RESOLUTION APPROVING THE CONSTRUCTION OF KENILWORTH AVENUE CONNECTOR AS SHOWN ON STATE HIGHWAY PLANS OF PROJECT 8.27223.

WHEREAS, the State Highway Commission has prepared and adopted plans to make certain street and highway improvements within the Municipality of Charlotte consisting of improvement and construction of Kenilworth Avenue Connector as shown on the plans of Project 8.27223, Mecklenburg County; said project having sufficient right of way width to accommodate the construction of Project 8.27223, Mecklenburg County; that said improvement is considered to be a most necessary improvement in the street and highway system within the corporate limits of this Municipality for the promotion of public safety and convenience; and,

WHEREAS, in the plans and proposals of said improvement, it is provided that this Municipality cooperate with said Commission to the extent of:

(1) Participating in the cost and expense of acquiring all the rights of way necessary for the location and construction of said project, and the removal therefrom of all obstructions and encroachments of any kind or character; to furnish the necessary rights of way free of all encroachments and obstructions to the State Highway Commission without any cost or liability whatsoever to the State Highway Commission and to save the Commission harmless from any and all claims for damages that might arise on account of the acquisition of right of way and drainage, in construction of the said project in accordance with the plans on file with the State Highway Commission in Raleigh, North Carolina.

(2) Payment to the Commission within sixty (60) days after actual final costs are known and submitted to the Municipality, such costs as were incurred in the performance of:

(a) Construction of all retaining walls in order to eliminate or minimize the cost or right of way.

(b) Removal and replacement of garages along Kenilworth Avenue between Ideal Way (NOT OPEN) and Ordermore Avenue.

(c) Adjustments necessary to preserve the water well within the construction limits at approximately Survey Station 21+75, Part II.

(3) Exercising any rights which it may have under any franchise to effect the changing, adjusting, or relocating of telegraph, telephone, or electric power lines or underground cables without expense to the Commission, and, without cost to the Commission, providing for the laying, changing, relaying or repairing of any necessary municipally-owned electric lines, water, sewer, gas or other pipelines or conduits, together with all necessary house or lot connections or services extending to the outer edge of said project, whether made necessary by the widening of existing or construction of new or re-located streets or sidewalks.

(4) Establishing and maintaining traffic operating controls for the regulation of movement of traffic on said project.

NOW, THEREFORE, BE IT RESOLVED that the said Project 8.27223, Mecklenburg County, be and it is hereby formally approved by the City Council of Municipality of Charlotte and that the Mayor and Clerk of said Municipality be and they are hereby empowered to sign and execute the required Agreement between this Municipality and the State Highway Commission.
