PLANNING STAFF REVIEW

- **Proposed Request Details**
The site plan accompanying this petition contains the following provisions:
 - Allows for the development of a 10,000-square foot commercial building that will allow retail, office, EDEE, and industrial use in the I-1 district.
 - One drive-through window will be allowed and required to be oriented internal to the site.
 - Outdoor seating area with building frontage along West Tyvola Road.
 - Building materials will include stucco, EIFS, and other masonry materials.
 - Prohibited uses include, free-standing EDEE uses with accessory drive-through windows, convenience stores with gasoline sales, car washes and automotive service stations.
 - Existing sidewalks along the public street frontage will remain.
 - Pylon identification signs will be prohibited.
 - Vehicular access will be provided by Cascade Pointe Boulevard. No vehicular access will be provided by West Tyvola Road.
 - Detached lighting will be limited to 30 feet in height.
- **Public Plans and Policies**
 - The *Central District Plan* (1993), as amended by rezoning petition 1998-125, recommends retail and industrial uses.
- **TRANSPORTATION CONSIDERATIONS**
 - The site is at the signalized intersection of a major thoroughfare and a local street. Sidewalks recently constructed by others will remain along Cascade Point Boulevard frontage and the petitioner has declined to pursue sidewalk along Tyvola Road frontage within NCDOT and

development association property.

- **Vehicle Trip Generation:**

Current Zoning:

Existing Use: 0 trips per day (based on vacant parcel).

Entitlement: 1980 trips per day (based on 15,000 square feet of retail and restaurant uses).

Proposed Zoning: 1,520 trips per day (based on 10,000 square of retail).

OUTSTANDING ISSUES

Site and Building Design

1. Provide building elevations with outdoor dining area and annotated building materials consistent with the proposed conditional note.
2. Provide a dedicated pedestrian connection to the adjacent hotel under construction.
3. Remove the request that allows for up to two buildings to be built on the subject site.

REQUESTED TECHNICAL REVISIONS

Site and Building Design

4. Remove request for five-year vested rights in the development data table and on the rezoning application.
 5. Adjust labeling and clearly show 20-foot setback required along Cascade Pointe Boulevard.
