETJ Areas served under this Agreement are never without quality law enforcement services, the duration of this Agreement shall be five (5) years, but subject to termination only as hereinafter set forth. To ensure continuity of service, the County and City will adhere to the terms of this Agreement until formal termination is rendered.
This Agreement may be terminated in its entirety for any reason at the beginning of either the fourth (4th) or fifth (5th) fiscal year by either the City or County upon notice in writing delivered to the office of the Manager of the governmental unit to which the notice is directed. Any such notice must be given at least twenty-four (24) months prior to the July 1 effective date of termination.

Both parties agree to begin negotiations on possible renewable of this Agreement at the beginning of the fourth fiscal year should such Agreement be in effect at that time.

12. **Termination of Agreement for Default.**

Failure of the County to provide the funds to the City as required by this Agreement is an event of default which would allow the City to terminate this Agreement as provided herein.

Failure of the City to provide the law enforcement services as required by this Agreement is an event of default which would enable the County to terminate this Agreement as provided herein.

If a party to this Agreement shall fail to fulfill in a timely and proper manner, or otherwise materially violate any of the provisions of this Agreement as stated above, the other party stated above shall have a right to give written notice to the defaulting party of its intent to terminate specifying the grounds for termination. Where such failure or violation continues for more than thirty (30) days after written notice is given, the non-defaulting party may terminate this Agreement. Provided, however, that where fulfillment of such obligation requires activity over a period of time and the defaulting party, following receipt of such notice, shall have, within thirty (30) days after written notice is given, commenced to perform whatever may be required to cure the particular default and continues such performance diligently, the thirty (30) day time limit may be waived by the party giving notice. Further provided that the party which has been given the notice of termination shall have the right to contest the termination by following the procedure contained in the Dispute Resolution Process section of this Agreement. Termination for default shall be effective on the date stated in the notice of termination, with such date being no earlier than twenty-four (24) months after the date of the notice.

13. **Dispute Resolution Process.**

The parties agree that any disputes, including any disputes as to the right of a party to terminate this Agreement, shall first be attempted to be resolved by the City and County Managers. Any dispute which cannot be resolved by the Managers will be attempted to be resolved by mediation using a mediator selected by the Managers. Any dispute as to termination that cannot be resolved by the Managers shall be final as determined by the party giving notice of termination. Any other disputes may be resolved by arbitration if mutually agreed upon by the Managers.
14. **Amendments and Mutual Extension of Term.**

Any amendments to this Agreement must be in writing, approved by the City Council and the Board of County Commissioners and signed by the Mayor of the City and Chairman of the Board of County Commissioners. This term of this Agreement may be extended only by action of both the City Council and the Board of County Commissioners by a written agreement signed by the Mayor of the City and Chairman of the Board of County Commissioners.

Executed as of the day and year first above stated by authority duly granted by the Charlotte City Council and the Mecklenburg County Board of Commissioners.

ATTACHMENT B

Police Services Funding Formula

1. The Board of County Commissioners retains the right to determine whether any law enforcement service district tax will be levied for the ETJ Areas, and if so, in what amount or amounts. However, the parties have agreed that the amount of payment to the City will be partly determined by what such a maximum law enforcement service district tax of 21.46 cents would generate, if levied. The parties to this Agreement agree that any language in this Agreement that implies, or might be interpreted to imply, that the Board of County Commissioners is obligated to levy a law enforcement service district tax in the ETJ Areas will not be interpreted in that manner.

2. In Fiscal Year 2019, the County will pay the City a minimum of $14,560,000 plus an amount calculated as what any additional revenue over $14,560,000 would be generated by the increase in assessed value in the ETJ Areas; this amount would be calculated as if an assumed law enforcement service district tax of 21.46 cents were levied. The minimum payment of $14,560,000 will be increased only if the value of the estimated taxable property is such that the assumed tax rate of 21.46 cents would yield more than $14,560,000 for the ETJ Areas. This will be considered the baseline for all future years.

For purposes ONLY of calculating the payment to the City, the current assumed property tax rate of 21.46 cents will be adjusted in years of revaluation to a revenue neutral rate per the North Carolina General Statutes [G.S. 159-11(e)].

For Fiscal Year 2020 and beyond, the calculation of the payment will be determined by adjusting the prior year’s payment by the percentage of change due to natural growth in the value of estimated taxable property, as determined by the County Assessor. Natural growth does not include the increment generated from the equalization of Public Service Companies. Adjustments to increase the payment will only occur if the value of the estimated taxable property is such that the revenue neutral tax rate equivalent to an assumed tax rate of 21.46 cents would yield more than $14,560,000 for the ETJ Areas. The maximum annual increase will be 5%.

As the property tax base in the ETJ Areas might be modified from time to time as a result of annexation, de-annexation and the addition of new assessed property or the revaluation of currently assessed property, the calculated revenue will be adjusted to reflect the totality of property values in the ETJ Areas.
3. If any portion of the ETJ Areas is annexed by the City or any other municipality after this Agreement is executed, the calculation of payment to the City shall be calculated at a presumed law enforcement service district rate of no greater than 21.46 cents or the equivalent revenue neutral tax rate as provided above, such that the remaining property in the reduced ETJ Areas would not experience any net increase in taxes should the Board of County Commissioners levy a law enforcement service district tax in the ETJ Areas.
ATTACHMENT C

Lake Patrol Agreement

1. Situational Awareness conducted by the CMPD lake enforcement officers will focus on the critical infrastructure of Lake Norman. Specifically, McGuire Nuclear Station, Cowan’s Ford Dam, and the two water intakes will be patrolled on a daily basis. During these patrols, officers will be checking for suspicious boats, persons, aircraft, or other items in the water near these locations. The officers will ensure that there are no boats or other items in the water near or within the buoyed area of the nuclear station, dam, or water intakes. Specifically, regarding the water intakes, officers will check for any foreign objects attached to the structure such as ropes, wires, or cables.

2. CMPD Lake Enforcement officers will be available to assist Cornelius with any priority one call when they are on Lake Norman. CMPD Lake Enforcement will respond from Mountain Island Lake or from an off-duty status to those incidents involving hostile actions against the nuclear station, the dam, or one of the water intakes. CMPD will assist at other times within existing mutual aid agreements when resources are available. CMPD Lake Officers that are off duty are considered to be “not available”. CMPD prefers that all requests for assistance be made by police radio on the “North” talkgroup and that CMPD’s 911 communications center be used as a last resort.

3. CMPD will maintain a policing role both Lake Norman and Mountain Island Lake. CMPD officers will have a situational awareness role on Lake Norman and a law enforcement / boating safety role on Mountain Island Lake. CMPD’s North Division will have four Lake Enforcement Officers to handle responsibilities on both Lake Norman and Mountain Island Lake. The officers will have a situational awareness role on Lake Norman and a law enforcement/boating safety role on Mountain Island Lake. The peak season schedule- May through September will be 7 days a week. Officers will be scheduled during late afternoon and evening hours on Friday, Saturday, and Sunday. This will be to perform their boating safety role on Mountain Island Lake. On Mondays through Thursdays, they will be scheduled during daytime hours and will split their time between both lakes. The off-peak season schedule, October through April, will be 7 days a week and will be daytime hours. The officers will split their time between both lakes each day.

4. CMPD will perform all policing responsibilities on Lake Wylie.
