**Intensive Career Cohorts:**
- Given the time constraints to develop and implement a training program, staff recommends reallocating the $1.5M budget into Thrive Strategy: Workforce Partner Support

**Workforce Partner Support:**
- $500,000 has been encumbered to execute RENEW training cohorts
- $250,000 remains for partnership grants and will be reallocated into Thrive Strategy: Workforce Partner Support

**Small Business Accelerator**
- The selection of a partner to establish a small business accelerator has not yet occurred. Therefore staff recommend reallocating these funds into the Thrive strategies that support innovation strategies to help small businesses pivot.

• Open for Business Platform

Workforce Partner Support

Provide funding to increase capacity of existing workforce development programs to serve a larger population of residents seeking training resources and job placement assistance.

Staff recommends funds be awarded in three categories:

1. **Operational Expenses:** Could include offsetting operational cost deficiencies, providing technology upgrades to deploy virtual trainings, staff training, etc.

2. **Increase Program Capacity:** Could include enhancing provision of direct services, providing training scholarships, and expanding capacity for supportive services, etc.

3. **Workforce Innovation:** Could include funding creative ideas such as public-private partnerships for high-demand career opportunities or targeted COVID-19 displaced workforce programs, etc.

The City will administer this program, along with an outside selection committee.
Workforce Resiliency

Thrive Hiring Grant

Incentivize companies to hire and put residents to work

• Create new jobs in our City that can provide opportunities to our unemployed residents
• Offset the expense of hiring those who have retooled their careers to take new opportunities
• Building off Opportunity Hiring Grant, this is a cash grant, paid to company for each employee hired with full benefits
• Existing and new businesses are eligible that fit the criteria

*If money not encumbered or spent by October 15th, we will look at reallocating funds*

---

Open for Business Initiative

Continue building out a platform that serves as the primary resource for connecting our small businesses and workforce.

• New features including:
  • Small Business Task Force Updates/Information
  • Workforce and Business Development Committee Updates/Information
  • Town Hall resources
  • Mentorship Series videos
  • Active grant opportunities with embedded applications

• New success stories:
  • Small Business Friday posts
  • Featuring grant recipients
  • Promoted via social media
  • In the news (media coverage)
Open for Business Initiative

Future phase features include:

- Additional Platform Updates:
  - Job connector - Digital database of candidates to hire from workforce partners
  - Future grant opportunities with embedded applications
  - Business recruitment information added
- Marketing/Ad Campaign to Support Local Food & Beverage industry
- Job Creation/Company Relocation Campaign

Business Innovation & Resiliency

- Resilient “ReUp” Program
- Innovate Business Grant
- Food and Beverage Relief Fund
- Arts and Culture Fund
Resilient “ReUp” Program

Intensive resiliency & continuity plan curriculum for small businesses

• Resiliency plan is critical to small business stabilization and future success
• Building off AMP UP model, curriculum provides cohort based training approach to risk/crisis management and business continuity
• Program is will serve 40-60 small business – all with 25 or less employees eligible
• Phases would include:
  • Knowledge Sharing- Risk Management, Business Continuity, Crisis Management
  • Group Work – Develop Resiliency Plan Approach
  • Refine Plan and Execute – Operationalize Resilience Plan

Innovate Business Grant

Add capacity and expand the existing Business Innovation Fund created by Honeywell and Charlotte Center City Partners city wide.

• This fund provides grants up to $40,000 to companies with innovative ideas on how to pivot their storefront businesses to make them more resilient in a COVID-19 economy.
• This grant will provide additional funding and expand the program geography to a city-wide program. Priority will be given to:
  • Storefront businesses that create unique experiences
  • Innovations and adaptations with potential to replicate and scale or create multi-sector collaborations
Why Relief Funds

Comprised of Accommodation & Food Service and the Hospitality Sector is the 2nd largest industry in Charlotte, with Accommodation & Food Service alone being the 3rd largest industry.

• By the numbers:
  • 2,837 restaurants and bars
    • Approximately 51% are locally-owned, non-franchised locations
  • 662 arts, culture, and entertainment venues
    • Approximate X% are locally-owned, non-franchised locations
• Employment:
  • Pre pandemic: 81,250 employees and Gross Regional Product of $4.3 billion
  • More than 26% of continued unemployment claims have been filed since March from workers in this industry – that’s the highest of any industry and represents more than ¼ of filed claims
    • 47% of claimants in this industry are Black; 34% are White, 18% are Other or Unknown Race; 9% are Hispanic

Business Innovation & Resiliency

Food & Beverage Relief Fund

Establish a $5M relief fund to help our food and beverage industry reeling from the on-going impact of COVID-19

• Over 1,500 restaurants and bars in the City of Charlotte
• Creates a specified access to capital program solely for food and beverage establishments with in the City of Charlotte
• Establishes an innovation fund to provide grants used to execute new ideas that help restaurants pivot
• Applications will be hosted on Open for Business platform
• Program parameters and partners are still being determined
