RESOLUTION DECLARING AN INTENT TO ABANDON AND CLOSE a 10-foot alleyway running off of Cleveland Avenue in the City of Charlotte, Mecklenburg County, North Carolina

Whereas, Bailey Family of Mecklenburg County Alpha, LLC has filed a petition to close a 10-foot alleyway running off of Cleveland Street in the City of Charlotte; and

Whereas, the 10-foot alleyway to be closed lies within the Dilworth Community beginning from beginning from Cleveland Avenue continuing northwesterly approximately 189 feet turning westward continuing approximately 50 feet turning northwardly continuing approximately 10 feet, turning eastwardly continuing 50 feet, turning northwest continuing approximately 40 feet to its terminus at parcel #121-05-516. as shown in the map marked “Exhibit A” and is more particularly described by metes and bounds in a document marked “Exhibit B” both of which are available for inspection in the office of the City Clerk, City Hall, Charlotte, North Carolina.

Whereas, the procedure for closing streets and alleys as outlined in North Carolina General Statutes, Section 160A-299, requires that City Council first adopt a resolution declaring it’s intent to close the street and calling a public hearing on the question; said statute further requires that the resolution shall be published once a week for two successive weeks prior to the hearing, and a copy thereof be sent by registered or certified mail to all owners of property adjoining the street as shown on the county tax records, and a notice of the closing and public hearing shall be prominently posted in at least two places along said street or alley and

Now, therefore, be it resolved, by the City Council of the City of Charlotte, at it’s regularly scheduled session of May 29, 2007 that it intends to close a 10-foot alleyway running off of Cleveland Avenue and that the said street (or portion thereof) being more particularly described on a map and calls a public hearing on the question to be held at 7:00pm on Monday, June 25, 2007 in CMGC meeting chamber, 600 East 4th Street Charlotte North Carolina.

The City Clerk is hereby directed to publish a copy of this resolution in the Mecklenburg Times once a week for two successive weeks next preceding the date fixed here for such hearing as required by N.C.G.S. 160A-299.

City of Charlotte Commitment to Greenhouse Gas Emissions Reduction

WHEREAS in accordance with the Clean Smokestacks Act (CSA) passed in June 2002, the North Carolina Division of Air Quality (DAQ) has completed studies and made recommendations to the North Carolina Environmental Management Commission and the North Carolina Environmental Review Commission regarding greenhouse gas (GHG) emissions and steps that can be taken to reduce GHG emissions, especially reducing the use of energy;

WHEREAS, the North Carolina General Assembly passed legislation in the summer of 2005, the NC Global Warming Act (S1134), that established the Legislative Commission on Global Climate Change to study issues related to global warming, the emerging carbon economy and whether it is appropriate and desirable for North Carolina to establish global warming pollutant reductions goals for North Carolina; and

WHEREAS, The North Carolina Climate Action Plan Advisory Group (CAPAG) was formed and charged with developing an inventory and forecast of greenhouse gas emissions in North Carolina and presenting to the Governor, the Legislature, and Environmental Management Commission an action plan with recommendations to reduce the state’s greenhouse gas emissions. CAPAG’s actions are intended to complement those of the Legislative Commission.

WHEREAS, in October 2005, the North Carolina Department of Environment and Natural Resources published a report entitled Draft North Carolina Greenhouse Gas Inventory and Reference Case Projections 1990-2020 that identifies electricity use and transportation as the principal sources of GHG emissions in North Carolina; and

WHEREAS, the City of Charlotte has adopted the “Environment” as one of five Focus Areas (priorities) for City government and is committed to safeguarding the environment, balancing environmental health, sound fiscal policy and growth; and

WHEREAS, the City has a number of policies and practices in place which already support the following targets of the U.S. Mayors Climate Protection Agreement:

- Adopt and enforce land-use policies that reduce sprawl, preserve open space, and create compact, walkable urban communities;

- Promote transportation options such as bicycle trails, commute trip reduction programs, incentives for car pooling and public transit;

- Make energy efficiency a priority through building code improvements, retrofitting city facilities with energy efficient lighting and urging employees to conserve energy and save money;
• Purchase only energy efficient equipment and appliances, *e.g.*, Energy Star, for City use;

• Practice and promote sustainable building practices, using the U.S. Green Building Council's LEED program or a similar system to identify existing and emerging sustainable design practices;

• Increase the average fuel efficiency of municipal fleet vehicles; reduce the number of such vehicles; launch an employee education program including anti-idling messages; convert diesel vehicles to bio-diesel;

• Evaluate opportunities to increase pump efficiency in water and wastewater systems; recover wastewater treatment methane for energy production;

• Increase variety of materials recycled and recycling rates in City operations and in the community; and

• Maintain healthy urban forests; promote tree planting to increase shading, lower urban temperatures and to absorb greenhouse gases.

**WHEREAS** the City Council of Charlotte, North Carolina is committed to lead by example in matters related to the environment and climate protection,

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of Charlotte, North Carolina, that the City will continue to support the initiatives outlined above, and

**BE IT FURTHER RESOLVED,** the City will strive to take additional actions to reduce further GHG emissions as follows:

• Conduct an inventory of GHG emissions from City operations by June 2008; establish as aggressive and realistic a GHG emissions reduction target as can be met by the year 2012; and create an action plan, prepare a cost-benefit analysis and adopt a budget designed to meet the established GHG emissions reduction target;

• Utilize the resources of ICLEI-Local Governments for Sustainability to identify ways in which GHG emissions can be reduced from City operations;

• Monitor the recommendations and actions of the NC Legislative Commission on Global Climate Change, the NC Climate Action Plan Advisory Group and Federal agencies so as to inform the City’s efforts to reduce GHG emissions;

**AND BE IT FURTHER RESOLVED,** the City Council, using the appropriate City Council review process, will consider the feasibility of the City undertaking the following actions to reduce GHG emissions:
Support the use of clean, alternative energy, by, for example, the use of renewable energy in City operations and recovering methane for energy production, where practicable;

Developing partnerships with the private sector in the greater Charlotte metropolitan community so as to leverage the private sector’s expertise and experience on GHG emissions reduction;

Collaborating with Mecklenburg County and other neighboring communities to conduct an inventory of GHG emissions for the greater Charlotte metropolitan area. Once this inventory has been completed, continue this regional collaboration in an effort to reduce GHG emissions in the greater Charlotte metropolitan area;

Collaborating with Mecklenburg County and other neighboring communities to educate the greater Charlotte metropolitan community about the need for and benefits of reducing GHG emissions; and

Other additional actions as the City Council determines to be appropriate.

Adopted this 29 day of May, 2007.
