The sponsor shall operate and maintain the Airport as Provided in the Project Application incorporated herein and specifically covenants and agrees, in accordance with its Assurance 20 in Part V of said Application For Federal Assistance (For Construction Programs), that in its operation and the operation of all facilities thereof, neither it nor any person or organization occupying space or facilities thereon will discriminate against any person or class of persons by reason of race, color, creed or national origin in the use of any of the facilities provided for the public on the airport.

6. The FAA reserves the right to amend or withdraw this Offer at any time prior to its acceptance by the Sponsor.

7. This Offer shall expire and the United States shall not be obligated to pay any part of the costs of the Project unless this Offer has been accepted by the Sponsor on or before September 28, 1979 or such subsequent date as may be prescribed in writing by the FAA.

8. The Sponsor hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any federal program involving such grant, contract, loan, insurance, or guarantee, the following Equal Opportunity clause.

During the performance of this contract, the contractor agrees as follows:

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, sex or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this non-discrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

(3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

FAA Form 5100-13 (2/75)
(4) The contractor will comply with all provisions of Executive Order 11246 of 24 September 1965 and the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The contractor will furnish all information and reports required by Executive Order 11246 of 24 September 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the contractor's noncompliance with the non-discrimination clauses of this contract or with any of the said rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of 24 September 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of 24 September 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.

(7) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of 24 September 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance; Provided, however, that in the event a contractor becomes involved in, or is threatened with litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The Sponsor further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The Sponsor agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor that it will furnish the administering agency with the Secretary of Labor such information as they may require.

A Form 5100-13
for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The Sponsor further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of 24 September 1965 with a contractor debarred from, or who has not assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part III, Subpart D of the Executive Order. In addition, the Sponsor agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the Sponsor under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from the Sponsor; or refer the case to the Department of Justice for appropriate legal proceedings.

9. The Sponsor's financial records of the project, established, maintained, and made available to personnel of the FAA in conformity to Section 152.63 of the Regulations of the Federal Aviation Administration (14 CFR 152) will also be available to representatives of the Comptroller General of the United States.

10. It is understood and agreed that the term "Project Application" wherever it appears in this agreement or other documents constituting a part of this agreement shall be deemed to mean "Application For Federal Assistance (For Construction Programs)."

11. The Sponsor will send a copy of all Invitations for Bids, advertised or negotiated, for concessions or other businesses at the airport to the appropriate Office of Minority Business Enterprise (OMB) representative as identified by the FAA Regional Civil Rights Office. The Sponsor will disclose and make information about the contracts, contracting procedures and requirements available to the designated OMB representative and minority firms on the same basis that such information is disclosed and made available to other organizations or firms. Responses by minority firms to Invitations for Bids shall be treated in the same manner as all other responses to the Invitations for Bids.

Compliance with the preceding paragraph will be deemed to constitute compliance by the Sponsor with requirements of 49 CFR 21 Appendix C(a)(1)(x), Regulations of the Office of the Secretary of Transportation.
12. It is understood and agreed that no part of the federal share of an airport development project for which a grant is made under the Airport and Airway Development Act of 1970, as amended (49 U.S.C. 1701 et seq.), or under the Federal Airport Act, as amended (49 U.S.C. 1101 et seq.), shall be included in the rate base in establishing fees, rates, and charges for users of the airport.

13. This project and all work performed thereunder is subject to the Clean Air Act and the Federal Water Pollution Control Act. Accordingly,

(A) The sponsor hereby stipulates that any facility to be utilized in performance under the grant or to benefit from the grant is not listed on the EPA list of violating facilities.

(B) The sponsor agrees to comply with all the requirements of Section 114 of the Clean Air Act and Section 308 of the Federal Water Pollution Control Act and all regulations issued thereunder.

(C) The sponsor shall notify the FAA of the receipt of any communication from the EPA indicating that a facility to be utilized for performance of or benefit from the grant is under consideration to be listed on the EPA list of violating facilities.

(D) The sponsor agrees that it will include, or cause to be included, in any contract or subcontract under the grant which exceeds $100,000, the criteria and requirements in these subparagraphs.

14. Assurance Number 18 of Part V of the project application incorporated herein is amended by including at the end of the second sentence the following language:

"including the requirement that each air carrier, authorized to engage directly in air transportation pursuant to Section 401 or 402 of the Federal Aviation Act of 1958, using the airport shall be subject to nondiscriminatory and substantially comparable rates, fees, rentals, and other charges and non-discriminatory conditions as are applicable to all such air carriers which make similar use of the airport and which utilize similar facilities, subject to reasonable classifications such as tenants or non-tenants, and combines passenger and cargo flights or all cargo flights, and such classification or status as tenant shall not be unreasonably withheld by any sponsor provided an air carrier assumes obligations substantially similar to those already imposed on tenant air carriers. This provision shall not require the reformation of any lease or other contract entered into by the sponsor before July 12, 1976."
15. The grantee agrees to effectuate the purposes of Section 30 of the Airport and Airway Development Act of 1970, as amended, by assuring that minority business enterprises shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with federal funds provided under this agreement. For the purposes of this provision, "Minority Business Enterprise" means a business enterprise that is owned by, or is controlled by, a socially or economically disadvantaged person or persons. Such disadvantage may arise from cultural, racial, religious, sex, national origin, chronic economic circumstances or background or other similar cause. Such persons may include, but are not limited to, Blacks not of Hispanic origin; persons of Hispanic origin, Asians or Pacific Islanders; American Indians; and Alaskan Natives. Grantee further agrees to comply with such regulations as may be issued by the Federal Aviation Administration to implement Section 30 of the Act.

16. The sponsor will comply with the requirements of Section 504 of the Rehabilitation Act of 1973 and 49 CFR Part 27 which provides for nondiscrimination on the basis of handicap in federally assisted programs and activities receiving or benefiting from federal financial assistance and requires certain design standards to be implemented at airports.

17. It is mutually understood and agreed that the airport sponsor has knowledge of and recognizes the costs associated with operating and maintaining the airport lighting and agrees to operate the lights throughout each night of the year or in accordance with some other plan approved by the FAA.
The Sponsor's acceptance of this Offer and ratification and adoption of the Project Application incorporated herein shall be evidenced by execution of this instrument by the Sponsor, as herein-after provided, and said Offer and Acceptance shall comprise a Grant Agreement, as provided by the Airport and Airway Development Act of 1970, constituting the obligations and rights of the United States and the Sponsor with respect to the accomplishment of the Project and the operation and maintenance of the Airport. Such Grant Agreement shall become effective upon the Sponsor's acceptance of this Offer and shall remain in full force and effect throughout the useful life of the facilities developed under the Project but in any event not to exceed twenty years from the date of said acceptance, except as otherwise provided in sponsor's assurance No. 17, Part V, of the project application.
