which the City may be bound, and of which he has knowledge, (iii) the City’s adoption of
the Series Resolution and execution and issuance of the 2014 Bonds are not subject to any
authorization, consent, approval or review of any governmental body, public officer or
regulatory authority not theretofore obtained or effected, and no taxes are payable in
connection therewith, and (iv) the form, terms, execution, issuance and delivery of the
2014 Bonds have been duly and validly authorized by the City, and the 2014 Bonds
constitute valid and binding special obligations of the City in accordance with their terms.

When the documents mentioned in paragraphs (1) to (8) of this Section have been filed with the

Trustee of the purchase price of the 2014 Bonds. The Trustee is entitled to rely on the resolutions and
certificates mentioned in paragraphs (1) through (8) of this Section as to all matters stated therein.

Section 2.04. Details of 2014 Bonds; Payment.

(a) The 2014 Bonds will mature on July 1 of the years and in the amounts and will
bear interest (computed on the basis of a 360-day year of twelve 30-day months) as set forth in
the Finance Director’s certificate referred to in Section 2.03(4) above.

(b) Both the principal of and the interest on the 2014 Bonds are payable in any
lawful coin or currency of the United States of America which on the respective dates of payment
thereof is legal tender for the payment of public and private debts. Each 2014 Bond shall bear
interest from its date until its principal sum has been paid, but if such 2014 Bond has matured or
has been called for redemption and the redemption date has occurred and funds are available for
the payment thereof in full in accordance with the terms of the Bond Order, such 2014A Bond or
2014B Bond shall then cease to bear interest as of the maturity date or Redemption Date. The
2014 Bonds will be dated as of their date of issuance, except that 2014 Bonds issued in exchange
for or on the registration of transfer of 2014 Bonds will be dated as of the Interest Payment Date
next preceding the date of authentication thereof, unless (i) the date of such authentication
precedes December 15, 2014, in which case they will be dated their date of issuance, or (ii) the
date of such authentication is an Interest Payment Date to which interest on the 2014A Bonds or
2014B Bonds has been paid in full or duly provided for in accordance with the terms of this
Appendix A, in which case they will be dated as of such Interest Payment Date; except that if, as
shown by the records of the Paying Agent, interest on the 2014A Bonds or 2014B Bonds is in
default, 2014A Bonds or 2014B Bonds executed and delivered in exchange for or on registration
of transfer of 2014A Bonds or 2014B Bonds will be dated as of the date to which interest on the
2014A Bonds or 2014B Bonds, respectively, has been paid in full. If no interest has been paid on
the 2014A Bonds or 2014B Bonds, 2014A Bonds or 2014B Bonds executed and delivered in
exchange for or on the registration of transfer of 2014A Bonds or 2014B Bonds will be dated as of their date of issuance.

(c) The 2014 Bonds will be initially delivered by means of a book-entry system with no physical distribution of definitive 2014 Bonds made to the public. One definitive 2014 Bond for each maturity of each series is to be delivered to The Depository Trust Company, New York, New York ("DTC"), and immobilized in its custody. A book-entry system will be employed, evidencing ownership of the 2014 Bonds in denominations of $5,000 or any integral multiple thereof, with transfers of beneficial ownership effected on the records of DTC and its participants (the "DTC Participants") pursuant to rules and procedures established by DTC.

Each DTC Participant will be credited in the records of DTC with the amount of such DTC Participant's interest in the 2014A Bonds or the 2014B Bonds. Beneficial ownership interests in the 2014 Bonds may be purchased by or through DTC Participants. The holders of these beneficial ownership interests are hereinafter referred to as the "Beneficial Owners." The Beneficial Owners will not receive definitive 2014 Bonds representing their beneficial ownership interests. The ownership interests of each Beneficial Owner will be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its 2014 Bonds. Transfers of ownership interests in the 2014 Bonds will be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. So long as Cede & Co., as nominee for DTC, is the Registered Owner of the 2014 Bonds, the Trustee shall treat Cede & Co. as the only owner of the 2014 Bonds for all purposes under the Bond Order and this Appendix A, including receipt of all principal and premium, if any, and interest on the 2014 Bonds, receipt of notices, voting and requesting or directing the Trustee to take or not to take, or consenting to, certain actions under the Bond Order or this Appendix A.

Payments of principal, interest and premium, if any, with respect to the 2014 Bonds, so long as DTC is the only Owner of the 2014 Bonds, will be paid by the Trustee directly to DTC or its nominee, Cede & Co., as provided in the Blanket Letter of Representation dated November 21, 1996 from the City and the Trustee to DTC (the "Letter of Representation"). DTC will remit such payments to DTC Participants, and such payments thereafter will be paid by DTC Participants to the Beneficial Owners. The Trustee and the City are not and will not be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

If (a) DTC determines not to continue to act as securities depository for the 2014 Bonds or (b) the Trustee and the City determine to discontinue the book entry system in accordance with DTC's rules and the City fails to identify another qualified securities depository to replace DTC, the City will deliver fully registered definitive 2014 Bonds to DTC in accordance with DTC's rules and procedures.

The City and the Trustee have no responsibility or obligation with respect to (A) the accuracy of any records maintained by DTC or any DTC Participant; (B) the payment by DTC or any DTC Participant of any amount due to any Beneficial Owner in respect of the principal of and premium, if any, and interest on the 2014 Bonds; (C) the delivery or timeliness of delivery by DTC or any DTC Participant of any notice due to any beneficial owner which is required or permitted under the terms of the Bond Order or this Appendix A to be given to Owners; (D) the selection of Beneficial Owners to receive payments in the event of any partial redemption of the 2014 Bonds; or (E) any consent given or other action taken by DTC or its nominee, Cede & Co., as Owner.
(d) The 2014 Bonds are payable at the designated corporate trust office of the Paying Agent on presentation and surrender. Interest on the 2014 Bonds will be paid by the Paying Agent by check or draft mailed on the Interest Payment Date to each Owner as its name and address appear on the registration books kept by the Bond Registrar at the close of business on the Record Date. At the written request of any Owner of at least $1,000,000 in aggregate principal amount of the 2014 Bonds, principal and interest may be payable by wire transfer at the address specified in writing by the Owner to the Paying Agent by the Record Date. CUSIP number identification with appropriate dollar amounts for each CUSIP number shall accompany all payments of principal of, premium, if any, and interest on any 2014 Bonds, whether by check or by wire transfer.

(e) U.S. Bank National Association, Charlotte, North Carolina, is hereby appointed as Bond Registrar with respect to the 2014 Bonds.

Section 2.05. Arbitrage and Tax Covenants. The City covenants that it will not take or permit, or omit to take or cause to be taken, any action that would adversely affect the exclusion from federal income taxation of the interest on the 2014 Bonds and, if it should take or permit, or omit to take or cause to be taken, any such action, the City will take or cause to be taken all lawful actions within its power necessary to rescind or correct such actions or omissions promptly on having knowledge thereof. The City acknowledges that the continued exclusion of interest on the 2014 Bonds or from an Owner’s gross income for federal income tax purposes depends, in part, on compliance with the arbitrage limitations imposed by Section 148 of the Code. The City covenants that it will comply with all the requirements of Section 148 of the Code, including the rebate requirements, and that it will not permit at any time any of the proceeds of the 2014 Bonds or other funds under their control be used, directly or indirectly, to acquire any asset or obligation, the acquisition of which would cause the 2014 Bonds to be “arbitrage bonds” for purposes of Section 148 of the Code.

ARTICLE III.

REDEMPTION OF THE 2014 BONDS

Section 3.01. Privilege of Redemption and Redemption Prices. The 2014 Bonds are redeemable, on notice as provided below, at the times, at the redemption prices and on the terms contained in this Article III and in Article III of the Bond Order.

Section 3.02. Optional Redemption of the 2014 Bonds.

(a) The 2014A Bonds maturing on or after July 1, 2025, may be redeemed before their maturities, at the option of the City, from any funds that may be available for such purpose, either in whole or in part on any date beginning on or after July 1, 2024, at the redemption price, including a premium (calculated on the par amount on the 2014A Bonds called for redemption) not to exceed 2.00%, all as set forth in the Finance Director’s certificate referred to in Section 2.03(4) above.

(b) The 2014B Bonds maturing on or after July 1, 2025, may be redeemed before their maturities, at the option of the City, from any funds that may be available for such purpose, either in whole or in part on any date beginning on or after July 1, 2024, at the redemption price, including a premium (calculated on the par amount on the 2014A Bonds called for redemption) not to exceed 2.00%, all as set forth in the Finance Director’s certificate referred to in Section 2.03(4) above.
Section 3.03. **Extraordinary Optional Redemption of 2014 Bonds.** The 2014 Bonds will be subject to optional redemption by the City, in whole or in part on any date at a redemption price equal to the principal amount thereof, without premium, plus accrued interest to the date of redemption, on instructions from the City, from the Net Proceeds of Insurance or Eminent Domain which are deposited in the Series 2014A Subaccount of the Revenue Bond Redemption Account or the Series 2014B Subaccount of the Revenue Bond Redemption Account, respectively, as provided in the Bond Order.

Section 3.04. **Sinking Fund Redemption.** The 2014 Bonds are required to be redeemed to the extent of any Sinking Fund Requirement on each July 1 on which there is a Sinking Fund Requirement from money required to be deposited in the Series 2014A Subaccount of the Revenue Bond Sinking Fund Account or the Series 2014B Subaccount of the Revenue Bond Sinking Fund Account, respectively, at a redemption price equal to the principal amount of the 2014 Bonds being redeemed, without premium, plus accrued interest to the date of redemption.

Section 3.05. **Notice of Redemption.** Notice of redemption will be given by the Trustee not less than 30 days nor more than 60 days before the Redemption Date (1) to the Commission by Mail or facsimile transmission, (2)(a) to DTC or its nominee by registered or certified mail at the address provided to the Trustee by DTC or as otherwise permitted by DTC’s rules and procedures or (b) if DTC or its nominee is no longer the Owner of the 2014 Bonds, by Mail to the then-registered Owners of 2014 Bonds to be redeemed at the last address shown on the registration books kept by the Bond Registrar and (3) to the Municipal Securities Rulemaking Board (the “MSRB”) in an electronic format as prescribed by the MSRB.

Such notice must (1) specify the 2014 Bonds to be redeemed, the redemption date, the redemption price and the place or places where amounts due on such redemption must be payable (which must be the designated office of the Paying Agent) and if less than all of the 2014 Bonds are to be redeemed, the numbers of the 2014 Bonds and the portions of 2014 Bonds to be redeemed, and (2) state that on the redemption date, the 2014 Bonds to be redeemed will cease to bear interest. If at the time of mailing of notice of redemption there is not on deposit with the Trustee money sufficient to redeem the 2014 Bonds called for redemption, which money is or will be available for redemption of the 2014 Bonds, such notice will state that it is conditional on the deposit of the redemption money with the Trustee on the redemption date. Any notice, once given, may be withdrawn by notice delivered in the manner set forth above, on receipt by the Trustee of written instructions from the City with respect to such withdrawal.

Failure to provide such notice to any Owner or any defect therein will not affect the validity of any proceedings for such redemption as to any other Owner to whom such notice was properly given. Failure to provide such notice to the Commission or the securities depositories and national information services as provided above will not affect the validity of any proceedings for such redemption.

If money is on deposit with the Trustee to pay the redemption price of the 2014 Bonds called for redemption including premium, if any, thereon on a redemption date, 2014 Bonds or portions thereof so called for redemption as hereinabove specified will not bear interest after such redemption date and will not be considered to be Outstanding or to have any other rights under the Bond Order other than the right to receive payment. No payment of principal will be made by the Paying Agent on any 2014 Bonds or portions thereof called for redemption until such 2014 Bonds or portions thereof have been delivered for payment or cancellation or the Paying Agent has received the items required by Section 210 of the Bond Order with respect to any mutilated, lost, stolen or destroyed 2014 Bonds.

Section 3.06. **Selection of 2014 Bonds To Be Redeemed.** Notwithstanding Section 302 of the Bond Order, in the case of any partial redemption of 2014 Bonds, the City will select the series of the 2014 Bonds and the maturity or maturities of the 2014 Bonds within a series to be redeemed and DTC
will select the 2014 Bonds within the same maturity of a series pursuant to its rules and procedures or, if the book-entry system with DTC or any other securities depository has been discontinued, the Bond Registrar will select the 2014 Bonds to be redeemed by lot in such manner as the Bond Registrar in its discretion may deem proper.

If a 2014A Bond or 2014B Bond subject to redemption is in a denomination larger than the minimum Authorized Denomination, a portion of such 2014A Bond or 2014B Bond may be redeemed, but only in a principal amount such that the unredeemed portion of such 2014A Bond or 2014B Bond is equal to an Authorized Denomination. For any 2014A Bond or 2014B Bond in a denomination of more than the minimum Authorized Denomination, the Trustee shall treat each such 2014A Bond or 2014B Bond as representing a single 2014A Bond or 2014B Bond in the minimum Authorized Denomination plus that number of 2014A Bonds or 2014B Bonds that is obtained by dividing the remaining principal amount of such 2014A Bond or 2014B Bond by the minimum Authorized Denomination.

If it is determined that one or more, but not all, of the Authorized Denominations of principal amount represented by any 2014A Bond or 2014B Bond is to be called for redemption, then, on written notice of intention to redeem such Authorized Denominations of principal amount of such 2014A Bond or 2014B Bond, the Owner of such 2014A Bond or 2014B Bond, on surrender of such 2014A Bond or 2014B Bond to the Paying Agent for payment of the principal amount of such 2014A Bond or 2014B Bond, will be entitled to receive new 2014A Bond or 2014B Bond in the aggregate principal amount of the unredeemed balance of the principal amount of such 2014A Bond or 2014B Bond. New 2014A Bond or 2014B Bond representing the unredeemed balance of the principal amount of such 2014A Bond or 2014B Bond will be issued to the Owner thereof.

If the Owner of any 2014A Bond or 2014B Bond of a denomination greater than the amount being redeemed fails to present such 2014A Bond or 2014B Bond to the Paying Agent for payment and exchange as aforesaid, such 2014A Bond or 2014B Bond will, nevertheless, become due and payable on the date fixed for redemption to the extent of the denomination being redeemed and to that extent only.

Section 3.07. No Partial Redemption After Default. Anything in this Appendix A to the contrary notwithstanding, if an Event of Default occurs and is continuing hereunder there will be no redemption of less than all of the 2014 Bonds Outstanding.

In each month following a month in which the Trustee has failed to make any deposit required by this Section 4.02, the City shall pay, but only from Net Revenues, and the Trustee shall deposit, in addition to the amounts then due, an amount sufficient to cure the deficiency in the deposits in the prior months unless such deficiency has been cured by a transfer of money to such fund or account from other funds and accounts created hereby, pursuant to the terms of this Appendix A.
Section 4.03. Application of Money in the Series 2014A Subaccount of the Revenue Bond Sinking Fund Account. Money held in the Series 2014A Subaccount of the Revenue Bond Sinking Fund Account will be applied during each Fiscal Year to the purchase or retirement of 2014A Bonds then Outstanding as follows:

(a) The Trustee shall, at the request of the City, endeavor to purchase and cancel 2014A Bonds or portions thereof subject to redemption by operation of the Series 2014A Subaccount of the Revenue Bond Sinking Fund Account or maturing on the next ensuing July 1 at the most advantageous price readily obtainable with reasonable diligence. The purchase price of each such 2014A Bond shall not exceed par plus accrued interest to the date of purchase. The Trustee shall pay the interest accrued on such 2014A Bonds to the date of settlement therefore from the Series 2014A Subaccount of the Revenue Bond Interest Account and the purchase price from the Series 2014A Subaccount of the Revenue Bond Sinking Fund Account, but no such purchase shall be made by the Trustee from money in the Series 2014A Subaccount of the Revenue Bond Sinking Fund Account within the period of 45 days immediately preceding any July 1 on which such 2014A Bonds are subject to redemption, except from money other than the money set aside in the Series 2014A Subaccount of the Revenue Bond Sinking Fund Account for the redemption of 2014A Bonds. The aggregate purchase price of 2014A Bonds during each Fiscal Year shall not exceed the amount to be deposited in the Series 2014A Subaccount of the Revenue Bond Sinking Fund Account on account of the Sinking Fund Requirement for the 2014A Bonds for such Fiscal Year. If in any Fiscal Year the sum of the amount on deposit in the Series 2014A Subaccount of the Revenue Bond Sinking Fund Account for the payment of any 2014A Bonds and the principal amount of the 2014A Bonds that were purchased during such Fiscal Year pursuant to the provisions of this paragraph (a) or delivered during such Fiscal Year to the Trustee by the City exceeds the Sinking Fund Requirement for the Outstanding 2014A Bonds for such Fiscal Year, the Trustee shall endeavor to purchase Outstanding 2014A Bonds with such excess money;

(b) The Trustee shall call for redemption on July 1 in each Fiscal Year 2014A Bonds in a principal amount equal to the aggregate Sinking Fund Requirement for the 2014A Bonds for such Fiscal Year, less the principal amount of any such 2014A Bonds retired during such Fiscal Year by purchase pursuant to paragraph (a) of this Section or delivered during such Fiscal Year to the Trustee by the City. On each redemption date the Trustee shall withdraw from the Series 2014A Subaccount of the Revenue Bond Sinking Fund Account the amount required to pay the Redemption Price of the 2014A Bonds so called for redemption. The amount of interest on the 2014A Bonds so called for redemption shall be paid from the Series 2014A Subaccount of the Revenue Bond Interest Account. If such date is the stated maturity date of any such 2014A Bonds, the Trustee shall not call such 2014A Bonds for redemption but, on such maturity, shall withdraw the amount required for paying the principal of such 2014A Bonds when due and payable.

If at any date there is money in the Series 2014A Subaccount of the Revenue Bond Sinking Fund Account and no 2014A Bonds are then Outstanding or if on any payment date money remains therein after the mandatory redemption of 2014A Bonds in accordance with the Sinking Fund Requirement therefor, the Trustee shall withdraw such money and shall apply the same as follows: (a) deposit in the Common Reserve Subaccount of the Revenue Bond Reserve Account the amounts, if any, required to be paid thereto in such month pursuant to Section 503(g) of the Bond Order and (b) deliver all remaining amounts to the City.

If the balance in the Series 2014A Subaccount of the Revenue Bond Sinking Fund Account on the 25th day of the month next preceding a payment date on which 2014A Bonds are to be redeemed in
accordance with the Sinking Fund Requirements therefor is insufficient to satisfy such Sinking Fund Requirement, the Trustee shall transfer to such Subaccount such amounts as may be necessary to remedy the deficiency, drawing on money in the Common Reserve Subaccount of the Revenue Bond Reserve Account.

If, in any Fiscal Year, by the application of money in the Series 2014A Subaccount of the Revenue Bond Sinking Fund Account the Trustee should purchase or receive from the City and cancel 2014A Bonds in excess of the aggregate Sinking Fund Requirements for such Fiscal Year, the Trustee shall file with the City not later than the 20th day before the next August 1 a statement identifying the 2014A Bonds purchased or delivered during such Fiscal Year and the amount of such excess. The City shall thereafter cause a certificate of the Finance Director to be filed with the Trustee not later than the 10th day before such August 1, setting forth with respect to the amount of such excess the Fiscal Years in which the Sinking Fund Requirements with respect to 2014A Bonds are to be reduced and the amount by which the Sinking Fund Requirements so determined are to be reduced.

On the retirement of any 2014A Bonds by purchase or redemption under the provisions of this Section, the Trustee shall file with the City a statement identifying such 2014A Bonds and setting forth the date of purchase or redemption, the amount of the purchase price or the Redemption Price of such 2014A Bonds, and the amount paid as interest thereon. The expenses incurred in connection with the purchase or redemption of any such 2014A Bonds shall be paid by the City from the Operating Fund or from any other available money.

The Trustee shall apply money in the Series 2014A Revenue Bond Redemption Subaccount to the purchase or redemption of 2014A Bonds as follows:

(a) Subject to the provisions of paragraph (c) of this Section, at the request of the City, the Trustee shall endeavor to purchase and cancel 2014A Bonds or portions thereof, regardless of whether such 2014A Bonds or portions thereof are then subject to redemption, at the most advantageous price readily obtainable with reasonable diligence, provided that the purchase price of each 2014A Bond shall not exceed the Redemption Price that would be payable on the next redemption date to the Owner of such 2014A Bond under the provisions of this Appendix A if such 2014A Bond or such portion thereof should be called for redemption on such date from the money in the Series 2014A Subaccount of the Revenue Bond Redemption Account. The Trustee shall pay the interest accrued on such 2014A Bonds or portions thereof to the date of settlement from the Series 2014A Subaccount of the Revenue Bond Interest Account and the purchase price from the Series 2014A Subaccount of the Revenue Bond Redemption Account, but no such purchase shall be made by the Trustee from money in the Series 2014A Subaccount of the Revenue Bond Redemption Account within the period of 45 days immediately preceding any Interest Payment Date on which such 2014A Bonds or portions thereof are to be redeemed, except from money other than the money set aside in the Series 2014A Subaccount of the Revenue Bond Redemption Account for the redemption of Bonds.

(b) Subject to the provisions of paragraph (c) of this Section, the Trustee shall call for redemption on a date permitted by this Appendix A such amount of 2014A Bonds or portions thereof as, with the redemption premium, if any, will exhaust the money then held in the Series 2014A Subaccount of the Revenue Bond Redemption Account as nearly as may be. The Trustee shall pay the accrued interest on the Bonds or portions thereof to be redeemed to the date of redemption from the Series 2014A Subaccount of the Revenue Bond Interest Account and the Redemption Price of such 2014A Bonds or portions thereof from the Series 2014A Subaccount of the Revenue Bond Redemption Account. The Trustee shall withdraw from the Series 2014A
Subaccount of the Revenue Bond Redemption Account and set aside the respective amounts required to pay the Redemption Price of the 2014A Bonds or portions thereof so called for redemption.

(c) Money in the Series 2014A Subaccount of the Revenue Bond Redemption Account shall be applied by the Trustee in each Fiscal Year to the purchase or the redemption of 2014A Bonds then Outstanding in accordance with the Sinking Fund Requirement.

On the retirement of any 2014A Bonds by purchase or redemption pursuant to the provisions of this Section, the Trustee shall file with the City a statement identifying such 2014A Bonds and setting forth the date of purchase or redemption, the amount of the purchase price or the Redemption Price of such 2014A Bonds and the amount paid as interest thereon. The expense incurred by the Trustee in connection with the purchase or redemption of any such 2014A Bonds shall be paid by the City from the Operating Fund or from any other available money.

Section 4.05. Application of Money in the Series 2014B Subaccount of the Revenue Bond Sinking Fund Account. Money held in the Series 2014B Subaccount of the Revenue Bond Sinking Fund Account will be applied during each Fiscal Year to the purchase or retirement of 2014B Bonds then Outstanding as follows:

(a) The Trustee shall, at the request of the City, endeavor to purchase and cancel 2014B Bonds or portions thereof subject to redemption by operation of the Series 2014B Subaccount of the Revenue Bond Sinking Fund Account or maturing on the next ensuing July 1 at the most advantageous price readily obtainable with reasonable diligence. The purchase price of each such 2014B Bond shall not exceed par plus accrued interest to the date of purchase. The Trustee shall pay the interest accrued on such 2014B Bonds to the date of settlement therefore from the Series 2014B Subaccount of the Revenue Bond Interest Account and the purchase price from the Series 2014B Subaccount of the Revenue Bond Sinking Fund Account, but no such purchase shall be made by the Trustee from money in the Series 2014B Subaccount of the Revenue Bond Sinking Fund Account within the period of 45 days immediately preceding any July 1 on which such 2014B Bonds are subject to redemption, except from money other than the money set aside in the Series 2014B Subaccount of the Revenue Bond Sinking Fund Account for the redemption of 2014B Bonds. The aggregate purchase price of 2014B Bonds during each Fiscal Year shall not exceed the amount to be deposited in the Series 2014B Subaccount of the Revenue Bond Sinking Fund Account on account of the Sinking Fund Requirement for the 2014B Bonds for such Fiscal Year. If in any Fiscal Year the sum of the amount on deposit in the Series 2014B Subaccount of the Revenue Bond Sinking Fund Account for the payment of any 2014B Bonds and the principal amount of the 2014B Bonds that were purchased during such Fiscal Year pursuant to the provisions of this paragraph (a) or delivered during such Fiscal Year to the Trustee by the City exceeds the Sinking Fund Requirement for the Outstanding 2014B Bonds for such Fiscal Year, the Trustee shall endeavor to purchase Outstanding 2014B Bonds with such excess money;

(b) The Trustee shall call for redemption on July 1 in each Fiscal Year 2014B Bonds in a principal amount equal to the aggregate Sinking Fund Requirement for the 2014B Bonds for such Fiscal Year, less the principal amount of any such 2014B Bonds retired during such Fiscal Year by purchase pursuant to paragraph (a) of this Section or delivered during such Fiscal Year to the Trustee by the City. On each redemption date the Trustee shall withdraw from the Series 2014B Subaccount of the Revenue Bond Sinking Fund Account the amount required to pay the Redemption Price of the 2014B Bonds so called for redemption. The amount of interest on the 2014B Bonds so called for redemption shall be paid from the Series 2014B Subaccount of the
Revenue Bond Interest Account. If such date is the stated maturity date of any such 2014B Bonds, the Trustee shall not call such 2014B Bonds for redemption but, on such maturity, shall withdraw the amount required for paying the principal of such 2014B Bonds when due and payable.

If at any date there is money in the Series 2014B Subaccount of the Revenue Bond Sinking Fund Account and no 2014B Bonds are then Outstanding or if on any payment date money remains therein after the mandatory redemption of 2014B Bonds in accordance with the Sinking Fund Requirement therefor, the Trustee shall withdraw such money and shall apply the same as follows: (a) deposit in the Common Reserve Subaccount of the Revenue Bond Reserve Account the amounts, if any, required to be paid thereto in such month pursuant to Section 503(g) of the Bond Order and (b) deliver all remaining amounts to the City.

If the balance in the Series 2014B Subaccount of the Revenue Bond Sinking Fund Account on the 25th day of the month next preceding a payment date on which 2014B Bonds are to be redeemed in accordance with the Sinking Fund Requirements therefor is insufficient to satisfy such Sinking Fund Requirement, the Trustee shall transfer to such Subaccount such amounts as may be necessary to remedy the deficiency, drawing on money in the Common Reserve Subaccount of the Revenue Bond Reserve Account.

If, in any Fiscal Year, by the application of money in the Series 2014B Subaccount of the Revenue Bond Sinking Fund Account the Trustee should purchase or receive from the City and cancel 2014B Bonds in excess of the aggregate Sinking Fund Requirements for such Fiscal Year, the Trustee shall file with the City not later than the 20th day before the next August 1 a statement identifying the 2014B Bonds purchased or delivered during such Fiscal Year and the amount of such excess. The City shall thereafter cause a certificate of the Finance Director to be filed with the Trustee not later than the 10th day before such August 1, setting forth with respect to the amount of such excess the Fiscal Years in which the Sinking Fund Requirements with respect to 2014B Bonds are to be reduced and the amount by which the Sinking Fund Requirements so determined are to be reduced.

On the retirement of any 2014B Bonds by purchase or redemption under the provisions of this Section, the Trustee shall file with the City a statement identifying such 2014B Bonds and setting forth the date of purchase or redemption, the amount of the purchase price or the Redemption Price of such 2014B Bonds, and the amount paid as interest thereon. The expenses incurred in connection with the purchase or redemption of any such 2014B Bonds shall be paid by the City from the Operating Fund or from any other available money.

Section 4.06. Application of Money in the Series 2014B Revenue Bond Redemption Account. The Trustee shall apply money in the Series 2014B Revenue Bond Redemption Subaccount to the purchase or redemption of 2014B Bonds as follows:

(a) Subject to the provisions of paragraph (c) of this Section, at the request of the City, the Trustee shall endeavor to purchase and cancel 2014B Bonds or portions thereof, regardless of whether such 2014B Bonds or portions thereof are then subject to redemption, at the most advantageous price readily obtainable with reasonable diligence, provided that the purchase price of each 2014B Bond shall not exceed the Redemption Price that would be payable on the next redemption date to the Owner of such 2014B Bond under the provisions of this Appendix A if such 2014B Bond or such portion thereof should be called for redemption on such date from the money in the Series 2014B Subaccount of the Revenue Bond Redemption Account. The Trustee shall pay the interest accrued on such 2014B Bonds or portions thereof to the date of settlement from the Series 2014B Subaccount of the Revenue Bond Interest Account and the
purchase price from the Series 2014B Subaccount of the Revenue Bond Redemption Account, but no such purchase shall be made by the Trustee from money in the Series 2014B Subaccount of the Revenue Bond Redemption Account within the period of 45 days immediately preceding any Interest Payment Date on which such 2014B Bonds or portions thereof are to be redeemed, except from money other than the money set aside in the Series 2014B Subaccount of the Revenue Bond Redemption Account for the redemption of Bonds.

(b) Subject to the provisions of paragraph (c) of this Section, the Trustee shall call for redemption on a date permitted by this Appendix A such amount of 2014B Bonds or portions thereof as, with the redemption premium, if any, will exhaust the money then held in the Series 2014B Subaccount of the Revenue Bond Redemption Account as nearly as may be. The Trustee shall pay the accrued interest on the Bonds or portions thereof to be redeemed to the date of redemption from the Series 2014B Subaccount of the Revenue Bond Interest Account and the Redemption Price of such 2014B Bonds or portions thereof from the Series 2014B Subaccount of the Revenue Bond Redemption Account. The Trustee shall withdraw from the Series 2014B Subaccount of the Revenue Bond Redemption Account and set aside the respective amounts required to pay the Redemption Price of the 2014B Bonds or portions thereof so called for redemption.

(c) Money in the Series 2014B Subaccount of the Revenue Bond Redemption Account shall be applied by the Trustee in each Fiscal Year to the purchase or the redemption of 2014B Bonds then Outstanding in accordance with the Sinking Fund Requirement.

On the retirement of any 2014B Bonds by purchase or redemption pursuant to the provisions of this Section, the Trustee shall file with the City a statement identifying such 2014B Bonds and setting forth the date of purchase or redemption, the amount of the purchase price or the Redemption Price of such 2014B Bonds and the amount paid as interest thereon. The expense incurred by the Trustee in connection with the purchase or redemption of any such 2014B Bonds shall be paid by the City from the Operating Fund or from any other available money.

Section 4.07. Application of Money in the Accounts of the Construction Fund. Money held in each account of the Construction Fund will be applied in accordance with Article IV of the Bond Order. The Finance Director shall specify in each requisition the account from which the requisition is to be paid.

Section 4.08. Application of Money in Common Reserve Subaccount of the Revenue Bond Reserve Account.

(a) There will be deposited in the Common Reserve Subaccount of the Revenue Bond Reserve Account an initial amount as certified by the Finance Director under Section 2.03(4) and such other amounts as may be required by the terms of this Series Resolution and any subsequent Common Reserve Series Resolution. The Trustee shall use money deposited in the Common Reserve Subaccount of the Revenue Bond Reserve Account solely for the purpose of paying the principal of and the interest on each Series of Common Reserve Bonds whenever and to the extent that (1) money in the applicable Subaccount of the Revenue Bond Interest Account created with respect to such Series of Common Reserve Bonds is insufficient to pay the interest on such Series of Common Reserve Bonds or (2) money in the applicable Subaccount of the Revenue Bond Principal Account or the applicable Subaccount of the Revenue Bond Sinking Fund Account created with respect to such Series of Common Reserve Bonds is insufficient to pay the principal of such Series of Common Reserve Bonds. With respect to the 2014 Bonds, the Trustee shall withdraw such money in accordance with the order of priorities set forth in Section 4.02, and with respect to any subsequent Series of Common Reserve Bonds, the Trustee shall
withdraw such money in accordance with the order of priorities set forth in the corresponding section of the applicable Common Reserve Series Resolution; provided, however, if there is insufficient money in the Common Reserve Subaccount of the Revenue Bond Reserve Account to satisfy all deposits required within each subsection of Section 4.02, then any amounts remaining in the Common Reserve Subaccount of the Revenue Bond Reserve Account will be used to satisfy the deposits between each subaccount on a pro rata basis in accordance with the Outstanding aggregate principal amount of each corresponding Series of Common Reserve Bonds. If on any Interest Payment Date the amount on deposit in an account of the Common Reserve Subaccount of the Revenue Bond Reserve Account exceeds the Reserve Requirement therefor, the Trustee shall transfer such excess to (1) the applicable Subaccount of the Revenue Bond Interest Account created with respect to each Series of Common Reserve Bonds on a pro rata basis based on the Outstanding aggregate principal amount of each corresponding Series of Common Reserve Bonds or (2) as the City otherwise directs as required by the City’s arbitrage and tax regulatory agreement executed and delivered in connection with any Series of Common Reserve Bonds.

(b) If the City delivers a Qualified Surety Bond to the Trustee in satisfaction of the Reserve Requirement, in whole or in part:

(i) If and to the extent that money on deposit in the Common Reserve Subaccount of the Revenue Bond Reserve Account, plus all amounts on deposit in and credited to the Subaccounts of the Revenue Bond Fund applicable to each Series of Common Reserve Bonds, in excess of the amount of the Qualified Surety Bond, is insufficient to pay the amount of principal and interest coming due with respect to any Series of Common Reserve Bonds, then on the later of: (i) one day after receipt by the Qualified Surety Bond Provider of a demand for payment, duly executed by the Paying Agent certifying that payment due under the Bond Order and any Common Reserve Series Resolution has not been made to the Paying Agent; or (ii) the payment date of any Series of Common Reserve Bonds as specified in the Demand for Payment presented by the Paying Agent to the Qualified Surety Bond Provider, the Qualified Surety Bond Provider will make a deposit of funds in an account with the Paying Agent sufficient for the payment to the Paying Agent of amounts which are then due to the Paying Agent under any such Common Reserve Series Resolution (as specified in the Demand for Payment) up to but not in excess of the Surety Bond Coverage, as defined in the Qualified Surety Bond.

(ii) the Trustee, or Paying Agent, if appropriate, shall, after submitting to the Qualified Surety Bond Provider the Demand for Payment as provided in (i) above, make available to the Qualified Surety Bond Provider all records relating to the funds and accounts maintained under this Appendix A and any other Common Reserve Series Resolution.

(iii) the Trustee, or Paying Agent, if appropriate, shall, on receipt of money received from the draw on the Qualified Surety Bond, as specified in the Demand for Payment, credit the Common Reserve Subaccount of the Revenue Bond Reserve Account to the extent of money received pursuant to such Demand.

(iv) the Common Reserve Subaccount of the Revenue Bond Reserve Account is to be replenished in the following priority: (A) principal and interest on the Qualified Surety Bond is to be paid from first available Revenues; (B) after all such amounts are paid in full, amounts necessary to fund the Common Reserve Subaccount of the Revenue Bond Reserve Account to the required level, after taking into account the amounts available under the Qualified Surety Bond are to be deposited from next available Revenues.

Section 4.09. Investment of Money. Money held for the credit of all subaccounts or accounts established under this Appendix A on deposit with the Trustee are to be continuously invested and
reinvested by the Trustee in such Investment Obligations as the City may direct to the extent practicable. Any such Investment Obligations shall mature not later than the respective dates when the money held for the credit of such subaccounts or accounts will be required for the purposes intended. No Investment Obligations in any such subaccount or account may mature beyond the latest maturity date of any 2014 Bonds Outstanding at the time such Investment Obligations are deposited.

The interest accruing on Investment Obligations in the subaccounts established hereunder and any profit or loss realized on the disposition or maturity of such Investment Obligations are to be credited or charged against the following Funds, accounts and subaccounts: interest and profit or loss resulting from each of the subaccounts established under Section 4.01 other than the Series 2014A Construction Account of the Construction Fund shall be credited to or charged against the Revenue Fund, and interest and profit or loss resulting from the Series 2014A Construction Account of the Construction Fund shall be credited to or charged against that account.

Section 4.10. Payment of Principal, Interest and Premium and Pledge of Net Revenues. The City covenants that it will promptly pay the principal of and the interest on every 2014 Bond issued under this Appendix A at the places, on the dates and in the manner provided herein and in the 2014 Bonds, and any premium required for the retirement of the 2014 Bonds by purchase or redemption, according to the true intent and meaning thereof. The City represents and covenants that it is duly authorized under the Constitution and laws of the State, particularly the Act, to issue the 2014 Bonds authorized hereby and to pledge the Net Revenues in the manner and to the extent herein and in the Bond Order set forth; that all action on its part for the issuance of the 2014 Bonds initially issued hereunder has been duly and effectively taken; and that such 2014 Bonds in the hands of the Owners thereof are and will be valid and binding special obligations of the City according to their terms.

Except to the extent of a lien on Net Revenues from the Airport, the 2014 Bonds are not payable from the general funds of the City and do not constitute a legal or equitable pledge, lien or encumbrance on any of the properties of the City or on any of its income, receipts or revenues, except as provided in this Appendix A and the Bond Order, and neither the credit nor the taxing power of the City are pledged for the payment of the 2014 Bonds, or the City's obligations to comply with any covenant or agreement under this Appendix A or any other agreement entered into by the City pursuant to its authority.

SUPPLEMENTAL SERIES RESOLUTIONS

Section 6.01. Supplemental Series Resolutions Without Consent of Owners. The City may, from time to time and at any time, adopt such resolutions supplemental hereto as are consistent with the terms and provisions of this Appendix A and, in the opinion of the Trustee, do not affect adversely the interest of the Owners including, without limitation:

(a) to cure any ambiguity or formal defect or omission, to correct or supplement any provision herein that may be inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Appendix A that shall be consistent with the provisions of this Appendix A, or

(b) to grant or confer on the Trustee for the benefit of the Owners any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred on the Owners or the Trustee, or

(c) to add to the covenants and agreements of the City in this Appendix A other covenants and agreements thereafter to be observed by the City or to surrender any right or power herein reserved to or conferred on the City, or

(d) to permit the qualification of the Series Resolution under any federal statute now or hereafter in effect or under any state Blue Sky law, or

(e) to provide for the issuance of any of the 2014A Bonds or the 2014B Bonds in bearer form, or

(f) to make modifications in the provisions for the issuance of any of the 2014A Bonds or the 2014B Bonds under a book-entry system, or

(g) to obtain a rating on any of the 2014A Bonds or the 2014B Bonds from a national rating service.

Notwithstanding anything in the Bond Order or the Series Resolution to the contrary, (1) any initial purchaser, underwriter or remarketing agent holding any 2014 Bonds or another Series of the Bonds issued after the issuance of the 2014 Bonds may, regardless of its intent to sell or distribute such Bonds in the future, consent as the Owner of such Bonds to any amendment or supplemental resolution as required or permitted by this Article, including any amendment or supplemental resolution that adversely affects the interests of other Owners, and (2) any such holder providing its consent under this Section is not entitled to receive, nor is the City required to provide, any prior notice or other documentation regarding such amendment or supplemental resolution.

Section 6.02. Modification of Series Resolution with Consent of Owners. Subject to the terms and provisions contained in this Section, and not otherwise, the Owners of not less than 51% in aggregate principal amount of the 2014 Bonds then Outstanding have the right, from time to time anything contained in this Appendix A to the contrary notwithstanding, to consent to and approve the adoption by the City and the acceptance by the Trustee of such series resolution supplemental hereto as are necessary or considered desirable by the City for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Appendix A or in any supplemental series resolution; but nothing herein contained permits, or may be construed as
permitting (a) an extension of the maturity of the principal of or the interest on any 2014 Bond or (b) a reduction in the principal amount of any 2014 Bond or the redemption premium or the rate of interest thereon, or (c) the creation of a pledge of Net Revenues other than any pledge created or permitted by the Bond Order or the Series Resolution, or (d) a preference or priority of any 2014 Bond over any other 2014 Bond, or (e) a reduction in the aggregate principal amount of 2014 Bonds required for consent to such supplemental series resolution. Nothing herein contained, however, may be construed as making necessary the approval by the Owners of the adoption and acceptance of any supplemental series resolution as authorized in Section 7.01.

The Trustee shall, at the expense of the City, such expense to be paid solely from the Operating Fund or from any other available money, cause notice of the proposed adoption of such supplemental series resolution to be mailed, postage prepaid, to the Commission and all Owners. Such notice shall briefly set forth the nature of the proposed supplemental series resolution and shall state that copies thereof are on file at the designated office of the Trustee for inspection by all Owners. The Trustee is not, however, subject to any liability to any Owner by reason of its failure to mail the notice required by this Section, and any such failure will not affect the validity of such supplemental series resolution when approved and consented to as provided in this Section.

Whenever the City delivers to the Trustee an instrument or instruments in writing purporting to be executed by the Owners of not less than 51% in aggregate principal amount of 2014 Bonds then Outstanding that are affected by a proposed supplemental series resolution, which instrument or instruments shall refer to the proposed supplemental series resolution described in such notice and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice, then the City may adopt such supplemental series resolution in substantially such form, without liability or responsibility to any Owner, whether or not such Owner has consented thereto.

If the Owners of not less than 51% in aggregate principal amount of the 2014 Bonds Outstanding have consented to and approved the adoption thereof as herein provided, to the extent permitted by law, no Owner has any right to object to the adoption of such supplemental series resolution, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the City from adopting the same or from taking any action pursuant to the provisions thereof.

On the adoption of any supplemental series resolution pursuant to the provisions of this Section or Section 7.01, this Appendix A shall be and be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Appendix A, the Trustee and all Owners shall thereafter be determined, exercised and enforced in all respects pursuant to the provisions of this Appendix A as so modified and amended.

Section 6.03. **2014 Bonds Affected.** For purposes of this Appendix A, 2014 Bonds are deemed to be "affected" by a supplemental series resolution if the same adversely affects or diminishes the rights of Owners against the City or the rights of the Owners in the security for such 2014 Bonds. The Trustee may in its discretion determine whether any 2014 Bonds would be affected by any supplemental series resolution and any such determinations is conclusive on the Owners of all 2014 Bonds, whether theretofore or thereafter authenticated and delivered hereunder. The Trustee is not liable for any such determination made in good faith.

Section 6.04. **Exclusion of 2014 Bonds.** 2014 Bonds owned or held by or for the account of the City shall not be deemed Outstanding 2014 Bonds for the purpose of any consent or other action or any calculation of Outstanding 2014 Bonds provided for in this Article, and City as Owner of such 2014
Bonds is not entitled to consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, the City shall furnish the Trustee certificates of the Finance Director, on which the Trustee may rely, describing all 2014 Bonds so to be excluded.

Section 6.05. Responsibilities of Trustee and City Under this Article. The Trustee and the City are entitled to exercise their discretion in determining whether or not any proposed supplemental series resolution or any term or provision therein contained is desirable, after considering the purposes of such instrument, the needs of the City, the rights and interests of the Owners, and the rights, obligations and interests of the Trustee. The Trustee is entitled to receive, and is fully protected in relying on, the opinion of counsel approved by it, who may be bond counsel for the City, as conclusive evidence that any such proposed supplemental series resolution does or does not comply with the provisions of this Appendix A, and that it is or is not proper for it, under the provisions of this Article, to accept such supplemental series resolution.

successor of the Bond Registrar or Paying Agent, respectively.

The City agrees that its undertaking under this Article is intended to be for the benefit of the Owners and the beneficial owners of the 2014 Bonds and is enforceable by the Trustee or by any of them, including an action for specific performance of the City's obligations under this Article, but a failure to comply will not be an event of default under Section 802 of the Bond Order and will not result in acceleration of the payment of the 2014 Bonds. Any annual financial information containing modified operating data or financial information will explain, in narrative form, the reasons for the modification and the impact of the change in the type of operating data or financial information being provided.

Both principal and interest and any premium on the redemption before the maturity of all or part hereof are payable in lawful coin or currency of the United States of America and (except for interest which is payable by check or draft as stated above) are payable at the principal corporate trust office of the Paying Agent in Charlotte, North Carolina.

The 2014A Bonds are special obligations of the City. The principal of, premium, if any, and interest on the 2014A Bonds are not payable from the general funds of the City, nor do they constitute a legal or equitable pledge, charge, lien, or encumbrance on any of its property or on any of its income, receipts, or revenues except the funds which are pledged under the Indenture (hereinafter defined). Neither the credit nor the taxing power of the State or the City are pledged for the payment of the principal of, premium, if any, or interest on the 2014A Bonds, and no owner of this 2014A Bond has the right to compel the exercise of the taxing power by the State or the City or the forfeiture of any of its property in connection with any default.

The 2014A Bonds will be initially delivered by means of a book-entry system with no physical distribution of definitive 2014A Bonds made to the public. One definitive 2014A Bond for each maturity will be delivered to The Depository Trust Company, New York, New York ("DTC"), and immobilized in
its custody. A book-entry system will be employed, evidencing ownership of the 2014A Bonds in Authorized Denominations (hereinafter defined) with transfers of beneficial ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC. Principal of, premium, if any, and interest on this 2014A Bond will be payable to DTC or its nominee as registered owner of the 2014A Bonds by wire transfer in immediately available funds. The City, the Paying Agent and the Trustee are not responsible or liable for maintaining, supervising, or reviewing the records maintained by DTC, its participants or persons acting through such participants.

If (a) DTC determines not to continue to act as securities depository for the 2014A Bonds or (b) the Trustee and the City determine to discontinue the book entry system in accordance with DTC’s rules and the City fails to identify another qualified securities depository to replace DTC, the City will deliver fully registered definitive 2014A Bonds to DTC in accordance with DTC’s rules and procedures.

The City, the Paying Agent, the Bond Registrar and the Trustee have no responsibility or obligation with respect to (a) the accuracy of any records maintained by DTC; (b) the payment by DTC of any amount in respect of the principal of and premium, if any, and interest on the 2014A Bonds; (c) the delivery or timeliness of delivery by DTC of any notice which is required or permitted under the terms of the Indenture (hereinafter defined) to be given to Owners; (d) the selection of Owners to receive payments in the event of any partial redemption of the 2014A Bonds; or (e) any consent given or other action taken by DTC, or its nominee.

This Bond is one of an issue of Bonds designated “Airport Refunding Revenue Bonds, Series 2014A” (the “2014A Bonds”) issued under a bond order adopted by the City Council of the City (the “City Council”) on November 18, 1985, which the City Council supplemented and amended on June 8, 1992 and August 23, 2004 (the “Bond Order”) and a resolution adopted by the City Council on September 22, 2014 (the “Series Resolution”). Unless the context indicates otherwise, all capitalized, undefined terms used herein have the meanings ascribed to them in the Bond Order, the Series Resolution or the Appendix A attached to, and incorporated in, the Series Resolution. The City intends to issue its Airport Refunding Revenue Bonds, Series 2014B (the “2014B Bonds” and collectively with the 2014A Bonds, the “2014 Bonds”) and its Airport Revenue Bond Anticipation Note, Series 2014C (the “2014C Note”), on or about the time the City issues its 2014A Bonds, under the Bond Order. Under the Bond Order, the City has previously issued several series of Bonds (the “Existing Bonds”). The 2014 Bonds, the 2014C Note, the Existing Bonds and any additional Bonds which may be issued under the Bond Order are parity obligations under the Bond Order.

The 2014 Bonds are being issued to pay a portion of the costs (1) to refund in advance of their maturities the 2004A Bonds and the 2004B Bonds (each, as defined in the Series Resolution) and (2) to pay the costs of issuance of the 2014 Bonds.

The 2014A Bonds, together with interest thereon, are special obligations of the City payable solely from Revenues after payment of the Current Expenses of the Airport and constitute a valid claim of the respective Owners thereof only against the funds and other money held by the Trustee for the benefit of the Owners of the 2014A Bonds, which amounts are pledged and assigned pursuant to the Bond Order for the equal and ratably payment of the 2014A Bonds and will be used for no other purpose than to pay the principal of, premium, if any, and interest on the 2014A Bonds, except as may be otherwise expressly authorized in the Bond Order and the Appendix A.

As used herein, “Revenues” means (a) except to the extent hereinafter excluded, all payments, proceeds, fees, charges, rents and all other income derived by or for the City for the use of and for the services and facilities furnished by or from the operation or ownership of, the Airport and all other income derived by the City from the operation or ownership of the Airport and all rights to receive the
same, whether in the form of accounts receivable, contract rights or other rights, and the proceeds of such rights whether now owned or held or hereafter coming into existence, (b) amounts which the City is authorized, but not obligated, to pay or transfer to the Revenue Fund to the extent of any such payments or transfers, including transfers from the Airport Discretionary Fund which amounts shall become Revenues only at the time of payment or transfer of the Revenue Fund, (c) amounts transferred from the Rebate Account to the Revenue Fund following each Fiscal Year, and (d) any proceeds of business interruption insurance. Revenues does not include, unless paid or transferred pursuant to (b) above, (1) any gifts, grants, bequests, contributions or donations; (2) proceeds from the sale and disposition of all or any part of all or any part of the Airport; (3) reimbursements to the City of its advances to the Operating Fund specified in the series resolution relating to the Project Bonds; (4) investment income to the extent of amounts transferred from the Revenue Fund to the Rebate Account as of the last day of each Fiscal Year; (5) the investment income on, and the income and gains realized on the maturity or sale of, securities held by or on behalf of the City in any Funds and Accounts established by the Bond Order, but only to the extent such income and gains are not directed to the Revenue Fund as provided in the Bond Order or in any series resolution; (6) to the extent and for so long as such payments are pledged to secure the financing of the same, debt service from the financing of any facilities to which reference is made in the Bond Order, except to the extent otherwise provided by the City in respect of any such facilities; (7) any proceeds of Eminent Domain or insurance other than the business interruption insurance mentioned above; (8) the investment income on, and the income and gains realized on the maturity or sale of, securities held by or on behalf of the City in the fund in which Airport revenues relating to the period prior to the date of beneficial occupancy under certain 1978 airport agreements are held; (9) taxes collected at the Airport; (10) revenues described in clauses (a) and (c) above of Excluded Cost Centers; and (11) the proceeds of any indebtedness; (12) payments made by the counterparty in connection with any interest rate exchange or swap agreement; and (13) PFC Revenues.

"Current Expenses" means (A) the City's cost of capital items (including the cost of capital leases) in an amount not to exceed in any Fiscal Year 15% of all current expenses as hereinafter determined and budgeted for such Fiscal Year, plus (B) the City's current expenses for the operation, maintenance and repair of the Airport as determined in accordance with generally accepted accounting principles, including, without limiting the generality of the foregoing: (a) all ordinary and usual expenses of operation, maintenance and repair, (b) administrative expenses, (c) salaries, (d) interest with respect to working capital loans, (e) payments to any retirement plan or plans properly chargeable to the Airport, (f) insurance expenses, (g) engineering expenses relating to the operation, maintenance or repair of the Airport, (h) fees and expenses of the Trustee, legal expenses, and fees of consultants, and (i) any other expenses required to be paid by the City under the Bond Order or by law. Current Expenses does not include (u) any reserves for extraordinary replacements or repairs, (v) any allowance for depreciation, (w) any interest other than as provided in (d) above, (x) any principal payment in respect of capital leases, except as permitted under (A) above, or indebtedness other than Bonds, (y) any deposits to any Fund or Account created under the Bond Order and payments of principal, premium, if any, and interest from such Funds and Accounts, or (z) any of the foregoing set forth in paragraphs (A) and (B) with respect to Excluded Cost Centers.

Pursuant to the Bond Order the City has, for the benefit of the Owners of the 2014A Bonds, assigned Net Revenues, the City's rights to receive Net Revenues, the money and Investment Obligations in the Renewal and Improvement Fund to the extent such money and Investment Obligations have not been encumbered by the City and the money and Investment Obligations in the subaccounts of the Revenue Bond Fund relating to the 2014A Bonds, to the Trustee in trust.

Reference is made to the Bond Order and the Series Resolution for a more complete statement of the provisions thereof and of the rights of the City, the Trustee and the Owners of the 2014A Bonds. Copies of the Bond Order and the Series Resolution are on file and may be inspected at the designated
office of the Trustee in Charlotte, North Carolina. By the purchase and acceptance of this 2014A Bond, the Owner hereof signifies assent to all of the provisions of the aforementioned documents.

This Bond is issued and the Bond Order and Series Resolution were made and entered into under and pursuant to the Constitution and laws of the State, and particularly in conformity with the provisions, restrictions and limitations of General Statutes of North Carolina Section 159-80 et seq., as amended.

This Bond is exchangeable on the presentation and surrender hereof at the principal corporate trust office of the Bond Registrar for the 2014A Bonds in Authorized Denominations. On surrender for registration of transfer, duly endorsed for transfer or accompanied by an assignment duly executed by the Owner hereof or his or her attorney duly authorized in writing, the Bond Registrar will authenticate and deliver in the name of the transferee or transferees a new fully registered 2014A Bond or 2014A Bonds. The Bond Registrar may require the payment by any Owner requesting registration of transfer or exchange of 2014A Bonds of any tax, fee or other governmental charge required to be paid with respect to such registration of transfer or exchange. The Bond Registrar is not required to register the transfer of or exchange any 2014A Bonds selected, called or being called for redemption in whole or in part. The person in whose name this Bond is registered will be deemed and regarded as the absolute owner hereof for all purposes, and payment of this Bond will be made only to or on the written order of the Owner hereof to his or her legal representative. All such payments will be valid and effectual to satisfy and discharge this Bond to the extent of the sum or sums paid.

The 2014A Bonds maturing on or after July 1, 2025 may be redeemed before their maturities, at the option of the City, from any funds that may be available for such purpose, either in whole or in part on any date beginning on or after July 1, 2024, at the redemption price, equal to the principal amount of 2014A Bonds to be redeemed, together with accrued interest thereon to the date fixed for redemption.

The 2014A Bonds are subject to optional redemption by the City, in whole or in part on any date at a Redemption Price equal to the principal amount thereof, without premium, plus accrued interest to the date of redemption, on instructions from the City, from the Net Proceeds of insurance or Eminent Domain which are deposited in the Series 2014A Subaccount of the Revenue Bond Redemption Account, as provided in the Bond Order.

The 2014A Bonds are required to be redeemed to the extent of any Sinking Fund Requirement on each July 1 on which there is a Sinking Fund Requirement from money required to be deposited in the applicable subaccount of the Revenue Bond Sinking Fund Account, at a Redemption Price equal to the principal amount of the 2014A Bonds being redeemed, without premium, plus accrued interest to the date of redemption.

The 2014A Bonds maturing on July 1, 20__ are subject to mandatory sinking fund redemption in part without premium on each July 1 in the following amount of the Sinking Fund Requirement per year at a redemption price equal to the amount of 2014A Bonds to be redeemed plus accrued interest thereon to the redemption date and without premium:

Notice of redemption will be given by the Trustee not less than 30 days nor more than 60 days before the Redemption Date (1) to the Commission by Mail or facsimile transmission, (2)(a) to DTC or its nominee by registered or certified mail at the address provided to the Trustee by DTC or as otherwise permitted by DTC’s rules and procedures or (b) if DTC or its nominee is no longer the Owner of the 2014A Bonds, by Mail to the then-registered Owners of 2014A Bonds to be redeemed at the last address shown on the registration books kept by the Bond Registrar and (3) to the Municipal Securities Rulemaking Board (the “MSRB”) in an electronic format as prescribed by the MSRB.

Such notice must (1) specify the 2014A Bonds to be redeemed, the redemption date, the redemption price and the place or places where amounts due on such redemption must be payable (which must be the designated office of the Paying Agent) and if less than all of the 2014A Bonds are to be redeemed, the numbers of the 2014A Bonds and the portions of 2014A Bonds to be redeemed, and (2) state that on the redemption date, the 2014A Bonds to be redeemed will cease to bear interest. If at the time of mailing of notice of redemption there is not on deposit with the Trustee money sufficient to redeem the 2014A Bonds called for redemption, which money is or will be available for redemption of the 2014A Bonds, such notice will state that it is conditional on the deposit of the redemption money with the Trustee not later than the opening of business on the redemption date. Any notice, once given, may be withdrawn by notice delivered in the manner set forth above, on receipt by the Trustee of written instructions from the City with respect to such withdrawal.

Failure to provide such notice to any Owner or any defect therein will not affect the validity of any proceedings for such redemption as to any other Owner to whom such notice was properly given. Failure to provide such notice to the Commission or the securities depositories and national information services as provided above will not affect the validity of any proceedings for such redemption.

If money is on deposit with the Trustee to pay the Redemption Price of the 2014A Bonds called for redemption including premium, if any, thereon on a Redemption Date, 2014A Bonds or portions thereof so called for redemption as hereinabove specified will not bear interest after such Redemption Date and will not be considered to be Outstanding or to have any other rights under the Bond Order other than the right to receive payment. No payment of principal will be made by the Paying Agent on any 2014A Bonds or portions thereof called for redemption until such 2014A Bonds or portions thereof have been delivered for payment or cancellation or the Paying Agent has received the items required by the Bond Order with respect to any mutilated, lost, stolen or destroyed 2014A Bonds.

In the case of any partial redemption of 2014A Bonds, the City will select the 2014A Bonds and the maturity or maturities of the 2014A Bonds to be redeemed and DTC will select the 2014A Bonds within the same maturity pursuant to its rules and procedures or, if the book-entry system with DTC or any other securities depository has been discontinued, the Bond Registrar will select the 2014A Bonds to be redeemed by lot in such manner as the Bond Registrar in its discretion may deem proper.

If a 2014A Bond subject to redemption is in a denomination larger than the minimum Authorized Denomination, a portion of such 2014A Bond may be redeemed, but only in a principal amount such that
the unredeemed portion of such 2014A Bond is equal to an Authorized Denomination. For any 2014A Bond in a denomination of more than the minimum Authorized Denomination, the Trustee shall treat each such 2014A Bond as representing a single 2014A Bond in the minimum Authorized Denomination plus that number of 2014A Bonds that is obtained by dividing the remaining principal amount of such 2014A Bond by the minimum Authorized Denomination.

If it is determined that one or more, but not all, of the Authorized Denominations of principal amount represented by any 2014A Bond is to be called for redemption, then, on written notice of intention to redeem such Authorized Denominations of principal amount of such 2014A Bond, the Owner of such 2014A Bond, on surrender of such 2014A Bond to the Paying Agent for payment of the principal amount of such 2014A Bond, will be entitled to receive new 2014A Bonds in the aggregate principal amount of the unredeemed balance of the principal amount of such 2014A Bond. New 2014A Bonds representing the unredeemed balance of the principal amount of such 2014A Bonds will be issued to the Owner thereof.

If the Owner of any 2014A Bond of a denomination greater than the amount being redeemed fails to present such 2014A Bond to the Paying Agent for payment and exchange as aforesaid, such 2014A Bond will, nevertheless, become due and payable on the date fixed for redemption to the extent of the denomination being redeemed and to that extent only.

The Bond Order permits amendment thereto on the agreement of the City and the Trustee and with the approval of not less than 51% in aggregate principal amount of the Bonds then Outstanding under the Bond Order. The Bond Order also contains provisions permitting the City and the Trustee to enter into amendments to the Bond Order without the consent of the Owners of the Bonds then Outstanding for certain purposes which do not affect adversely the interest of the Owners of the Bonds.

Appendix A permits amendment thereto on the agreement of the City and the Trustee and with the approval of not less than 51% in aggregate principal amount of the 2014A Bonds and the 2014B Bonds then Outstanding. Appendix A also contains provisions permitting the City and the Trustee to enter into amendments to Appendix A without the consent of the Owners of the 2014A Bonds then Outstanding for certain purposes which do not affect adversely the interest of the Owners of the 2014A Bonds.

Any consent or request by the Owner of this 2014A Bond is conclusive and binding on such Owner and on all future Owners of this 2014A Bond and of any 2014A Bond issued on the transfer of this 2014A Bond whether or not notation of such consent or request is made on this 2014A Bond.

This 2014A Bond is issued with the intent that the laws of the State of North Carolina shall govern its legality, validity, enforceability and construction.

All acts, conditions and things required to happen, exist and be performed precedent to and in the issuance of this 2014A Bond and the adoption of the Bond Order and the Series Resolution have happened, existed and have been performed as so required.

This Bond is not valid or does not become obligatory for any purpose or be entitled to any benefit or security under the Bond Order until it has been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed hereon.
IN WITNESS WHEREOF, the City of Charlotte, North Carolina has caused this 2014A Bond to be executed with the manual or facsimile signatures of the City Manager and the City Clerk, and has caused the City's official seal or a facsimile thereof to be impressed or imprinted hereon.

The City, the Paying Agent, the Bond Registrar and the Trustee have no responsibility or obligation with respect to (a) the accuracy of any records maintained by DTC; (b) the payment by DTC of any amount in respect of the principal of and premium, if any, and interest on the 2014B Bonds; (c) the delivery or timeliness of delivery by DTC of any notice which is required or permitted under the terms of the Indenture (hereinafter defined) to be given to Owners; (d) the selection of Owners to receive payments in the event of any partial redemption of the 2014B Bonds; or (e) any consent given or other action taken by DTC, or its nominee.

This Bond is one of an issue of Bonds designated “Airport Refunding Revenue Bonds, Series 2014B” (the “2014B Bonds”) issued under a bond order adopted by the City Council of the City (the “City Council”) on November 18, 1985, which the City Council supplemented and amended on June 8, 1992 and August 23, 2004 (the “Bond Order”) and a resolution adopted by the City Council on December 14, 2009 (the “Series Resolution”). Unless the context indicates otherwise, all capitalized, undefined terms used herein have the meanings ascribed to them in the Bond Order, the Series Resolution or the Appendix A attached to, and incorporated in, the Series Resolution. The City intends to issue its Airport Refunding Revenue Bonds, Series 2014A (the “2014A Bonds” and collectively with the 2014B, the “2014 Bonds”) and its Airport Revenue Bond Anticipation Note, Series 2014 (the “2014C Note”), on or about the time the City issues its 2014B Bonds, under the Bond Order. Under the Bond Order, the City has previously issued several series of Bonds (the “Existing Bonds”). The 2014A Bonds, the 2014B Bonds, the 2014C Note, the Existing Bonds and any additional Bonds which may be issued under the Bond Order are parity obligations under the Bond Order.

The 2014 Bonds are being issued to pay a portion of the costs (1) to refund in advance of their maturities the 2004A Bonds and the 2004B Bonds (as defined in the Series Resolution) and (2) to pay the costs of issuance of the 2014 Bonds.

The 2014B Bonds, together with interest thereon, are special obligations of the City payable solely from Revenues after payment of the Current Expenses of the Airport and constitute a valid claim of the respective Owners thereof only against the funds and other money held by the Trustee for the benefit of the Owners of the 2014B Bonds, which amounts are pledged and assigned pursuant to the Bond Order for the equal and ratable payment of the 2014B Bonds and will be used for no other purpose than to pay the principal of, premium, if any, and interest on the 2014B Bonds, except as may be otherwise expressly authorized in the Bond Order and the Appendix A.

As used herein, “Revenues” means (a) except to the extent hereinafter excluded, all payments, proceeds, fees, charges, rents and all other income derived by or for the City for the use of and for the services and facilities furnished by or from the operation or ownership of, the Airport and all other income derived by the City from the operation or ownership of the Airport and all rights to receive the
same, whether in the form of accounts receivable, contract rights or other rights, and the proceeds of such rights whether now owned or held or hereafter coming into existence, (b) amounts which the City is authorized, but not obligated, to pay or transfer to the Revenue Fund to the extent of any such payments or transfers, including transfers from the Airport Discretionary Fund which amounts shall become Revenues only at the time of payment or transfer of the Revenue Fund, (c) amounts transferred from the Rebate Account to the Revenue Fund following each Fiscal Year, and (d) any proceeds of business interruption insurance. Revenues does not include, unless paid or transferred pursuant to (b) above, (1) any gifts, grants, bequests, contributions or donations; (2) proceeds from the sale and disposition of all or any part of all or any part of the Airport; (3) reimbursements to the City of its advances to the Operating Fund specified in the series resolution relating to the Project Bonds; (4) investment income to the extent of amounts transferred from the Revenue Fund to the Rebate Account as of the last day of each Fiscal Year; (5) the Investment income on, and the income and gains realized on the maturity or sale of, securities held by or on behalf of the City in any Funds and Accounts established by the Bond Order, but only to the extent such income and gains are not directed to the Revenue Fund as provided in the Bond Order or in any series resolution; (6) to the extent and for so long as such payments are pledged to secure the financing of the same, debt service from the financing of any facilities to which reference is made in the Bond Order, except to the extent otherwise provided by the City in respect of any such facilities; (7) any proceeds of Eminent Domain or insurance other than the business interruption insurance mentioned above; (8) the investment income on, and the income and gains realized on the maturity or sale of, securities held by or on behalf of the City in the fund in which Airport revenues relating to the period prior to the date of beneficial occupancy under certain 1978 airport agreements are held; (9) taxes collected at the Airport; (10) revenues described in clauses (a) and (c) above of Excluded Cost Centers; and (11) the proceeds of any indebtedness; (12) payments made by the counterparty in connection with any interest rate exchange or swap agreement; and (13) PFC Revenues.

"Current Expenses" means (A) the City's cost of capital items (including the cost of capital leases) in an amount not to exceed in any Fiscal Year 15% of all current expenses as hereinafter determined and budgeted for such Fiscal Year, plus (B) the City's current expenses for the operation, maintenance and repair of the Airport as determined in accordance with generally accepted accounting principles, including, without limiting the generality of the foregoing: (a) all ordinary and usual expenses of operation, maintenance and repair, (b) administrative expenses, (c) salaries, (d) interest with respect to working capital loans, (e) payments to any retirement plan or plans properly chargeable to the Airport, (f) insurance expenses, (g) engineering expenses relating to the operation, maintenance or repair of the Airport, (h) fees and expenses of the Trustee, legal expenses, and fees of consultants, and (i) any other expenses required to be paid by the City under the Bond Order or by law. Pursuant to the Bond Order the City has, for the benefit of the Owners of the 2014B Bonds, assigned Net Revenues, the City's rights to receive Net Revenues, the money and Investment Obligations in the Renewal and Improvement Fund to the extent such money and Investment Obligations have not been encumbered by the City and the money and Investment Obligations in the subaccounts of the Revenue Bond Fund relating to the 2014B Bonds, to the Trustee in trust.

Reference is made to the Bond Order and the Series Resolution for a more complete statement of the provisions thereof and of the rights of the City, the Trustee and the Owners of the 2014B Bonds. Copies of the Bond Order and the Series Resolution are on file and may be inspected at the designated
office of the Trustee in Charlotte, North Carolina. By the purchase and acceptance of this 2014B Bond, the Owner hereof signifies assent to all of the provisions of the aforementioned documents.

This Bond is issued and the Bond Order and Series Resolution were made and entered into under and pursuant to the Constitution and laws of the State, and particularly in conformity with the provisions, restrictions and limitations of General Statutes of North Carolina Section 159-80 et seq., as amended.

This Bond is exchangeable on the presentation and surrender hereof at the principal corporate trust office of the Bond Registrar for the 2014B Bonds in Authorized Denominations. On surrender for registration of transfer, duly endorsed for transfer or accompanied by an assignment duly executed by the Owner hereof or his or her attorney duly authorized in writing, the Bond Registrar will authenticate and deliver in the name of the transferee or transferees a new fully registered 2014B Bond or 2014B Bonds. The Bond Registrar may require the payment by any Owner requesting registration of transfer or exchange of 2014B Bonds of any tax, fee or other governmental charge required to be paid with respect to such registration of transfer or exchange. The Bond Registrar is not required to register the transfer of or exchange any 2014B Bonds selected, called or being called for redemption in whole or in part. The person in whose name this Bond is registered will be deemed and regarded as the absolute owner hereof for all purposes, and payment of this Bond will be made only to or on the written order of the Owner hereof to his or her legal representative. All such payments will be valid and effectual to satisfy and discharge this Bond to the extent of the sum or sums paid.

The 2014B Bonds maturing on or after July 1, 2025 may be redeemed before their maturities, at the option of the City, from any funds that may be available for such purpose, either in whole or in part on any date beginning on or after July 1, 2024, at the redemption price, equal to the principal amount of 2014B Bonds to be redeemed, together with accrued interest thereon to the date fixed for redemption.

The 2014B Bonds are subject to optional redemption by the City, in whole or in part on any date at a Redemption Price equal to the principal amount thereof, without premium, plus accrued interest to the date of redemption, on instructions from the City, from the Net Proceeds of insurance or Eminent Domain which are deposited in the Series 2014B Subaccount of the Revenue Bond Redemption Account, as provided in the Bond Order. The 2014B Bonds are not otherwise subject to optional redemption by the City.

The 2014B Bonds are required to be redeemed to the extent of any Sinking Fund Requirement on each July 1 on which there is a Sinking Fund Requirement from money required to be deposited in the applicable subaccount of the Revenue Bond Sinking Fund Account, at a Redemption Price equal to the principal amount of the 2014B Bonds being redeemed, without premium, plus accrued interest to the date of redemption.

The 2014B Bonds maturing on July 1, 20_ are subject to mandatory sinking fund redemption in part without premium on each July 1 in the following amount of the Sinking Fund Requirement per year at a redemption price equal to the amount of 2014B Bonds to be redeemed plus accrued interest thereon to the redemption date and without premium:

Notice of redemption will be given by the Trustee not less than 30 days nor more than 60 days before the Redemption Date (1) to the Commission by Mail or facsimile transmission, (2)(a) to DTC or its nominee by registered or certified mail at the address provided to the Trustee by DTC or as otherwise permitted by DTC’s rules and procedures or (b) if DTC or its nominee is no longer the Owner of the 2014B Bonds, by Mail to the then-registered Owners of 2014B Bonds to be redeemed at the last address shown on the registration books kept by the Bond Registrar and (3) to the Municipal Securities Rulemaking Board (the “MSRB”) in an electronic format as prescribed by the MSRB.

Such notice must (1) specify the 2014B Bonds to be redeemed, the redemption date, the redemption price and the place or places where amounts due on such redemption must be payable (which must be the designated office of the Paying Agent) and if less than all of the 2014B Bonds are to be redeemed, the numbers of the 2014B Bonds and the portions of 2014B Bonds to be redeemed, and (2) state that on the redemption date, the 2014B Bonds to be redeemed will cease to bear interest. If at the time of mailing of notice of redemption there is not on deposit with the Trustee money sufficient to redeem the 2014B Bonds called for redemption, which money is or will be available for redemption of the 2014B Bonds, such notice will state that it is conditional on the deposit of the redemption money with the Trustee not later than the opening of business on the redemption date. Any notice, once given, may be withdrawn by notice delivered in the manner set forth above, on receipt by the Trustee of written instructions from the City with respect to such withdrawal.

Failure to provide such notice to any Owner or any defect therein will not affect the validity of any proceedings for such redemption as to any other Owner to whom such notice was properly given. Failure to provide such notice to the Commission or the securities depositories and national information services as provided above will not affect the validity of any proceedings for such redemption.

If money is on deposit with the Trustee to pay the Redemption Price of the 2014B Bonds called for redemption including premium, if any, thereon on a Redemption Date, 2014B Bonds or portions thereof so called for redemption as hereinabove specified will not bear interest after such Redemption Date and will not be considered to be Outstanding or to have any other rights under the Bond Order other than the right to receive payment. No payment of principal will be made by the Paying Agent on any 2014B Bonds or portions thereof called for redemption until such 2014B Bonds or portions thereof have been delivered for payment or cancellation or the Paying Agent has received the items required by the Bond Order with respect to any mutilated, lost, stolen or destroyed 2014B Bonds.

In the case of any partial redemption of 2014B Bonds, the City will select the 2014B Bonds and the maturity or maturities of the 2014B Bonds to be redeemed and DTC will select the 2014B Bonds within the same maturity pursuant to its rules and procedures or, if the book-entry system with DTC or any other securities depository has been discontinued, the Bond Registrar will select the 2014B Bonds to be redeemed by lot in such manner as the Bond Registrar in its discretion may deem proper.

If a 2014B Bond subject to redemption is in a denomination larger than the minimum Authorized Denomination, a portion of such 2014B Bond may be redeemed, but only in a principal amount such that the unredeemed portion of such 2014B Bond is equal to an Authorized Denomination. For any 2014B Bond in a denomination of more than the minimum Authorized Denomination, the Trustee shall treat each such 2014B Bond as representing a single 2014B Bond in the minimum Authorized Denomination plus that number of 2014B Bonds that is obtained by dividing the remaining principal amount of such 2014B Bond by the minimum Authorized Denomination.

If it is determined that one or more, but not all, of the Authorized Denominations of principal amount represented by any 2014B Bond is to be called for redemption, then, on written notice of intention to redeem such Authorized Denominations of principal amount of such 2014B Bond, the Owner of such
2014B Bond, on surrender of such 2014B Bond to the Paying Agent for payment of the principal amount of such 2014B Bond, will be entitled to receive new 2014B Bonds in the aggregate principal amount of the unredeemed balance of the principal amount of such 2014B Bond. New 2014B Bonds representing the unredeemed balance of the principal amount of such 2014B Bonds will be issued to the Owner thereof.

If the Owner of any 2014B Bond of a denomination greater than the amount being redeemed fails to present such 2014B Bond to the Paying Agent for payment and exchange as aforesaid, such 2014B Bond will, nevertheless, become due and payable on the date fixed for redemption to the extent of the denomination being redeemed and to that extent only.

The Bond Order permits amendment thereto on the agreement of the City and the Trustee and with the approval of not less than 51% in aggregate principal amount of the Bonds then Outstanding under the Bond Order. The Bond Order also contains provisions permitting the City and the Trustee to enter into amendments to the Bond Order without the consent of the Owners of the Bonds then Outstanding for certain purposes which do not affect adversely the interest of the Owners of the Bonds.

Appendix A permits amendment thereto on the agreement of the City and the Trustee and with the approval of not less than 51% in aggregate principal amount of the 2014A Bonds, the 2014B Bonds and the 2014B Bonds then Outstanding. Appendix A also contains provisions permitting the City and the Trustee to enter into amendments to Appendix A without the consent of the Owners of the 2014B Bonds then Outstanding for certain purposes which do not affect adversely the interest of the Owners of the 2014B Bonds.

Any consent or request by the Owner of this 2014B Bond is conclusive and binding on such Owner and on all future Owners of this 2014B Bond and of any 2014B Bond issued on the transfer of this 2014B Bond whether or not notation of such consent or request is made on this 2014B Bond.

This 2014B Bond is issued with the intent that the laws of the State of North Carolina shall govern its legality, validity, enforceability and construction.

All acts, conditions and things required to happen, exist and be performed precedent to and in the issuance of this 2014B Bond and the adoption of the Bond Order and the Series Resolution have happened, existed and have been performed as so required.

This Bond is not valid or does not become obligatory for any purpose or be entitled to any benefit or security under the Bond Order until it has been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed hereon.

ARTICLE II.

AUTHORIZATION, FORM, ISSUANCE, DELIVERY AND REGISTRATION OF NOTE

Section 2.01. Authorization of Financing and Authorization of the Note. The financing of the Projects is hereby authorized. For the purpose of providing funds for the financing of the Projects and paying the costs of issuing the Note, there is hereby authorized and shall be issued, under and pursuant to the Constitution and the laws of the State, including the Act, the Bond Order and the Series Resolution and this Appendix A, the Note of the City in the amount and subject to the conditions herein provided. No Note may be issued under the provisions of this Appendix A and the Bond Order except in accordance with this Article. The total principal amount of the Note that may be issued is hereby expressly limited to the Stated Principal Amount, except as provided in Sections 204 and 210 of the Bond Order.

Section 2.02. Issuance of the Note. The Note will be designated “City of Charlotte, North Carolina Airport Revenue Bond Anticipation Note, Series 2014C.” The Note will be issuable as fully registered note in any Authorized Denomination. The Note will be numbered RC-1. The Note will be substantially in the form set forth in Exhibit A with such appropriate variations, omissions and insertions as are permitted or required by this Appendix.

Section 2.03. Delivery of the Note. Before the delivery by the Trustee of the Note, the items required under Section 717 of the Bond Order must be filed with the Trustee. The Note will be deposited with the Bond Registrar for authentication, but before the Note may be authenticated and delivered by the Bond Registrar to the State Treasurer for redelivery to the Purchaser, there must be filed with the Trustee the following:

1. a copy, certified by the City Clerk, of the Series Resolution;

2. a copy, certified by the Secretary or any Deputy Secretary of the Commission, of the resolution of the Commission approving the issuance of and awarding the Note;

3. a copy, certified by the City Clerk, of the Bond Order;

4. an opinion of the Airport’s Attorney to the effect that the City has title to the Airport, subject to Permitted Encumbrances or other exceptions satisfactory to the Purchaser;

5. evidence of compliance by the City with the provisions of Section 717 of the Bond Order;
6. copies of insurance certificates and a statement, signed by the City’s Director of Insurance and Risk Management or insurance agent, to the effect that the insurance required by the Bond Order is in effect; and

7. an opinion of the City Attorney stating that (i) the Series Resolution has been duly and validly adopted by the City, (ii) no provision of the Bond Order or the Series Resolution violates any provision of the Act or results in or constitutes a default under any agreement, indenture or other instrument to which the City is a party or by which the City may be bound, and of which he has knowledge, (iii) the City’s adoption of the Series Resolution and execution and issuance of the Note are not subject to any authorization, consent, approval or review of any governmental body, public officer or regulatory authority not theretofore obtained or effected, and no taxes are payable in connection therewith, and (iv) the form, terms, execution, issuance and delivery of the Note have been duly and validly authorized by the City, and the Note constitutes a valid and binding special obligation of the City in accordance with its terms.

When the documents mentioned in paragraphs (1) to (7) of this Section have been filed with the Trustee and when the Note have been executed and authenticated as required by this Series Resolution, the Trustee shall deliver the Note at the times as prescribed in the Note Purchase Agreement to the State Treasurer for redelivery to or on the order of the Purchaser, but only on payment to the Trustee of the initial purchase price of the Note as set forth in the Note Purchase Agreement. The Trustee is entitled to rely on the resolutions and certificates mentioned in paragraphs (1) through (7) of this Section as to all matters stated therein.

Section 2.04. Details of the Note; Payment.

(a) The Note will mature, subject to prepayment as set forth herein, on November 6, 2022 and will bear interest at the Interest Rate. Interest payable on the Note shall be determined based on the Principal Amount of the Note. The amount of interest payable on each Interest Payment Date shall be calculated by the Purchaser in accordance with the Note Purchase Agreement and confirmed by the Trustee. Interest on the Note will be payable in arrears.

(b) Both the principal of and the interest on the Note are payable in any lawful coin or currency of the United States of America which on the respective dates of payment thereof is legal tender for the payment of public and private debts. The Note shall bear interest from its date until its principal sum has been paid, but if such Note has matured or has been called for prepayment and the Prepayment Date has occurred and funds are available for the payment thereof in full in accordance with the terms of the Bond Order, such Note shall then cease to bear interest as of the maturity date or Prepayment Date, as applicable. The Note will be dated as of its date of issuance, except that a Note issued in exchange for or on the registration of transfer of the Note will be dated as of the Interest Payment Date next preceding the date of authentication thereof, unless (1) the date of such authentication precedes the first Interest Payment Date, in which case it will be dated as of the date of the initial issuance of the Note or (2) the date of such authentication is an Interest Payment Date to which interest on the Note has been paid in full or duly provided for in accordance with the terms of this Appendix, in which case it will be dated as of such Interest Payment Date; except that if, as shown by the records of the Paying Agent, interest on the Note is in default, the Note executed and delivered in exchange for or on registration of transfer of the Note will be dated as of the date to which interest on the Note has been paid in full. If no interest has been paid on the Note, the Note executed and delivered in exchange for or on the registration of transfer of the Note will be dated as of the initial issuance of the Note.
(c) The Note is payable at the designated corporate trust office of the Paying Agent without the need for presentation and surrender of the Note. Interest on the Note will be paid by the Paying Agent by check or draft mailed on the Interest Payment Date to the Owner as its name and address appear on the registration books kept by the Bond Registrar at the close of business on the Record Date. At the written request of the Owner, principal and interest may be payable by wire transfer at the address specified in writing by the Owner to the Paying Agent by the Record Date. CUSIP number identification, if such is assigned to the Note, with appropriate dollar amounts for the CUSIP number shall accompany all payments of principal of, premium, if any, and interest on the Note, whether by check or by wire transfer. Notwithstanding the foregoing, so long as the Owner of the Note is the Purchaser, all amounts due under the Note will be paid and will be payable in accordance with the Note Purchase Agreement.

(d) U.S. Bank National Association, Charlotte, North Carolina, is hereby appointed as Bond Registrar with respect to the Note.

Section 2.05. Arbitrage and Tax Covenants. The City covenants that it will not take or permit, or omit to take or cause to be taken, any action that would adversely affect the exclusion from federal income taxation of the interest on the Note and, if it should take or permit, or omit to take or cause to be taken, any such action, the City will take or cause to be taken all lawful actions within its power necessary to rescind or correct such actions or omissions promptly upon having knowledge thereof. The City acknowledges that the continued exclusion of interest on the Note from an Owner's gross income for federal income tax purposes depends, in part, on compliance with the arbitrage limitations imposed by Section 148 of the Code. The City covenants that it will comply with all the requirements of Section 148 of the Code, including the rebate requirements, and that it will not permit at any time any of the proceeds of the Note or other funds under their control to be used, directly or indirectly, to acquire any asset or obligation, the acquisition of which would cause the Note to be “arbitrage bonds” for purposes of Section 148 of the Code.

Section 2.06. Restriction on Transfer of the Note. This Note may only be in an Authorized Denomination and may not be transferred other than to (a) an affiliate of the Purchaser who is a “qualified institutional buyer” as defined in Rule 144A promulgated under the Securities Act of 1933, as amended, (b) a trust or custodial arrangement established by the purchaser or one of its affiliates, the owners of the beneficial interests in which are limited to qualified institutional buyers, or (c) to a person that is a qualified institutional buyer that is a commercial bank having a combined capital and surplus, determined as of the date of any transfer pursuant to this section, of $5,000,000,000 or more that has executed and delivered to the City an investor letter in the form of Exhibit A to the Note Purchase Agreement. In no event shall the Note be transferred to any person or entity who holds the Note for the benefit of a person or entity that is not a qualified institutional buyer or as part of a pool of assets in which persons that are not qualified institutional buyers may invest, such as a mutual fund or retirement plan.

The Paying Agent will have no obligation to pay any amounts due on the Note to anyone other than the Owner of the Note as shown on the registration books kept by the Bond Registrar.

[End of Article II]
ARTICLE III

PREPAYMENT OF THE NOTE

Section 3.01. Privilege of Prepayment and Prepayment Price. The Note is redeemable, on notice as provided below, at the times, at the prepayment prices and on the terms contained in this Article III and in Article III of the Bond Order.

Section 3.02. Optional Prepayment of the Note. The City may prepay the Note, either in whole or in part, on any Interest Payment Date at a prepayment price equal to 100% of the principal amount thereof, without premium, plus the accrued interest thereon to the Prepayment Date.

Section 3.03. Mandatory Prepayment of the Note. The City shall prepay the Note in whole on the Full Funding Date at a prepayment price equal to 100% of the principal amount thereof, without premium, plus the accrued interest thereon to the Prepayment Date, unless the Note is eligible for the Amortization Period under Section 3(e) of the Note Purchase Agreement, in which case the City will not be required to prepay the Note on the Full Funding Date and the Note will continue to be Outstanding and will be prepaid during the Amortization Period as set forth in Section 3(e) of the Note Purchase Agreement.

Section 3.04. Notice of Prepayment. Notice of prepayment under Section 3.02 will be given by the Trustee not less than 30 days (or such lesser period of time as may be agreed to by the Owner of the Note) before the Prepayment Date (1) to the Commission by Mail or facsimile transmission, and (2) by Mail or by such other means as may be permitted by the Owner to the then-registered Owner of the Note at the last address shown on the registration books kept by the Bond Registrar.

Such notice must (1) specify the Prepayment Date, the prepayment price and the place or places where amounts due on such prepayment must be payable (which must be the designated office of the Paying Agent) and if less than all of the Note is to be prepaid, the portion of the Note to be prepaid, and (2) state that on the Prepayment Date, the Note or portion thereof to be prepaid will cease to bear interest.

Failure to provide such notice to the Commission will not affect the validity of any proceedings for such prepayment.

If money is on deposit with the Trustee to pay the prepayment price of the Note, or portion thereof, called for prepayment on a Prepayment Date, the Note or portion thereof so called for prepayment as hereinabove specified will not bear interest after such Prepayment Date and will not be considered to be Outstanding or to have any other rights under the Bond Order other than the right to receive payment.

Section 3.05. Payment of Prepayment Price. The City will cause to be deposited in the Series 2014C Subaccount of the Revenue Bond Redemption Account, solely out of Net Revenues, an amount sufficient to pay the principal of and interest on the Note, or portion thereof, to be prepaid on the Prepayment Date, and the Note, or portion thereof, will be deemed to be paid within the meaning of Section 305 of the Bond Order.

Section 3.06. Record of Prepayment. The Trustee will record any prepayments of the Note on the Table of Partial Prepayment attached to the Note (or otherwise kept on the Trustee's official books and records, which may be electronic records).
Section 3.07. **No Partial Prepayment After Default.** Anything in this Appendix A to the contrary notwithstanding, if an Event of Default occurs and is continuing hereunder there will be no prepayment of less than all of the Note Outstanding.

[End of Article III]

ARTICLE IV.

**ADVANCES, ACCOUNTS AND FUNDS**

Section 4.01. **Establishment of Accounts.** The following Subaccounts are hereby established with, and shall be held by, the Trustee under the Bond Order:

(a) Series 2014C Construction Account of the Construction Fund; and

(b) Series 2014C Subaccount of the Revenue Bond Redemption Account.

The Note will not be secured by any Subaccount of the Revenue Bond Reserve Account.

The City’s obligation under the Bond Order to make deposits from the Revenue Fund to a subaccount of the Revenue Bond Principal Account, the Revenue Bond Interest Account or the Revenue Bond Sinking Fund Account with respect to its obligations under the Note shall be deemed satisfied and discharged to the extent of any corresponding payment made by the City directly to the Purchaser pursuant to this Appendix A and the Note Purchase Agreement.

Promptly following the occurrence of an Event of Default under the Bond Order, the City shall (1) deliver to the Trustee and the Purchaser written direction to the Trustee (a) establishing a Series 2014C Subaccount within each such Account in accordance with Section 501 of the Bond Order, (b) specifying the dates on which any deposits into each such Series 2014C Subaccount are to begin and the amounts required to be deposited in accordance with Section 503 of the Bond Order, and (c) instructing the Trustee as to the application of the funds held in each such 2014C Subaccount. Following the delivery of such written direction, the City shall cause all amounts due under the Note and this Appendix A, including payments of principal of and interest on the Note, to be deposited with the Trustee as provided in such written direction.

Section 4.02. **Advance of Note Proceeds.** The City and the Trustee acknowledge and agree that prior to the earliest to occur of (a) the date when the sum of the aggregate Advances made hereunder equals the Stated Principal Amount, (b) the date on which the Purchaser’s obligation to make Advances under the Note Purchase Agreement terminates or (c) the Full Funding Date (the “Advance Termination Date”), the proceeds of the Note will be disbursed in installments through the making of Advances by the Purchaser in accordance with the Note Purchase and Advance Agreement. The date and amount of each Advance shall be noted on the Table of Advances attached to the Note (or otherwise kept on the Trustee’s official books and records, which may be electronic records); provided that the failure to record any such Advance on the Table of Advances shall not affect the Principal Amount due. In no event may the total amount of all Advances exceed the Stated Principal Amount. Following the Advance Termination Date, no additional Advances may be made. On the Advance Termination Date, the positive difference, if any, between the Stated Principal Amount and the aggregate principal amount of all Advances made under the Note Purchase Agreement shall be deemed to have been prepaid automatically and without any further notice or act by the Trustee, the City or any other Person. Any such automatic prepayment of principal shall not be taken into consideration in determining the Principal Amount of the Note and shall not be recorded on the Table of Partial Prepayment attached to the Note.
Section 4.03. **Application of Note Proceeds.**

(a) The Proceeds from each Advance will be deposited by the Purchaser with the Trustee, and the Trustee shall deposit such amounts in the Series 2014A Construction Account of the Construction Fund.

(b) The proceeds of the Note will be applied for the payment of Costs of the Projects in accordance with Article IV of the Bond Order.

Section 4.04. **Investment of Money.** Money held for the credit of all subaccounts or accounts established under this Appendix A on deposit with the Trustee are to be continuously invested and reinvested by the Trustee in such Investment Obligations as the City may direct to the extent practicable. Any such Investment Obligations shall mature not later than the respective dates when the money held for the credit of such subaccounts or accounts will be required for the purposes intended. No Investment Obligations in any such subaccount or account may mature beyond the maturity date of the Note.

The interest accruing on Investment Obligations in the subaccounts established hereunder and any profit or loss realized on the disposition or maturity of such Investment Obligations are to be credited to or charged against the following Funds, accounts and subaccounts: interest and profit or loss resulting from each of the subaccounts established under Section 4.01 other than the Series 2014A Construction Account of the Construction Fund shall be credited to or charged against the Revenue Fund, and interest and profit or loss resulting from the Series 2014A Construction Account of the Construction Fund shall be credited to or charged against that account.

Section 4.05. **Payment of Principal and Interest and Pledge of Net Revenues.** The City covenants that it will promptly pay the principal of and the interest on every Note issued under this Appendix A at the places, on the dates and in the manner provided herein, in the Note and in the Note Purchase Agreement, according to the true intent and meaning thereof. The City represents and covenants that it is duly authorized under the Constitution and laws of the State, particularly the Act, to issue the Note authorized hereby and to pledge the Net Revenues in the manner and to the extent herein and in the Bond Order set forth; that all action on its part for the issuance of the Note initially issued hereunder has been duly and effectively taken; and that such Note in the hands of the Owners thereof are and will be valid and binding special obligations of the City according to their terms.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHARLOTTE,
NORTH CAROLINA, REQUESTING THE LOCAL GOVERNMENT
COMMISSION’S APPROVAL OF THE CITY’S STORM WATER FEE
REVENUE AND REVENUE REFUNDING BONDS AND CERTAIN RELATED
MATTERS.

WHEREAS, the City Council (the “City Council”) of the City of Charlotte, North Carolina (the “City”) hereby determines that it is desirable to (1) finance the costs of additions and capital improvements to, or the acquisition, renewal or replacement of capital assets of, or purchasing and installing new equipment relating to the operation and maintenance of the storm water facilities located within the jurisdiction of the City (collectively, the “2014 Project”) and (2) refund the City’s Storm Water Fee Revenue Bonds, Series 2004 maturing on and after June 1, 2015 (the “2004 Bonds”) in order to achieve debt service savings;

WHEREAS, the City Council is considering the issuance of the City’s Storm Water Fee Revenue and Revenue Refunding Bonds, Series 2014 (the “2014 Bonds”) in an aggregate principal amount not to exceed $117,000,000 to pay the costs of the 2014 Project and to refund the 2004 Bonds;

WHEREAS, the City Council wants to (1) retain Parker Poe Adams & Bernstein LLP, as bond counsel; (2) retain Wells Fargo Bank, National Association and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as underwriters for the 2014 Bonds (collectively, the “Underwriters”); (3) approve the selection by the Underwriters of McGuireWoods LLP, as underwriters’ counsel; (4) retain DEC Associates, Inc., as financial advisor; (5) retain Waters and Company, LLC, as financial consultant; and (6) retain U.S. Bank National Association, as trustee for the 2014 Bonds (collectively, the “Financing Team”);

WHEREAS, the Finance Director of the City has filed with the Local Government Commission of North Carolina (the “Commission”) an application for its approval of the 2014 Bonds, requesting that the
Commission approve (1) the negotiation of the sale of the 2014 Bonds to the Underwriters and (2) the City’s use of the Financing Team in connection with the issuance of the 2014 Bonds;

WHEREAS, in connection with such application, the City Council wants the Finance Director of the City (1) to provide the Commission with such facts and information in regard to the 2014 Bonds and to the City and its financial condition as the Commission may require and (2) to take all other action necessary for the issuance of the 2014 Bonds.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF CHARLOTTE, NORTH CAROLINA DOES RESOLVE AS FOLLOWS:

Section 1. The 2014 Bonds are to be issued by the City for the purpose of providing funds (a) to finance the costs of the 2014 Project, (b) to refund the 2004 Bonds and (c) to pay the costs of issuing the 2014 Bonds. The use of the proceeds of the 2014 Bonds to finance the 2014 Project, as described, is necessary in order to meet the expanding needs of the users of the City’s storm water system and to assure that the City’s storm water system remains in full compliance with all state and federal requirements for the provision of storm water system services. The use of the proceeds of the 2014 Bonds to refund the 2004 Bonds, as described, is necessary in order to achieve debt service savings for the City.

Section 3. The filing of the application with the Commission for its approval of the issuance of the 2014 Bonds is hereby ratified and approved. Section 4. The City Council finds and determines and asks the Commission to find and determine from the City’s application and supporting documentation as follows:

(a) the issuance of the 2014 Bonds is necessary or expedient;

(b) the maximum stated principal amount of the 2014 Bonds will be sufficient but is not excessive, when added to other moneys available for such purpose, to (1) finance the 2014 Project and (2) refinance the projects financed and refinanced with the 2004 Bonds and achieve debt service savings for the benefit of the users of the storm water system;

(c) the City’s storm water system as now constituted, and as it will be constituted after the completion of the 2014 Project, is feasible;

(d) the City’s debt management procedure and policies are excellent; and

(e) the 2014 Bonds can be marketed at a reasonable interest cost to the City.
