(3) Employees with nine but fewer than fourteen years continuous service accrue 18 days annually.
(4) Employees with fourteen or more years of continuous service accrue 20 days annually.

B. A “day” of vacation is defined as follows:

F. Employees who do not use sick or leave without pay for 13 consecutive weeks and who work a full work schedule during that time shall receive one-half additional day of vacation. This "T-13" leave is awarded, not accrued, and does not increase vacation leave carry-forward limits.

Section 1.3 Garcia Leave

Uniformed firefighters on a 52-hour operational schedule will accrue one half hour (i.e. ½ hour) of "Garcia" leave per week in a separate bank. "Garcia" leave will be compensatory time available for use during the year it is awarded and, if it is not used, will be paid out each calendar year at the firefighter’s hourly rate.

The City Manager shall designate yearly the specific date on which each holiday will be observed as the official city holiday.

In order to be paid for an official city holiday, an employee must work their assigned workday schedule before and after the holiday, or be on an approved paid leave the scheduled workdays before and after the holiday. There is no accrual for unused holiday leave.

Employees in jobs designated as non-exempt under FLSA who are required to work on an official city holiday or who are required to work his/her full workweek during a holiday week,
shall receive additional straight time pay in lieu of holiday not taken or shall receive equivalent time off.

The total estimated cost of the FS is $150,000. It is understood by all Parties that the estimated cost is subject to change. However, no Party shall be responsible for any amount in excess of the amount presented above unless otherwise agreed through a supplemental agreement.

8. REIMBURSEMENT

The Municipality shall make a one-time payment of $75,000, the full match amount listed in Section 7 of this Agreement, prior to the commencement of the FS. Payment by the Municipality shall be made to the Department’s Rail Business Office.
If the cost of the FS is more than the estimated cost of $150,000, the Department shall inform the Municipality and shall not allow the consulting firm to proceed. The Parties shall be advised of and concur in writing with any scope changes that could increase the cost of the FS before the Department authorizes additional work. Work on the FS shall not proceed until the estimated cost shares are submitted to the Department.

If the cost of the final FS is less than the estimated cost of $150,000, the Department shall reimburse the Municipality with 50% of the unspent funds within sixty (60) days of acceptance by both Parties of the final FS.

All services must be performed to the satisfaction of the Department prior to any payment being made and approved by the Department's Project Manager.

9. PROJECT RECORDS

The Department and its agents shall maintain all books, documents, papers, accounting records, Project records, and such other evidence as may be appropriate to substantiate costs incurred under this Agreement. The Department and its agents shall make such materials available at their respective offices at all reasonable times during the contract period. The Department shall make such materials available for inspection and audit by the Department's Financial Management Section and the Municipality for five (5) years from the date of payment of the final invoice.

10. DESIGNATED REPRESENTATIVE

Kumar Trivedi, Engineering Coordination Manager, shall serve as the Department's Project Manager. All correspondence and questions should be directed to him at katrivedi@ncdot.gov (919-707-4109).

11. FAILURE TO COMPLY

Failure on the part of either Party to comply with any of these provisions shall be grounds for the other Party to terminate participation in the costs of the Project.

12. REPAYMENT OF FUNDS

In the event either Party fails to comply with any of these provisions, the other Party reserves the right to seek repayment of any funds expended pursuant to this Agreement. For all monies due to a Party, reimbursement by the other Party shall be made within sixty (60) days of written notice. A late payment penalty and interest shall be charged on any unpaid balance pursuant to N.C. Gen. Stat. § 147-86.23.

13. OTHER PROVISIONS

a. Debarment Policy

By execution of this Agreement, the Municipality certifies that neither it nor its agents or contractors are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal or State Department or Agency. Further, the Municipality certifies that it will not enter into agreements with any entity that is debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction.

b. **Other Agreements**

ON ___March 25____, 2019.

A motion was made by Councilmember Winston ___ and seconded by Councilmember Harlow ___ for the adoption of the following Resolution and upon being put to a vote was duly adopted:

WHEREAS, North Carolina General Statutes Section 160A-280 authorizes the City to donate surplus personal property belonging to the City to another governmental unit within the United States pursuant to a Resolution adopted after the posting of a public notice of such Resolution at least five days prior to its adoption; and

WHEREAS, the City of Charlotte owns a 2005 Ford 500 vehicle, which has completed its service life, is surplus property and has been fully depreciated and determined as eligible for retirement and conveyance pursuant to North Carolina law to an eligible governmental unit;

NOW, THEREFORE, BE IT RESOLVED by the Charlotte City Council that:

1. The Chief of the Charlotte-Mecklenburg Police Department or the Chef's designee is hereby authorized to create and execute such documents as may be or become necessary to convey full legal ownership of said 2005 Ford 500 vehicle to the York County (SC) Sheriff's Office ("YCSO"). YCSO shall bear and pay any and all costs or expenses which may be incurred in the transfer of ownership of said 2005 Ford 500 vehicle to YCSO.

The City shall donate said 2005 Ford 500 vehicle to YCSO only upon the conditions and subject to the execution of covenants by YCSO that:

   A. it shall at all times use and maintain the said 2005 Ford 500 vehicle solely for the provision of public services and the pursuit of recognized "public purposes" they perform as a part of their nonprofit activities;

   B. at such time as it shall deem the 2005 Ford 500 vehicle to be unsuitable for further use, YCSO shall dispose of them and shall apply any net proceeds derived from their disposition solely to provide further public services.
