RESOLUTION OF THE CHARLOTTE CITY COUNCIL REGARDING THE PROPOSED CONSTRUCTION OF SECTION 8 UNITS ON REDDMAN ROAD.

WHEREAS, the Oxford Development Corporation proposal for Reddman Road is representative of a new approach to assisted housing which attempts to combine onsite market rate housing with assisted housing; and

WHEREAS, the residential area surrounding this proposed project has acknowledged the willingness to share equitably with the rest of the city as an eligible location for this assisted housing even though under the guidelines of the present Housing Assistance Plan (H.A.P.) this census tract is ineligible; and

WHEREAS, it is the desire of the City to meet its housing needs as well as preserve the neighborhood fabric essential to good housing.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Charlotte resolves and expresses its intent to:

1. Proceed with all deliberate speed to obtain or lend its assistance in obtaining suitable sites for all assisted housing truly scattered throughout Charlotte.

2. Requests its staff to proceed as rapidly as feasible to complete the process regarding cut-through traffic on Reddman Road; to closely study the corresponding cut-through traffic on Farm Pond Road; and to present its recommendations for Council action.

3. Requests Oxford Development Corporation to consider reducing the maximum density of this proposal to 15 units per acre and request HUD's approval be contingent on said density with an appropriate buffer.

BE IT FURTHER RESOLVED that the Charlotte City Council understands the surrounding residential neighborhood's concern relative to future rezoning request of vacant land abutting this project site and expresses that it is the intent of this Council that with any such rezoning request, in any area of Charlotte, the Council should be cognizant of and extremely sensitive to the concerns of the surrounding neighborhoods.

BE IT FURTHER RESOLVED the City Council deems that the eligibility for future projects in the census tract in which this project is located will be governed by the locational policies of the 1974 H.A.P. under which this project is approved and until such time as assisted housing is more equitably scattered throughout the City; and to that end, the Council reaffirms its commitment to scattered site housing so that no one area receives an inequitable amount of assisted housing.

WHEREAS, the state of North Carolina currently issues such bonds through the North Carolina Housing Finance Agency; and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Charlotte, North Carolina, in regular session duly assembled, that it hereby expresses its opposition to H.
