A RESOLUTION ESTABLISHING THE CHARLOTTE-MECKLENBURG ART COMMISSION AND AUTHORIZING THE ALLOCATION OF CERTAIN FUNDS FOR ART IN THE CONSTRUCTION OF PUBLIC WORKS.

WHEREAS, the Mecklenburg County Commissioners established the Mecklenburg County Art Commission on December 15, 1980 to assist the County Commissioners in the selection of works of art in public projects of the County; and

WHEREAS, the City Council desires to establish a similar organization; and

WHEREAS, the City Council and the County Commissioners recognize that art and cultural development are vital to the health of Charlotte/Mecklenburg; and

WHEREAS, Charlotte and Mecklenburg County are entering upon a period of revitalization as evidenced by the unprecedented building program spearheaded by the Civic Center, the airport expansion, acquisition and beautification of parks and government plaza development; and

WHEREAS, the character and charm of Charlotte and Mecklenburg County have been enhanced by public interest and support of the arts; and

WHEREAS, public art is known to be beneficial, both economically and aesthetically; and

WHEREAS, it has been acknowledged that fine arts within and around buildings add warmth, dignity, humanity and beauty, and that, unless an allocation for arts is included in the estimated cost for all public projects, the result would be a tendency of not providing such funds for the construction budgets of public facilities.

NOW, THEREFORE, BE IT JOINTLY RESOLVED by the City Council of Charlotte and the County Commission of Mecklenburg County as follows:

SECTION 1. Purpose:

Charlotte and Mecklenburg County accept a responsibility for expanding experience with visual art. A policy, therefore, is established to direct the inclusion of works of art in public projects of the City and the County.
SECTION 2. Definitions.

b. "Construction project" means any capital project paid for wholly or in part by the City of Charlotte or Mecklenburg County to construct or remodel any building, such as offices, park buildings, parking facilities, court facilities, etc., or any portion thereof within Mecklenburg County, which are normally visited by the public, with the exception of restoration of historic properties. Construction projects shall not include: maintenance service facilities, utilities including but not limited to resource recovery facilities, streets, highways and areas out of public view.

c. "Capital Improvement Program" means the City and County's program for advance planning of capital development.

d. "Works of art" includes, but is not limited to, original paintings, sculptures, fountain sculptures, frescoes, mobiles, murals, collages, mosaics, bas-reliefs, tapestries, photographs, drawings, silk screens, etchings and lithographs. The term "works of art" shall not include any reproduction of original art by mechanical means.

e. "Artist" refers to a practitioner in the visual arts, generally recognized by critics and his peers as a professional who produces works of art.

f. "Construction Cost" means actual construction cost, excluding engineering, administrative, architectural, legal fees, permits, indirect and interest costs. It shall also exclude Federal or State funds, if such funds are not permitted to be used for works of art.

SECTION 3. Funds for Works of Art.

a. All City and County department heads shall include in all estimates of necessary expenditures and all requests for authorization or appropriations for construction projects
up to 1% of total construction cost for works of art. This amount will be based on the total construction cost of any such project, as estimated in the Capital Improvement Program for the year in which such estimates or request is made. Any grants from outside sources awarded toward a specific art project will be included within the allocation up to 1%.

b. Funds authorized and/or appropriated pursuant to this section for City or County construction projects but not spent on that project in total or in part may be expended for art in other City or County projects or existing public facilities which are owned or leased by the City or County, if legally permissible.

c. Such funds shall be provided as above for all public facilities authorized by the County after December 15, 1980 and by the City after the adoption of this resolution.

SECTION 4.

Funds authorized and approved for works of art shall remain in the appropriate capital projects fund and expenditures for works of art shall be made from the appropriate capital projects fund.

SECTION 5. Art Commission Composition and Responsibilities.

Composition. The Art Commission shall have nine (9) members for three-year terms in the following manner:

a. Three (3) members appointed by the County Commission.

b. Two (2) members appointed by the City Council.

c. One (1) member appointed by the Mayor of Charlotte.

d. Three (3) members appointed by the Arts & Science Council.

Terms shall be staggered with terms of three initial appointees for one (1) year; three for two (2) years; and three for three (3) years. Thereafter, all appointments shall be for three years, however no member shall serve more than two consecutive three-year terms.
The Art Commission shall elect a chairperson from among the members to serve for a one-year term. The Art Commission may select advisors for a particular project to adjust to the size and complexity of art projects. These advisors shall be non-voting members. A representative from the interested City or County department and the construction project architect shall be non-voting advisors. The Art Commission shall encourage community participation.

Responsibilities.

a. The Art Commission shall be responsible for determining the method of selection of works of art and/or commissioning of artists. Reviewing the design, execution, placement and acceptance of works of art funded by this resolution shall be subject to the final approval of the City Council or County Commission. Procedures for these responsibilities are to be subsequently developed and approved.

b. The Art Commission shall make periodic reviews, at least annually, of all construction projects, as authorized by the City Council and the County Commission, and make recommendations to the City Council and the County Commission as to which projects are appropriate for inclusion of works of art.

c. The Art Commission, with the approval of the City Council or the County Commission, shall recommend purchase of works of art. The use of works of art by local and North Carolina artists should be emphasized. The Commission shall advise the City Council and the County Commission of operation and maintenance expenses for such recommended works of art.

d. The Art Commission shall examine annually the condition of works of art selected and make a report to the City Council and the County Commission with recommendations for their care, maintenance, improvement, documentation, appraisal, security, etc.

e. The Art Commission may encourage and help obtain additional grants and gifts from outside sources.
SECTION 6. Placement.

Works of art, selected and implemented pursuant to the provisions of this resolution and any amendment thereto, may be placed in, on or about City or County construction projects or other City or County-owned, leased or rented property. They may be attached or detached within or about such property and may be either temporary or permanent. City or County officers responsible for the design and construction of such projects shall make appropriate space available for the placement of works of art.

SECTION 7. Ownership.

All art objects acquired pursuant to this resolution shall be acquired in the name of the City of Charlotte or Mecklenburg County, and title shall vest in the City of Charlotte or Mecklenburg County.
