RESOLUTION AMENDING THE PAY PLAN
OF THE
CITY OF CHARLOTTE

BE IT RESOLVED by the City Council of the City of Charlotte, North Carolina, that the Personnel Rules and Regulations heretofore adopted by the City Council to be effective October 6, 1969, as subsequently amended, is hereby further amended as follows:

Rule IV, Leave of Absence; Section 4(4), Authorized Absences with Pay, to read in its entirety as follows:

To support school and other educational activities in our community, employees participating in activities such as parent/teacher conferences, school support activities, or tutoring programs will only be required to charge one half of their hours away from work to vacation leave, with the other half being matched by the City. However, the City will limit its matching share of these hours to no more than four in any calendar year. Above this amount, all time absent will be charged to vacation leave. In order to be granted this matching time, employees must have approval from the Department Head or appropriate supervisor prior to the absence. Validation of attendance at such school meetings may be required before approval of this matching time. Because of the need to meet operational priorities, departments are not required to grant time for these activities but are encouraged if possible to allow employees these opportunities to support our educational institutions.

RESOLUTION PROVIDING FOR THE ISSUANCE OF $21,800,000 AIRPORT GENERAL OBLIGATION REFUNDING BONDS, SERIES 1990

BE IT RESOLVED by the City Council (the "City Council") of the City of Charlotte (the "Issuer"): Section 1. The City Council has determined and does hereby find and declare:

(a) That an order authorizing $21,800,000 Airport General Obligation Refunding Bonds (the "Airport Refunding Bonds") was adopted by the City Council on January 8, 1990, which order has taken effect.
(b) That none of the Airport Refunding Bonds have been issued, that no notes have been issued in anticipation of the receipt of the proceeds of the sale of any of the Airport Refunding Bonds and that it is necessary at this time to issue all of said Airport Refunding Bonds.

(c) That the shortest period of time in which the $21,800,000 Airport Bonds, Series 1980A, dated September 1, 1980 (the "Bonds to Be Refunded") presently outstanding, which will be refunded from the proceeds of the Airport Refunding Bonds, together with other available funds, can be finally paid without making it unduly burdensome on the taxpayers of the Issuer, as determined by the Local Government Commission of North Carolina, is a period which expires on March 1, 2005; and that the end of the unexpired period of usefulness of the improvements financed or refinanced by the proceeds of the Bonds to be Refunded is estimated as a period of 40 years from September 1, 1980, the date of the Bonds to Be Refunded, and that such period expires on September 1, 2020.

(d) That the Bonds to Be Refunded financed, with other available funds, the construction of portions of the terminal complex and certain appurtenant facilities at the Charlotte/Douglas International Airport, which is located at 6501 Old Dowd Road, Charlotte, North Carolina, and owned and operated by the Issuer.

Section 2. Pursuant to said order, there shall be issued bonds of the Issuer in the aggregate principal amount of $21,800,000, designated "Airport General Obligation Refunding
Bonds, Series 1990" and dated as of July 1, 1990 (the "Bonds").
The Bonds shall be stated to mature (subject to the right of

Local Government Commission of North Carolina at the time the
Bonds are sold, which interest to the respective maturities
thereof shall be payable on March 1, 1991 and semiannually there-
after on March 1 and September 1 of each year until payment of
such principal sum. Notwithstanding the foregoing, the Issuer
reserves the right to increase or decrease the principal amount
of the Bonds maturing in 1992 and 1993 by an amount not to exceed
$300,000 per maturity and of the Bonds maturing in 1994 to 2005,
inclusive, by an amount not to exceed $125,000 per maturity
either before or after the opening of bids, provided that the
aggregate principal amount of the Bonds shall not be increased;
and the Director of Finance and the Treasurer of the Issuer are
each hereby authorized and directed to make any such adjustment,
if appropriate, on behalf of the Issuer.

Section 3. Each Bond shall bear interest from the interest
payment date next preceding the date on which it is authenticated
unless it is (a) authenticated upon an interest payment date in
which event it shall bear interest from such interest payment
date or (b) authenticated prior to the first interest payment
date in which event it shall bear interest from its date; provided, however, that if at the time of authentication interest is in default, such Bond shall bear interest from the date to which interest has been paid.

The principal of and the interest and any redemption premium on the Bonds shall be payable in any coin or currency of the United States of America which is legal tender for the payment of public and private debts on the respective dates of payment thereof.

Section 4. The Bonds initially will be issued by means of a book-entry system with no physical distribution of Bond certificates to be made except as hereinafter provided. Initially one Bond certificate with respect to each date on which the Bonds are stated to mature, in the aggregate principal amount of the Bonds stated to mature on such date and registered in the name of the Securities Depository Nominee (defined below), a nominee of the Securities Depository (defined below), will be issued and required to be deposited with the Securities Depository and immobilized in its custody. The book-entry system of the Securities Depository will evidence positions held in the Bonds by the Securities Depository's participants, with beneficial ownership of the Bonds in the principal amount of $5,000 or any multiple thereof being evidenced in the records of such participants. Transfers of ownership will be effected on the records of the Securities Depository and its participants pursuant to rules and procedures established by the Securities Depository and its participants.
The Issuer and the Bond Registrar (as hereinafter defined) will recognize the Securities Depository Nominee, or the Securities Depository, as the case may be, while the registered owner of Bonds, as the owner of Bonds for all purposes, including payments of principal of, and redemption premium, if any, and interest on the Bonds, notices and voting. The principal of and any redemption premium on each Bond shall be payable to the Securities Depository Nominee or any other person appearing on the registration books of the Issuer hereinafter provided for as the registered owner of such Bond or his registered assigns or legal representative at the office of the Bond Registrar mentioned hereinafter or such other place as the Issuer may determine upon the presentation and surrender thereof as the same shall become due and payable. Payment of the interest on each Bond shall be made by the Bond Registrar on each interest payment date to the registered owner of such Bond (or the previous Bond or Bonds evidencing the same debt as that evidenced by such Bond) at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date, by check mailed to such person at his address as it appears on such registration books or, during the continuation of the book-entry system, by such other method of payment as the Issuer may determine to be necessary or advisable with the concurrence of the Securities Depository. Transfer of principal, interest and any redemption premium payments to participants of the Securities Depository will be the responsibility of the Securities
Depository, and transfer of principal, interest and any redemption premium payments to beneficial owners of the Bonds by participants of the Securities Depository will be the responsibility of such participants and other nominees of such beneficial owners. Such transfers of interest by the Securities Depository and by such participants and other nominees of such beneficial owners may be made to the owners of Bonds shown on their records on a date on or after said record date for such interest, pursuant to rules and procedures established by the Securities Depository and its participants. The Issuer and the Bond Registrar will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing records maintained by the Securities Depository, its participants or persons acting through such participants.

In the event that (a) any Securities Depository determines not to continue to act as securities depository for the Bonds or (b) the Director of Finance of the Issuer determines that continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the Issuer will discontinue the book-entry system with such Securities Depository. If the Issuer identifies another qualified Securities Depository to replace the predecessor Securities Depository, the Issuer will make arrangements with the predecessor Securities Depository and such other Securities Depository to effect such replacement and deliver replacement Bonds registered in the name of such other depository or its nominee in exchange for the outstanding Bonds,
and all references in this resolution to any predecessor Securities Depository or Securities Depository Nominee shall thereupon be deemed to mean such other depository or its nominee. If the Issuer fails to identify another qualified Securities Depository to replace the predecessor Securities Depository, the Issuer will deliver replacement Bonds in the form of fully-registered certificates in the denomination of $5,000 or any multiple thereof ("Certificated Bonds") in exchange for the outstanding Bonds as required by the predecessor Securities Depository and others. Upon the request of the Securities Depository, the Issuer may also deliver one or more Certificated Bonds to any participant of the Securities Depository in exchange for Bonds credited to its account with the Securities Depository. The Issuer and the Bond Registrar shall be entitled to rely upon the instructions of the Securities Depository as to the appropriate parties entitled to receive Certificated Bonds.

For purposes of this resolution "Securities Depository" means The Depository Trust Company, New York, New York, or other recognized securities depository selected by the Issuer, which maintains the book-entry system in respect of the Bonds authorized by this resolution, and shall include any substitute for or successor to the securities depository initially acting as Securities Depository. For purposes of this resolution "Securities Depository Nominee" means, as to any Securities Depository, such Securities Depository or the nominee, if any, of such Securities Depository in whose name there shall be registered on the registration books maintained by the Bond Registrar the Bond
certificates to be delivered to and immobilized at such Securities Depository during the continuation with such Securities Depository of the book-entry system authorized by this resolution. The Depository Trust Company, New York, New York, is hereby appointed as the initial Securities Depository, and Cede & Co., a nominee thereof, is hereby appointed as the initial Securities Depository Nominee for the Bonds.

Unless indicated otherwise, the provisions of this resolution that follow shall apply to all Bonds issued or issuable hereunder, whether initially or in replacement thereof.

Section 5. The Bonds shall be executed with the manual or facsimile signatures of the Mayor and the City Clerk, and the official seal or a facsimile of the official seal of the Issuer shall be impressed or imprinted, as the case may be, on the Bonds.

For the prompt payment hereof, both principal and interest as the same shall become due, the full faith and credit of the Issuer are hereby irrevocably pledged.

[Printed Bonds are to include the following paragraph]

ADDITIONAL PROVISIONS OF THIS BOND ARE SET FORTH ON THE REVERSE HEREOF AND SHALL FOR ALL PURPOSES HAVE THE SAME EFFECT AS IF SET FORTH HERE.

[Reverse Side of Printed Bonds]

This Bond is one of an issue of Bonds designated "Airport General Obligation Refunding Bonds, Series 1990" (the "Bonds") and issued by the Issuer for the purpose of providing funds, together with any other available funds, for refunding the Issuer's outstanding $21,800,000 Airport Bonds, Series 1980A,
dated September 1, 1980 and maturing on March 1, 1991 to 2005, inclusive, and paying expenses related thereto (which bonds had financed, together with other available funds, the construction of portions of the terminal complex and certain appurtenant facilities at the Charlotte/Douglas International Airport, which is owned and operated by the Issuer), and this Bond is issued under and pursuant to The Local Government Bond Act, as amended, Article 7, as amended, of Chapter 159 of the General Statutes of North Carolina, an order adopted by the City Council of the Issuer which has taken effect as provided by law, and a resolution duly passed by the City Council of the Issuer (the “Resolution”).

The Bonds at the time outstanding maturing prior to March 1, 1998 are not subject to redemption prior to maturity. The Bonds maturing on March 1, 1998 and thereafter may be redeemed, at the option of the Issuer, from any moneys that may be made available for such purpose, either in whole on any date not earlier than March 1, 1997, or in part on any interest payment date not earlier than March 1, 1997, at the principal amount of the Bonds to be redeemed, together with interest accrued thereon to the date fixed for redemption, plus a redemption premium of 1/2 of 1% of the principal amount of each Bond to be redeemed for each period of 12 months or part thereof between the redemption date and the maturity date of such Bond, such premium not to exceed 2% of such principal amount.

If less than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds
of such maturity to be redeemed shall be selected by lot by the Issuer in such manner as the Issuer in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of $5,000 or some multiple thereof and that, in selecting Bonds for redemption, each Bond shall be considered as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by $5,000. If less than all of the Bonds stated to mature on different dates shall be called for redemption, the particular Bonds or portions thereof to be redeemed shall be called in the inverse order of their maturities.

Not more than 60 days nor less than 30 days before the redemption date of any Bonds to be redeemed, whether such redemption be in whole or in part, the Issuer shall cause a notice of such redemption to be filed with the Bond Registrar and mailed, postage prepaid, to the registered owner of each Bond to be redeemed in whole or in part at his address appearing upon the registration books of the Issuer. Failure to mail such notice or any defect therein as to any Bond or portion thereof shall not affect the validity of the redemption as to any Bond or portion thereof for which such notice was given as required hereby. On the date fixed for redemption, notice having been given as afore-said, the Bonds or portions thereof so called for redemption shall be due and payable at the redemption price provided therefor, plus accrued interest to such date. If moneys for payment of such redemption price and the accrued interest are held by the Bond Registrar as provided in the Resolution,
interest on the Bonds or the portions thereof so called for redemption shall cease to accrue. If a portion of this Bond shall be called for redemption, a new Bond or Bonds in principal amount equal to the unredeemed portion hereof will be issued to the registered owner hereof or his legal representative upon the surrender hereof. 

[The following four paragraphs are to be included in the form of Bond so long as the Bonds are being issued pursuant to a book-entry system.]

The Bonds initially are being issued by means of a book-entry system with no physical distribution of Bond certificates to be made except as provided in the Resolution. Initially one Bond certificate with respect to each date on which the Bonds are stated to mature, in the aggregate principal amount of the Bonds stated to mature on such date and registered in the name of the Securities Depository Nominee (as defined in the Resolution), a nominee of the Securities Depository (as defined in the Resolution), is being issued and required to be deposited with the Securities Depository and immobilized in its custody. The book-entry system of the Securities Depository will evidence positions held in the Bonds by the Securities Depository's participants, with beneficial ownership of the Bonds in the principal amount of $5,000 or any multiple thereof being evidenced in the records of such participants. Transfers of beneficial ownership will be effected on the records of the Securities Depository and its participants pursuant to rules and
procedures established by the Securities Depository and its participants.

The Issuer and the Bond Registrar will recognize the Securities Depository Nominee or the Securities Depository, as the case may be, while the registered owner of this Bond, as the owner of this Bond for all purposes, including payments of principal of, and redemption premium, if any, and interest on, this Bond, notices and voting. Transfer of principal, interest and any redemption premium payments to participants of the Securities Depository will be the responsibility of the Securities Depository, and transfer of principal, interest and any redemption premium payments to beneficial owners of the Bonds by participants of the Securities Depository will be the responsibility of such participants and other nominees of such beneficial owners. The Issuer and the Bond Registrar will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing records maintained by the Securities Depository, its participants or persons acting through such participants.

While the Securities Depository Nominee or the Securities Depository, as the case may be, is the owner of this Bond, notwithstanding the provisions hereinabove contained, payments of principal of, redemption premium, if any, and interest on this Bond shall be made to the Securities Depository Nominee or the Securities Depository, as the case may be, by wire transfer in immediately available funds to the account of said holder as may be specified in the bond registration books maintained by the
Bond Registrar or by such other method of payment as the Issuer may determine to be necessary or advisable with the concurrence of the Securities Depository. In addition, so long as a book-entry system is used for determining beneficial ownership of Bonds, if less than all of the Bonds within a maturity are to be redeemed, the Securities Depository with its participants shall determine by lot which of the Bonds within a maturity are to be redeemed.

In certain events, the Issuer will be authorized to replace the Securities Depository at the time with another qualified Securities Depository. In certain events, the Issuer will be authorized to discontinue the book-entry system and to deliver replacement Bonds in the form of fully-registered certificates in the denomination of $5,000 or any multiple thereof in exchange for the outstanding Bonds as provided in the Resolution.

At the office of the Bond Registrar, in the manner and subject to the conditions provided in the Resolution, Bonds may be exchanged for an equal aggregate principal amount of Bonds of the same maturity, of authorized denominations and bearing interest at the same rate.

The Bond Registrar shall keep at its office the books of the Issuer for the registration of transfer of Bonds. The transfer of this Bond may be registered only upon such books and as otherwise provided in the Resolution upon the surrender hereof to the Bond Registrar together with an assignment duly executed by the registered owner hereof or his attorney or legal representative in such form as shall be satisfactory to the Bond
Registrar. Upon any such registration of transfer, the Bond Registrar shall authenticate and deliver in exchange for this Bond a new Bond or Bonds, registered in the name of the transferee, of authorized denominations, in an aggregate principal amount equal to the unredeemed principal amount of this Bond, of the same maturity and bearing interest at the same rate.

The Bond Registrar shall not be required to exchange or register the transfer of any Bond during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Bonds or any portion thereof and ending at the close of business on the day of such mailing or of any Bond called for redemption in whole or in part pursuant to the Resolution.

It is hereby certified and recited that all acts, conditions and things required by the Constitution and laws of North Carolina to happen, exist and be performed precedent to and in the issuance of this Bond have happened, exist and have been performed in regular and due form and time as so required; that provision has been made for the levy and collection of a direct annual tax upon all taxable property within the geographic boundaries of the Issuer sufficient to pay the principal of and the interest on this Bond as the same shall become due; and that the total indebtedness of the Issuer, including this Bond, does not exceed any constitutional or statutory limitation thereon.
This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Resolution until this Bond shall have been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed hereon.

IN WITNESS WHEREOF, said City of Charlotte, by resolution duly adopted by its City Council, has caused this Bond to be executed with the manual or facsimile signatures of its Mayor and its City Clerk and its official seal to be impressed or imprinted hereon, all as of the 1st day of July, 1990.

Certificated Bonds issuable hereunder shall be in substantially the form of the Bonds registered in the name of the Securities Depository Nominee with such changes as are necessary to reflect the provisions of this resolution that are applicable to Certificated Bonds.

Section 7. The Bonds maturing prior to March 1, 1998 will not be subject to redemption prior to maturity. The Bonds maturing on March 1, 1998 and thereafter will be redeemable, at
the option of the Issuer, from any moneys that may be made available for such purpose, either in whole on any date not earlier than March 1, 1997, or in part on any interest payment date not earlier than March 1, 1997, at the principal amount of the Bonds to be redeemed, together with interest accrued thereon to the date fixed for redemption, plus a redemption premium of 1/2 of 1% of the principal amount of each Bond to be redeemed for each period of 12 months or part thereof between the redemption date and the maturity date of such Bond, such premium not to exceed 2% of such principal amount.

If less than all of the Bonds of any one maturity shall be called for redemption, then subject to the immediately following sentence, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot by the Issuer in such manner as the Issuer in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of $5,000 or some multiple thereof and that, in selecting Bonds for redemption, each Bond shall be considered as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by $5,000. So long as a book-entry system is used for determining beneficial ownership of Bonds, if less than all of the Bonds within a maturity are to be redeemed, the Securities Depository and its participants shall determine by lot which of the Bonds within a maturity are to be redeemed. If less than all of the Bonds stated to mature on different dates shall be called for redemption, the particular Bonds or portions thereof to be
redeemed shall be called in the inverse order of their maturities.

Not more than 60 days nor less than 30 days before the redemption date of any Bonds to be redeemed, whether such redemption be in whole or in part, the Issuer shall cause a notice of such redemption to be filed with the Bond Registrar and to be mailed, postage prepaid, to the registered owner of each Bond to be redeemed in whole or in part at his address appearing upon the registration books of the Issuer. Failure to mail such notice or any defect therein as to any Bond or portion thereof shall not affect the validity of the redemption as to any Bond or portion thereof for which such notice was given as required hereby. Each such notice shall set forth the date designated for redemption, the redemption price to be paid and the maturities of the Bonds to be redeemed. In the event that Certificated Bonds are outstanding, each such notice to the registered owners thereof shall also set forth, if less than all of the Bonds of any maturity then outstanding shall be called for redemption, the distinctive numbers and letters, if any, of such Bonds to be redeemed and, in the case of any Bond to be redeemed in part only, the portion of the principal amount thereof to be redeemed. If any Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Bond, a new Bond or Bonds in principal amount equal to the unredeemed portion of such Bond will be issued.
If any Bonds or portions thereof are to be redeemed, the Bond Registrar shall open a separate account for the sole benefit of the bondholders whose Bonds are being redeemed, which account may be maintained by the Bond Registrar or by an agent. On or before the date fixed for redemption, moneys shall be deposited with the Bond Registrar in its capacity as such for deposit in such account to pay the principal of and the redemption premium, if any, on the Bonds or portions thereof called for redemption as well as the interest accruing thereon to the redemption date thereof.

On the date fixed for redemption, notice having been given in the manner and under the conditions hereinabove provided, the Bonds or portions thereof so called for redemption shall be due and payable from the moneys required to be deposited in such account at the redemption price provided therefor, plus accrued interest to such date. If moneys sufficient to pay the redemption price of the Bonds or portions thereof to be redeemed, plus accrued interest thereon to the date fixed for redemption, are held by the Bond Registrar in such account for the registered owners of Bonds or portions thereof to be redeemed, interest on the Bonds or portions thereof so called for redemption shall cease to accrue, such Bonds or portions thereof shall cease to be entitled to any benefits or security under this resolution or to be deemed outstanding, and the registered owners of such Bonds or portions thereof shall have no rights in respect thereof except to receive payment of the redemption price thereof, plus accrued interest to the date of redemption.
If a portion of a Bond shall be selected for redemption, the registered owner thereof or his attorney or legal representative shall present and surrender such Bond to the Bond Registrar for payment of the principal amount thereof so called for redemption and the redemption premium, if any, on such principal amount, and the Bond Registrar shall authenticate and deliver to or upon the order of such registered owner or his legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond or Bonds of the same maturity, of any denomination or denominations authorized by this resolution and bearing interest at the same rate.

Section 8. The provisions of this Section relating to the exchange and transfer of Bonds are subject to the provisions for operation of the book-entry system provided in Section 4 of this resolution, including the immobilization of Bond certificates with a Securities Depository during the continuation of the book-entry system. Bonds, upon surrender thereof at the office of the Bond Registrar together with an assignment duly executed by the registered owner or his attorney or legal representative in such form as shall be satisfactory to the Bond Registrar, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bonds of the same maturity, of any denomination or denominations authorized by this resolution and bearing interest at the same rate.

The transfer of any Bond may be registered only upon the registration books of the Issuer upon the surrender thereof to the Bond Registrar together with an assignment duly executed by
the registered owner or his attorney or legal representative in such form as shall be satisfactory to the Bond Registrar. Upon any such registration of transfer, the Bond Registrar shall authenticate and deliver in exchange for such Bond a new Bond or Bonds, registered in the name of the transferee, of any denomination or denominations authorized by this resolution, in an aggregate principal amount equal to the unredeemed principal amount of such Bond so surrendered, of the same maturity and bearing interest at the same rate.

In all cases in which Bonds shall be exchanged or the transfer of Bonds shall be registered hereunder, the Bond Registrar shall authenticate and deliver at the earliest practicable time Bonds in accordance with the provisions of this resolution. All Bonds surrendered in any such exchange or registration of transfer shall forthwith be cancelled by the Bond Registrar. The Issuer or the Bond Registrar may make a charge for every such exchange or registration of transfer of Bonds sufficient to reimburse it for shipping charges and any tax, fee or other governmental charge required to be paid with respect to such exchange or registration of transfer, but no other charge shall be made by the Issuer or the Bond Registrar for exchanging or registering the transfer of Bonds under this resolution. The Bond Registrar shall not be required to exchange or register the transfer of any Bond during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Bonds or any portion thereof and ending at the close of business on the day of such mailing or of any Bond.
called for redemption in whole or in part pursuant to Section 7 of this resolution.

As to any Bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or redemption price of any such Bond and the interest on any such Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the redemption premium, if any, and interest thereon, to the extent of the sum or sums so paid.

The Issuer shall appoint such registrars, transfer agents, depositaries or other agents as may be necessary for the registration, registration of transfer and exchange of Bonds within a reasonable time according to then current commercial standards and for the timely payment of principal, interest and any redemption premium with respect to the Bonds. The Issuer is to act as the initial registrar, transfer agent and paying agent for the Bonds (collectively the "Bond Registrar"), subject to the right of the governing body of the Issuer to appoint another Bond Registrar. The Director of Finance (or such other officer who shall from time to time perform the duties of finance officer within the meaning of North Carolina General Statutes, Sec. 159-24) is hereby designated to act on behalf of the Issuer in carrying out its responsibilities as Bond Registrar, subject to the right of the governing body of the Issuer to designate
another officer to act on its behalf, and as such shall keep at
the office of the Director of Finance, currently at 600 East
Fourth Street, Charlotte, North Carolina 28202, the books of the
Issuer for the registration, registration of transfer, exchange
and payment of the Bonds.

Section 9. The actions of the City Manager, the Director of
Finance and the Treasurer of the Issuer in applying to the Local
Government Commission of North Carolina to advertise and sell the
Bonds are hereby approved, ratified and confirmed. The Local
Government Commission of North Carolina is hereby requested to
ask for sealed bids for the Bonds by publishing notices and
printing and distributing an Official Statement, including any
supplement thereto, relating to the sale of the Bonds. The
Official Statement, proposed to be dated June 1, 1990,
substantially in the form presented at this meeting, is hereby
approved and the Mayor, the City Manager and the Director of
Finance of the Issuer are each hereby authorized to approve
changes in such Official Statement, and to approve any supplement
to such Official Statement, and to execute and deliver such
Official Statement, and any supplement to such Official State-
tment, for and on behalf of the Issuer.

Section 10. First Union National Bank of North Carolina, in
the City of Charlotte, North Carolina, is hereby appointed as
escrow agent (the "Escrow Agent") in connection with the
refunding of the Bonds to Be Refunded, subject to the right of
the governing body of the Issuer to appoint another Escrow Agent
as provided in the Escrow Deposit Agreement (hereinafter men-
tioned), and as such shall have the responsibilities as provided in such Escrow Deposit Agreement. Such Escrow Deposit Agreement, substantially in the form presented at this meeting, and the creation of the Escrow Fund and the other arrangements described therein to accomplish the refunding of the Bonds to Be Refunded, are hereby approved and the Mayor, the City Manager, the Director of Finance and the City Clerk of the Issuer are each hereby authorized to approve such changes in such Escrow Deposit Agreement as they, upon the advice of counsel, deem necessary or appropriate, and to execute, deliver and perform such Escrow Deposit Agreement for and on behalf of the Issuer.

Section 11. The appointment of Evensen-Dodge, Inc., Financial Consultants, Minneapolis, Minnesota, as financial consultant in connection with the issuance of the Bonds, as described under the caption "Financial Consultant" in the Official Statement mentioned above, and the appointment of Grant Thornton, independent certified public accountant, Minneapolis, Minnesota, to verify the accuracy of certain mathematical computations in connection with the issuance of the Bonds and the refunding of the Bonds to Be Refunded, as described under the caption "Verification of Mathematical Computations" in such Official Statement, are each hereby approved, ratified and confirmed.

Section 12. There may be printed on the reverse of each of any printed Bonds the legal opinion of Smith Helms Mulliss & Moore, co-bond counsel to the Issuer, with respect to the validity of the Bonds, and there may be printed immediately
following such legal opinion a certificate bearing the manual or facsimile signature of the Mayor of the Issuer, said certificate to be in substantially the following form:

I HEREBY CERTIFY that the foregoing is a true and correct copy of the legal opinion on the bonds therein described which was manually signed by Smith Helms Mulliss & Moore, Charlotte, North Carolina, and was dated as of the date of delivery of and payment for said bonds.

Section 13. The Issuer recognizes that the purchasers and holders of the Bonds will accept them on, and pay therefor a price that reflects, the understanding that interest on the Bonds is excludable from gross income for federal (and State of North Carolina) income tax purposes. Hence, for the purpose of complying with the requirements of Sections 103 and 141-150 of the Internal Revenue Code of 1954, as amended, and of the Internal Revenue Code of 1986, as amended, or any corresponding provisions of succeeding law, as applicable to the Bonds (the "Code"), and the applicable temporary, proposed and final regulations and procedures related thereto (the "Regulations") and to assure that interest on the Bonds is excludable from gross income for federal income tax purposes, the Issuer hereby represents and covenants that it will not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds and,
without limiting the generality of the foregoing, hereby specifically represents and covenants as follows:

(a) The Issuer will, no later than 75 days from the date of issue of the Bonds, apply the proceeds from the sale of the Bonds, the investment earnings thereon and other necessary moneys from the Issuer to redeem all the Bonds to Be Refunded by payment no later than such date of the entire outstanding principal amount thereof, redemption premium thereof, and accrued and unpaid interest thereon.

(b) The Issuer will monitor or cause to be monitored the yield on the investment of the proceeds of the Bonds, any moneys pledged to the repayment of the Bonds and any other funds replaced directly or indirectly by the proceeds of the Bonds, other than amounts not subject to yield restriction due to deposit in a reasonably required reserve or replacement fund or a bona fide debt service fund, and will restrict or cause to be restricted the yield on such investment to the extent required by the Code or the Regulations.

(c) The Issuer will take or cause to be taken all necessary steps to comply with the requirement that "rebatable arbitrage," if any, from the investment of the gross proceeds of the Bonds be paid to the United States.

(d) The Issuer will cause the Bonds not to be treated as "federally guaranteed" obligations within the meaning of Sections 103(h) and 149(b) of the Code.
(e) The Issuer will issue the Bonds, and will cause the Bonds to be maintained, in "registered form" within the meaning of Sections 103(j) and 149(a) of the Code.

(f) The Issuer will timely file with the Secretary of the Treasury an information statement with respect to the Bonds as required by Section 149(e) of the Code.

As necessary or appropriate in connection with the issuance of the Bonds, all officers, employees and agents of the Issuer are authorized and directed to provide certifications of material facts and estimates as to the reasonable expectations of the Issuer as of the date the Bonds are delivered and on behalf of the Issuer to sign agreements or acknowledge instructions regarding compliance with the requirements of the Code and the Regulations relating to the Bonds. In complying with the covenants in this Section, the Issuer may rely from time to time upon an opinion of its bond counsel or other nationally recognized bond counsel to the effect that any action by the Issuer in reliance upon any interpretation of the Code or the Regulations contained in such opinion will not cause interest on the Bonds to be includable in gross income for federal income tax purposes or otherwise adversely affect the exemption of interest on the Bonds from federal income taxation. In addition, the Issuer shall not be required to comply with any requirement or requirements of any of the covenants in this Section if the Issuer shall receive an opinion of its bond counsel or other nationally recognized bond counsel to the effect that failure to comply with such requirement or requirements will not cause interest on the Bonds to be
includable in gross income for federal income tax purposes or otherwise adversely affect the exemption of interest on the Bonds from federal income taxation.

Section 14. There are hereby created appropriate funds and accounts of the Issuer for the receipt and expenditure of the proceeds of the Bonds and any monies appropriated by the Issuer from the 1980 General Obligation Reserve Account under the Bond Order adopted by the Issuer on November 18, 1985, authorizing certain Airport Revenue Bonds; and there are hereby created appropriate debt service funds and accounts of the Issuer for the receipt and disbursement of debt service payments on the Bonds.

Section 15. There is hereby approved the use of monies appropriated from said 1980 General Obligation Reserve Account to finance the acquisition of land or the construction of capital improvements in connection with the Charlotte/Douglas International Airport.

Section 16. The Mayor, the City Clerk, the City Manager, the Director of Finance, the Aviation Director and the other officers of the Issuer are hereby authorized and directed to execute and deliver for and on behalf of the Issuer any and all financing statements, certificates, documents or other papers, including, without limitation, Letter(s) of Representations to Securities Depositories and any agreements with various airlines operating at the Airport to confirm the concurrence of such airlines with matters relating to the issuance of the Bonds and the refunding of the Bonds to Be Refunded, and to perform any and all acts they may deem necessary or appropriate in order to carry
out the intent of this resolution and the matters herein authorized.

Section 17. This resolution shall take effect upon its passage.

Upon motion of Councilmember [C]odfelter, seconded by Councilmember [V]inroot, the foregoing resolution entitled: "RESOLUTION PROVIDING FOR THE ISSUANCE OF $21,800,000 AIRPORT GENERAL OBLIGATION REFUNDING BONDS, SERIES 1990" was passed by the following vote:

City Clerk
RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHARLOTTE
CONCERNING PROCUREMENT OF ARCHITECTURAL AND/OR ENGINEERING SERVICES
FOR CAROLINA STADIUM

WHEREAS, the 1987 General Assembly enacted House Bill 277 (Ch. 102) which establishes a general public policy that procurement of engineering and architectural services for state and local construction projects should normally be based upon a merit selection process with later negotiation on the fee, rather than through a competitive bidding process based primarily on the fee; and

WHEREAS, the act allows a governing body to deviate from the general public policy and use estimated costs as a factor in the selection process, if the particular project is exempted in the sole discretion of the local governing body; and

WHEREAS, the City Council of the City of Charlotte has determined that it is desirable and in the best interests of the City of Charlotte to exempt the Carolina Stadium project from the requirements of the act.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Charlotte that:

(1) For the following reasons, the City Council of the City of Charlotte hereby finds that the Carolina Stadium project shall be exempt from the general public policy requirements concerning the selection of architectural and engineering services:

Carolina Stadium is a high priority project with very severe schedule constraints. These tight time constraints require a familiarity with the project site in order to get the work done on schedule. The potential for liability makes it advantageous that one firm perform services.

(2) The City Council hereby authorizes the City Manager to use whatever method or procedure is most manageable and likely to result in the acquisition of competent, professional architectural or engineering services at a reasonable cost for said project.

Adopted this 29th day of May, 1990.

ATTEST:

Mayor

City Clerk

*The decision to exempt a particular project is "in the sole discretion" of the governing body, but the act does require that the governing body state the reasons and the circumstances for the exemption.
