On Friday, July 30 the Small Business Opportunity (SBO) Program will be presented the “Good Corporate Steward Award” from the North Carolina MWBE Coordinators Network in recognition of the SBO Program’s commitment to the enhancement and utilization of minority, women, and small business enterprises. The award specifically recognizes the City’s efforts in promoting small business enterprise utilization on the NASCAR Hall of Fame Project.

The NASCAR Hall of Fame originally set an ambitious goal of utilizing 16% of the Construction Manager's contract with City of Charlotte Small Business Enterprises (SBEs). At the project’s completion, the joint venture firms of Turner Construction Company, BE&K Building Group and Walter B. Davis exceeded the City’s small business utilization goals with 17.30% actual SBE utilization, accounting for \$27 million in revenue for 58 small business enterprises.
