D. Upon receipt of 100% of the State Grant, the Sponsor will promptly complete Project acceptance and submit the Project Completion and Final Payment Request (AV-FINAL/AV-506).

C-5. If after the acceptance of the Project by the Department, the final State share of approved eligible items is less than the amount of State funds actually disbursed for the Project, the Sponsor shall reimburse the Department in an amount equal to the difference between the amount of State funds actually disbursed and the final State share of the final, audited, approved eligible Project costs within thirty (30) days of notification by the Department of the amount due.

C-6. If after the acceptance of the Project by the Department, the final State share of approved eligible Project costs shall be more than the amount of State funds obligated for the Project, the Sponsor may make application to the Department for a corresponding increase which will be considered for funding in accordance with their relative priority versus other applications for available State funds.

C-7. Under certain conditions, projects originally involving only state and local funds may subsequently be eligible for reimbursement from federal funding agencies. In such cases, the Sponsor shall notify the Department of its intent to apply for federal reimbursement and shall keep the Department informed of the status of such application. In the event federal funds are obtained for all or a portion of the Project, the Sponsor shall refund to the Department an amount equal to the difference between State funds originally disbursed for the work item(s) subsequently receiving federal funds and the final State share of the costs of the affected item(s) of work. Reimbursement will be made within ninety (90) days of the date of the final execution of the FAA Grant Agreement affecting the work elements in the approved Project.
C-8. For the purpose of calculating the State share of the Project, federal funds are defined as funds provided by an agency of the federal government for the specific purpose of undertaking the Project, including Block Grant funds administered by the Department.

SECTION D: SPONSOR'S ASSURANCES: REAL PROPERTY ACQUISITION

D-1. The acquisition of land, buildings, and other real property involving the use of State Airport Aid funds shall be in compliance with the provisions of this Section.

D-2. The Sponsor shall depict each parcel to be acquired on an airport property map containing the identity of the parcel and its metes and bounds.

D-3. The acquisition cost of each parcel, building, or other real property acquired with State financial assistance shall be based on the fair market value of the property as determined by an appraisal process acceptable to the Department.

D-4. For each parcel or building with an estimated cost of $100,000 or less, fair market value shall be established by a single original appraisal and a review appraisal. For complex acquisitions, fair market value shall be established by two original appraisals and one review appraisal.

D-5. All original and review appraisals shall be conducted by qualified appraisers who have no financial or other interest in the property to be acquired.

D-6. The fair market value of a parcel will be established by the review appraiser based upon the information contained in the original appraisal or appraisals.

D-7. No negotiation for property acquisition shall be commenced between the Sponsor and the property owner until the fair market value of the property has been established. Initial negotiations shall be based upon the fair market value.

D-8. Negotiated values above the fair market value shall not be eligible for State funds unless, prior to the final agreement for acquisition, the Sponsor has received the concurrence of the Department for paying such negotiated values in lieu of the appraised fair market value.

D-9. Sponsors who adhere to the federal "Uniform Guidelines for the Acquisition of Property" shall be deemed to have conformed to the Department's guidelines, except that Paragraph 8 above shall also be applicable under such acquisitions.

D-10. In the event the Project is a low value, non-complex acquisition, the Department, at its option, may accept the original appraisal without the review appraisal. In such cases, all other provisions of this Section shall apply.
D-11. Failure to follow the requirements of this Section shall disqualify the property from State participation for any parcel which has not been acquired in accordance with such standards.

SECTION E: Sponsor's Acknowledgement of Executive Order 24, issued by Governor Perdue, and N.C. G.S.§ 133-32

E-1 Sponsor acknowledges and agrees that it is unlawful for any vendor or contractor (i.e. architect, bidder, contractor, construction manager, design professional, engineer, landlord, offeror, seller, subcontractor, supplier, or vendor), to make gifts or to give favors to any State employee of the Governor's Cabinet Agencies (i.e., Administration, Commerce, Correction, Crime Control and Public Safety, Cultural Resources, Environment and Natural Resources, Health and Human Services, Juvenile Justice and Delinquency Prevention, Revenue, Transportation, and the Office of the Governor).
