7. This Offer shall expire and the United States shall not be obligated to pay any part of the costs of the Project unless this Offer has been accepted by the Sponsor on or before September 30, 1977, or such subsequent date as may be prescribed in writing by the FAA.

8. The Sponsor hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any federal program involving such grant, contract, loan, insurance, or guarantee, the following Equal Opportunity clause.

During the performance of this contract, the contractor agrees as follows:

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, sex or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this non-discrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

(3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
(4) The contractor will comply with all provisions of Executive Order 11246 of 24 September 1965 and the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The contractor will furnish all information and reports required by Executive Order 11246 of 24 September 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the contractor's noncompliance with the non-discrimination clauses of this contract or with any of the said rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of 24 September 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of 24 September 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.

The Sponsor further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work. Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The Sponsor agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor that it will furnish the administering agency with the Secretary of Labor such information as they may require.
for the supervision of such compliance, and that it will otherwise assist the
administering agency in the discharge of the agency's primary responsibility
for securing compliance.

The Sponsor further agrees that it will refrain from entering into any con-
tract or contract modification subject to Executive Order 11246 of
24 September 1965 with a contractor debarred from, or who has not assisted
construction contracts pursuant to the Executive Order and will carry out
such sanctions and penalties for violation of the equal opportunity clause
as may be imposed upon contractors and subcontractors by the administering
agency or the Secretary of Labor pursuant to Part III, Subpart D of the
Executive Order. In addition, the Sponsor agrees that if it fails or
refuses to comply with these undertakings, the administering agency may
take any or all of the following actions: cancel, terminate or suspend in
whole or in part this grant (contract, loan, insurance, guarantee); refrain
from extending any further assistance to the Sponsor under the program with
respect to which the failure or refund occurred until satisfactory assurance
of future compliance has been received from the Sponsor; or refer the case
to the Department of Justice for appropriate legal proceedings.

9. The Sponsor's financial records of the project, established, maintained, and
made available to personnel of the FAA in conformity to Section 152.63 of the
Regulations of the Federal Aviation Administration (14 CFR 152) will also be
available to representatives of the Comptroller General of the United States.

10. It is understood and agreed that the term "Project Application" wherever
it appears in this agreement or other documents constituting a part of this
agreement shall be deemed to mean "Application For Federal Assistance (For
Construction Programs)."

11. The Sponsor will send a copy of all Invitations for Bids, advertised or
negotiated, for concessions or other businesses at the airport to the appro-
propriate Office of Minority Business Enterprise (OMBE) representative as
identified by the FAA Regional Civil Rights Office. The Sponsor will disclose
and make information about the contracts, contracting procedures and require-
ments available to the designated OMBE representative and minority firms on
the same basis that such information is disclosed and made available to other
organizations or firms. Responses by minority firms to Invitations for Bids
shall be treated in the same manner as all other responses to the Invitations
for Bids.

Compliance with the preceding paragraph will be deemed to constitute com-
pliance by the Sponsor with requirements of 49 CFR 21 Appendix C(a)(1)(x),
Regulations of the Office of the Secretary of Transportation.
12. This provision shall not require the reformation of any lease or other contract entered into by the Sponsor before July 12, 1976."
The Grantee agrees to effectuate the purposes of Section 30 of the Airport and Airway Development Act of 1970, as amended, by assuring that minority business enterprises shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with federal funds provided under this agreement. For the purposes of this provision, "Minority Business Enterprise" means a business enterprise that is owned by, or is controlled by, a socially or economically disadvantaged person or persons. Such disadvantage may arise from cultural, racial, religious, sex, national origin, chronic economic circumstances or background or other similar cause. Such persons may include, but are not limited to, Blacks not of Hispanic origin; persons of Hispanic origin, Asians or Pacific Islanders; American Indians; and Alaskan Natives.
