WHEREAS, Owner is also the owner of land, and any improvements located thereon, abutting on the southeasterly side of Hawthorne Lane in the City of Charlotte, Mecklenburg County, North Carolina, said land being more fully described in Exhibit A-2 (the “Hospital Tract”); and

WHEREAS, the Hawthorne Tract and the Hospital Tract collectively, shall hereinafter be referred to as the “Property”, and the Property is divided by Hawthorne Lane; and

WHEREAS, Owner desires to encroach on the rights-of-way of Hawthorne Lane which adjoins the boundaries of the Property, as more particularly described herein, for the purpose of constructing an overhead pedestrian walkway (hereinafter referred to as “Encroachment” or “Encroaching Structure”) between certain improvements located or to be located on the Property; and

WHEREAS, City is expressly authorized by North Carolina General Statutes §160A-273 to grant rights for encroachment over, through, under or across its property or the right-of-way of any public street or alley that is not part of the State Highway system; and

WHEREAS, the Encroaching Structure does not appear to be detrimental to the public interest and the Encroachment does not appear to materially impair or hinder the use of any public right-of-way, and it is to the material advantage of Owner and City for City to permit said Encroachment subject to the conditions of this Agreement.

(a) Owner may terminate the Easement Rights at any time.

(b) The Easement Rights shall terminate automatically if either: (i) the Encroaching Structure is not constructed within three (3) years of the date of this Agreement; or (ii) the Encroaching Structure or either of the structures connected thereby is completely destroyed or demolished and not restored or reconstructed within three (3) years thereafter.

(c) The City may terminate the Easement Rights as of the end of the initial term or as of the end of any ten-year renewal term by written notice to Owner at least one (1) year prior to the termination date.

(d) The City may terminate the Easement Rights if Owner is in default of any of its obligations hereunder and such default is not cured within thirty (30) days after receipt of written notice thereof by Owner, or after such additional period of time as may be reasonably necessary to cure the default if the default is of such a nature that it cannot reasonably be cured
within said 30-day period and if Owner commences a cure within said 30-day period and thereafter proceeds diligently to completion.

In the event of termination of the Easement Rights, upon written demand by City to Owner given within thirty (30) days after the effective date of termination, Owner shall within a reasonable time and at its expense remove the Encroaching Structure from the Easement Area (as defined below).

The rights and privileges hereby granted and conveyed are appurtenant to and run with the Property and are subject to the conditions hereof.

2. **GRANT AND TERMS OF ENCROACHMENT.** The Encroaching Structure which may be constructed in the air rights over and above the right-of-way of the public road designated as Hawthorne Lane within the City of Charlotte shall be located as described on Exhibit B-1 and depicted on Exhibit B-2, which is attached hereto and incorporated herein by reference ("Easement Area"). If Owner elects to build, or provide for the building of, the Encroaching Structure, Owner binds and obligates itself to erect and maintain, or contractually ensure that a third-party tenant who ground leases a portion of the Property ("Ground Tenant") will erect and maintain, the Encroaching Structure in such reasonably safe and proper condition that will not interfere with or endanger travel upon Hawthorne Lane or any other City street, nor obstruct, nor interfere with the proper maintenance thereof. Owner binds and obligates itself, its successors and assigns to secure and comply with all necessary and required permits and approvals for the erection, maintenance, and modification of such Encroaching Structure. The Encroaching Structure shall be the private property of Owner, its successors and assigns to be used by Owner, and Owner’s employees, agents, licensees, tenants and invitees as Owner, in its discretion, deems appropriate. Owner agrees that if, at any time, the Encroaching Structure
deteriorates or weakens so as to constitute a safety hazard, as determined by either the Owner or City, the Owner, upon learning of such deterioration, weakness or hazard, will promptly repair or replace, or contractually ensure that the Ground Tenant will promptly repair or replace, same to the extent necessary to eliminate any such safety hazard. Owner binds and obligates itself, its successors, and assigns to have an annual inspection of the Encroaching Structure, including its supports completed by a registered professional engineer. Said report shall be sealed by the professional engineer and furnished to the Director of the Charlotte Department of Transportation by March 1 of each year. The report shall be of sufficient detail to the reasonable satisfaction of City and include a description of any identified deficiencies and recommendations for corrective action. Further, the report must identify those deficiencies as being “critical” or “non-critical.” Critical deficiencies are those that have the potential to adversely affect public safety. The Charlotte Department of Transportation retains the right and privilege in its sole discretion to make the final determination for classification of “critical” deficiencies. The report and any periodic monitoring schedules/reports must be submitted with a cover letter from Owner, its successors, or assigns, outlining a schedule to correct “critical” deficiencies within forty-five (45) days and construction plans/details for City’s review and approval. Plans for the correction of “critical” deficiencies must be approved by City prior to the beginning of work and must include traffic control plans, as necessary. Corrective action for all deficiencies must be completed within ninety (90) days of the submittal date or as otherwise approved in writing by the Director of the Charlotte Department of Transportation. The Charlotte Department of Transportation shall be notified in writing of the completion/acceptance date for all corrective actions and be furnished copies of final inspection reports or other certifications of work performed. Any deficiency not corrected within these time limits will result in the provisions of
paragraph 1(d) of this Agreement. The Owner further agrees that the Director of the Charlotte Department of Transportation shall, at all reasonable times, have the right to inspect said Encroaching Structure for repairs in order to determine the extent, if any, that said Encroaching Structure may have deteriorated or weakened. All maintenance and operational costs associated with the Encroaching Structure shall be the responsibility of Owner and not of City.

3. **RELOCATION OF UTILITIES.** Should construction of the Encroaching Structure require relocation of any telephone, electric, water, sewage or other utility lines, mains or other facilities, Owner shall bear the total cost of relocation, including the relocation of City-owned facilities. The City agrees to cooperate fully with the Owner in connection with the relocation of any City-owned facilities.

4. **TRAFFIC.** Before beginning construction or maintenance work, Owner, its employees, agents or assigns shall obtain from the Director of the Charlotte Department of Transportation written approval (which shall not be unreasonably withheld, conditioned or delayed) of a traffic control plan detailing the traffic control devices to be used during construction or maintenance of the Encroaching Structure. This plan shall be developed in accordance with the City’s Work Area Traffic Control Handbook and shall include all relevant provisions contained therein. Owner agrees that it shall be responsible for compliance with all other fees and procedures pertaining to work in a public right-of-way. Owner or Ground Tenant, or its employees, agents or assigns, further agrees to obtain written approval executed by the Charlotte Department of Transportation for any construction or maintenance activities in the public right-of-way which require the closure of any sidewalk(s), travel lane(s) or street(s), and such written approval shall contain a provision whereby Owner or Ground Tenant agrees to hold the City harmless in connection with such activities.
5. **INDEMNIFICATION AND INSURANCE.** Owner, on behalf of itself and its successors and assigns, agrees to indemnify and hold harmless the City, its officers and employees, from and against all damage, including injury to persons or damage to property, expenses or other liability which may result from, arise out of, or be brought by reason of the Encroachment that is the subject of this Agreement. Owner, on behalf of itself and its successors and assigns, further agrees to pay such claims or defend any lawsuits which may be brought against the City, its officers and employees, by reason of the construction, maintenance, use or existence of the Encroachment that is the subject of this Agreement in such manner that the City, its officers and employees, will suffer no liability or expense by reason of any such claims or legal actions. Owner, at its expense, shall purchase and maintain, or contractually ensure that the Ground Tenant shall purchase and maintain, for the duration of this Agreement, comprehensive general liability insurance, including coverages for collapsed and underground property damage ("C" and "U") and contractual liability assumed under this Agreement. Such policy or policies of insurance shall be for limits of not less than Seven Million Dollars ($7,000,000) bodily injury and property damage liability, and will be subject to future review and reasonable adjustment from time to time by and at the request of the City. Certificates of insurance shall be furnished to the Charlotte Department of Transportation containing the provision that thirty (30) days written notice will be given to the City prior to cancellation or change in the required coverages. The City shall be named on the policies as an additional insured. Notwithstanding the foregoing and, as an alternative, Owner or any of its Affiliates shall have the right, to satisfy its insurance requirements under this section by self-insuring through a program of self-insurance through Novant Health, Inc., provided that, for the purposes of this Agreement, such self-insurance plan shall be treated as if such Owner had maintained the required insurance, it being the intent of the
parties that if Owner elects to self insure, then Owner shall be responsible for all risks and liabilities which would have been covered by the insurance required to be maintained hereunder, including, but not limited to the general liability insurance coverage. For purposes of the foregoing, (I) "Affiliate" shall mean and refer to, as to a specified Person, 1) any Person directly or indirectly controlling, controlled by or under common control with the specified Person; 2) any Person owning or controlling ten percent or more of the outstanding voting securities of the specified Person; 3) any officer, director or partner of the specified Person; or 4) if the specified Person is an officer, director or partner, any entity for which the specified Person acts in such capacity; and (II) "Person" shall mean and refer to an individual, a trust, an estate, a domestic corporation, a foreign corporation, a professional corporation, a partnership, a limited partnership, a limited liability company, a foreign limited liability company, an unincorporated association or another entity.

6. **WARRANTIES.** Owner covenants and warrants to City that it owns the Property in fee simple and that it has the right and authority to accept the rights and privileges granted and conveyed by City hereunder and to make the covenants and agreements herein contained. City covenants and warrants that the Encroachment as depicted in Exhibit C, attached hereto and incorporated herein by reference, is located within the street right-of-way or other property of City, and that City has the right and authority to convey to Owner the rights and privileges herein set forth.

7. **BINDING AGREEMENT.** This Agreement, and the covenants, terms and conditions herein set forth, shall be binding upon and inure to the benefit of the parties hereto and their successors and assigns. This Agreement may be modified from time to time by written instrument duly recorded in the Office of the Register of Deeds, Mecklenburg County, North
Carolina, duly executed and acknowledged by City and Owner, their respective successors and assigns, without the joinder of any other person.

If Owner should sell or otherwise transfer title to its interest in the Property, Owner shall notify the Charlotte Department of Transportation of the transfer and provide such evidence that its successor or assign has obtained the insurance required under the provisions of this Agreement, has otherwise agreed to assume the liabilities and obligations set forth herein, and has the financial means to meet such obligations. Upon the giving of such notice and the proof of such insurance, assumption and financial means, Owner shall be relieved of all liabilities and obligations arising under this Agreement by reason of any act or omission occurring after the giving of such notice and the proof of such insurance, assumption and financial means.

Should a portion of the Property be sold, conveyed or otherwise transferred such that the improvements connected by the Encroachment shall have separate ownership, the rights and obligations of Owner hereunder may be divided and/or assigned to one or more of such separate owners as they may agree in a writing duly recorded in the Mecklenburg County Public Registry. In the absence of such a writing, the easements created herein shall run with the land for the benefit of, and the obligations and rights of Owner hereunder shall be the rights and obligations of, the owner of the improvements located on each parcel as tenants in common.

8. **NOTICES.** City agrees not to file a notice of termination of this Agreement until the passage of thirty (30) days after it has given written notice to Owner by certified mail, return receipt requested, of its intent to file such notice and such notice and any other notices provided for under the terms hereof shall be provided by mailing such notice to the parties at the following addresses:

   **If to Owner:**
   Novant Health, Inc.

The parties hereto may change the address to which notices are to be sent or the persons to receive any such notices upon providing written notice thereof to the other party in accordance with the provisions of this paragraph.

9. MAINTENANCE OF ENCROACHMENT. If Owner elects to construct the Encroaching Structure, Owner, for itself and its successors and assigns, agrees to construct and maintain, or contractually ensure that the Ground Tenant will construct and maintain, said Encroachment in a reasonably safe and proper condition, including aesthetic appearance, such that said Encroachment shall not interfere with or endanger travel upon said right-of-way, nor
obstruct, nor interfere with the proper maintenance thereof, and Owner shall have the right, from
time to time, to remove, repair or alter said Encroachment at its own cost and expense provided
that the conditions of this Agreement are and remain satisfied.

Signatures Appear on Following Pages.
IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed by duly authorized officers and sealed as of the day and year first above written.

TEMPORARY CONSTRUCTION AND TERM AIR RIGHTS EASEMENT  

THIS EASEMENT, given this 5th day of December, 2008 by THE CITY OF CHARLOTTE, a municipal corporation organized and existing under the laws of the State of North Carolina (hereinafter referred to as "City") to NOVANT HEALTH, INC., a North Carolina non-profit corporation (hereinafter referred to as "Owner").

W I T N E S S E T H:

WHEREAS, City is the owner of a certain public right-of-way known as Hawthorne Lane in the City of Charlotte, North Carolina; and

WHEREAS, Owner is the owner of land, and any improvements located thereon, abutting on the northwesterly side of Hawthorne Lane in the City of Charlotte, Mecklenburg County, North Carolina, within the city block bounded by Hawthorne Lane, Park Drive,
Elizabeth Avenue and Travis Avenue said land being more fully described in Exhibit A-1 attached hereto and incorporated herein by reference (the “Hawthorne Tract”); and

WHEREAS, Owner is also the owner of land, and any improvements located thereon, abutting on the southeasterly side of Hawthorne Lane in the City of Charlotte, Mecklenburg County, North Carolina, said land being more fully described in Exhibit A-2 attached hereto and incorporated herein by reference (the “Hospital Tract”) (the Hawthorne Tract and the Hospital Tract being hereinafter collectively referred to as the “Property”, said Property being divided by Hawthorne Lane); and

WHEREAS, Owner and City have entered into an agreement (the “Crosswalk Agreement”) whereby City has approved the construction of the Encroachment, as defined therein, and has agreed to grant to Owner an easement for the construction, use and maintenance of said Encroachment over Hawthorne Lane.

NOW, THEREFORE, in consideration of the premises, Twenty Thousand One Hundred Sixty and 02/100 Dollars ($20,160.02) paid by Owner to City, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, City does hereby grant and convey unto Owner, its respective successors, designees, mortgagees and assigns, those easements described in Exhibit B-1 and depicted in Exhibit B-2 attached hereto and by this reference made a part hereof, for (i) construction of a crosswalk over Hawthorne Lane in the City of Charlotte as depicted in Exhibit C; and (ii) maintenance and use of the crosswalk as constructed, all in accordance with the requirements of the Crosswalk Agreement.

TO HAVE AND TO HOLD, unto the Owner and its successors, designees, mortgagees and assigns, until the 31st day of December, 2103, and thereafter, unless sooner terminated by City or by Owner or its successors, designees, mortgagees and assigns, pursuant to the terms of
the Crosswalk Agreement, for successive ten (10) year periods commencing January 1, 2104, unless sooner terminated pursuant to the terms of the Crosswalk Agreement; subject, however, to all the terms and conditions of the Crosswalk Agreement.

The easement granted in this instrument shall be appurtenant to and run with the Property. Said easement shall inure to the benefit of Owner, its respective designees, mortgagees, successors and assigns (including but not limited to ground lease tenants of all or a portion of the Property). City agrees that Owner may, by separate recorded instrument, redefine the property to which the easement granted herein shall be appurtenant without terminating or otherwise affecting the easement granted herein.

By execution hereof, the City consents to the transfer or encumbrance by Owner of all or a portion of its interest in the easement granted herein, provided, however, that the transferee or subsequent owner by foreclosure, deed in lieu of foreclosure or otherwise shall be bound by the terms of the Crosswalk Agreement from and after the date of acquisition of the property encumbered to the extent such obligations are within the reasonable control of the party acquiring such property. The provisions of this paragraph will apply for any and all deeds of trust now existing or hereafter given by Owner, its successors or assigns against its properties to which the easement granted herein is appurtenant.

Owner, on behalf of itself and its successors and assigns, agrees to indemnify and hold harmless City, its officers and employees, from and against all damage, including injury to persons or damage to property, expenses or other liability which may result from, arise out of, or be brought by any reason of the Encroachment that is the subject of this easement. Owner, on behalf of itself and its successors and assigns, further agrees to pay such claims or defend any lawsuits which may be brought against the City, its officers and employees, by reason of the
construction, maintenance, use or existence of the Encroachment that is the subject of this easement in such manner that City, its officers and employees, will suffer no liability or expense by reason of any such claims or legal actions. Owner, at its expense, shall purchase and maintain, or contractually ensure that a third-party shall purchase and maintain, for the duration of this easement, comprehensive general liability insurance, including coverages for collapsed and underground property damage (“C” and “U”) and contractual liability assumed under this easement. Such policy or policies of insurance shall be for limits of not less than Seven Million Dollars ($7,000,000) bodily injury and property damage liability, and will be subject to future review and reasonable adjustment from time to time by and at the request of City. Certificates of Insurance shall be furnished to the Charlotte Department of Transportation containing a provision that thirty (30) days written notice will be given to City prior to cancellation or change in the required coverages. City shall be named on the policies as an additional insured.

Notwithstanding the foregoing and, as an alternative, Owner or any of its Affiliates shall have the right, to satisfy its insurance requirements under this section by self-insuring through a program of self-insurance through Novant Health, Inc., provided that, for the purposes of this instrument, such self-insurance plan shall be treated as if such Owner had maintained the required insurance, it being the intent of the parties that if Owner elects to self insure, then Owner shall be responsible for all risks and liabilities which would have been covered by the insurance required to be maintained hereunder, including, but not limited to the general liability insurance coverage. For purposes of the foregoing, (I) “Affiliate” shall mean and refer to, as to a specified Person, 1) any Person directly or indirectly controlling, controlled by or under common control with the specified Person; 2) any Person owning or controlling ten percent or more of the outstanding voting securities of the specified Person; 3) any officer, director or partner of the
specified Person; or 4) if the specified Person is an officer, director or partner, any entity for which the specified Person acts in such capacity; and (II) “Person” shall mean and refer to an individual, a trust, an estate, a domestic corporation, a foreign corporation, a professional corporation, a partnership, a limited partnership, a limited liability company, a foreign limited liability company, an unincorporated association or another entity.

IN WITNESS WHEREOF, City has caused this instrument to be signed in its corporate name and by its duly authorized officials and its seal to be affixed by authority of the City Council, the day and year first above written.
