The background features a light green color with several decorative elements. There are four circular motifs arranged horizontally. Each motif consists of a central green arrow pointing right, surrounded by concentric rings of varying shades of green and white. The outermost ring of each motif is composed of small, light green dots. The text 'Panel Discussion' is centered in the middle of the page in a large, bold, black font.

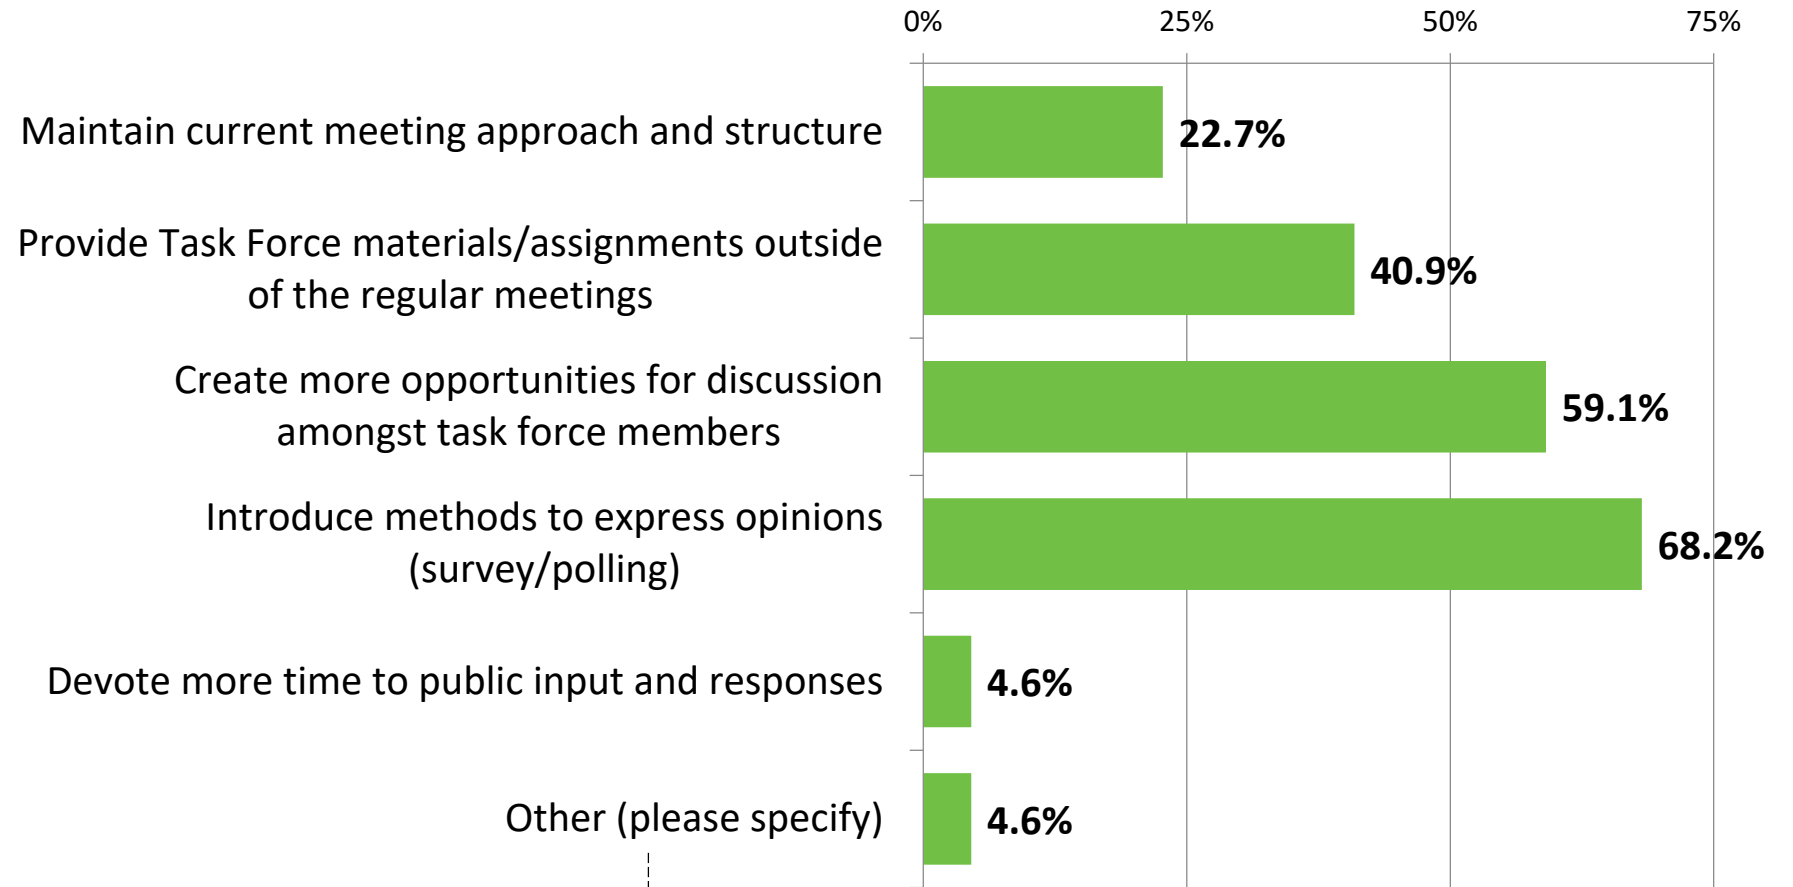

Panel Discussion

The background features a light green color with several decorative elements. There are four circular motifs arranged horizontally, each containing a right-pointing arrow. These motifs are surrounded by concentric rings of dots of varying sizes, creating a sense of depth and movement. The overall aesthetic is clean and modern.

Questionnaire Snapshot

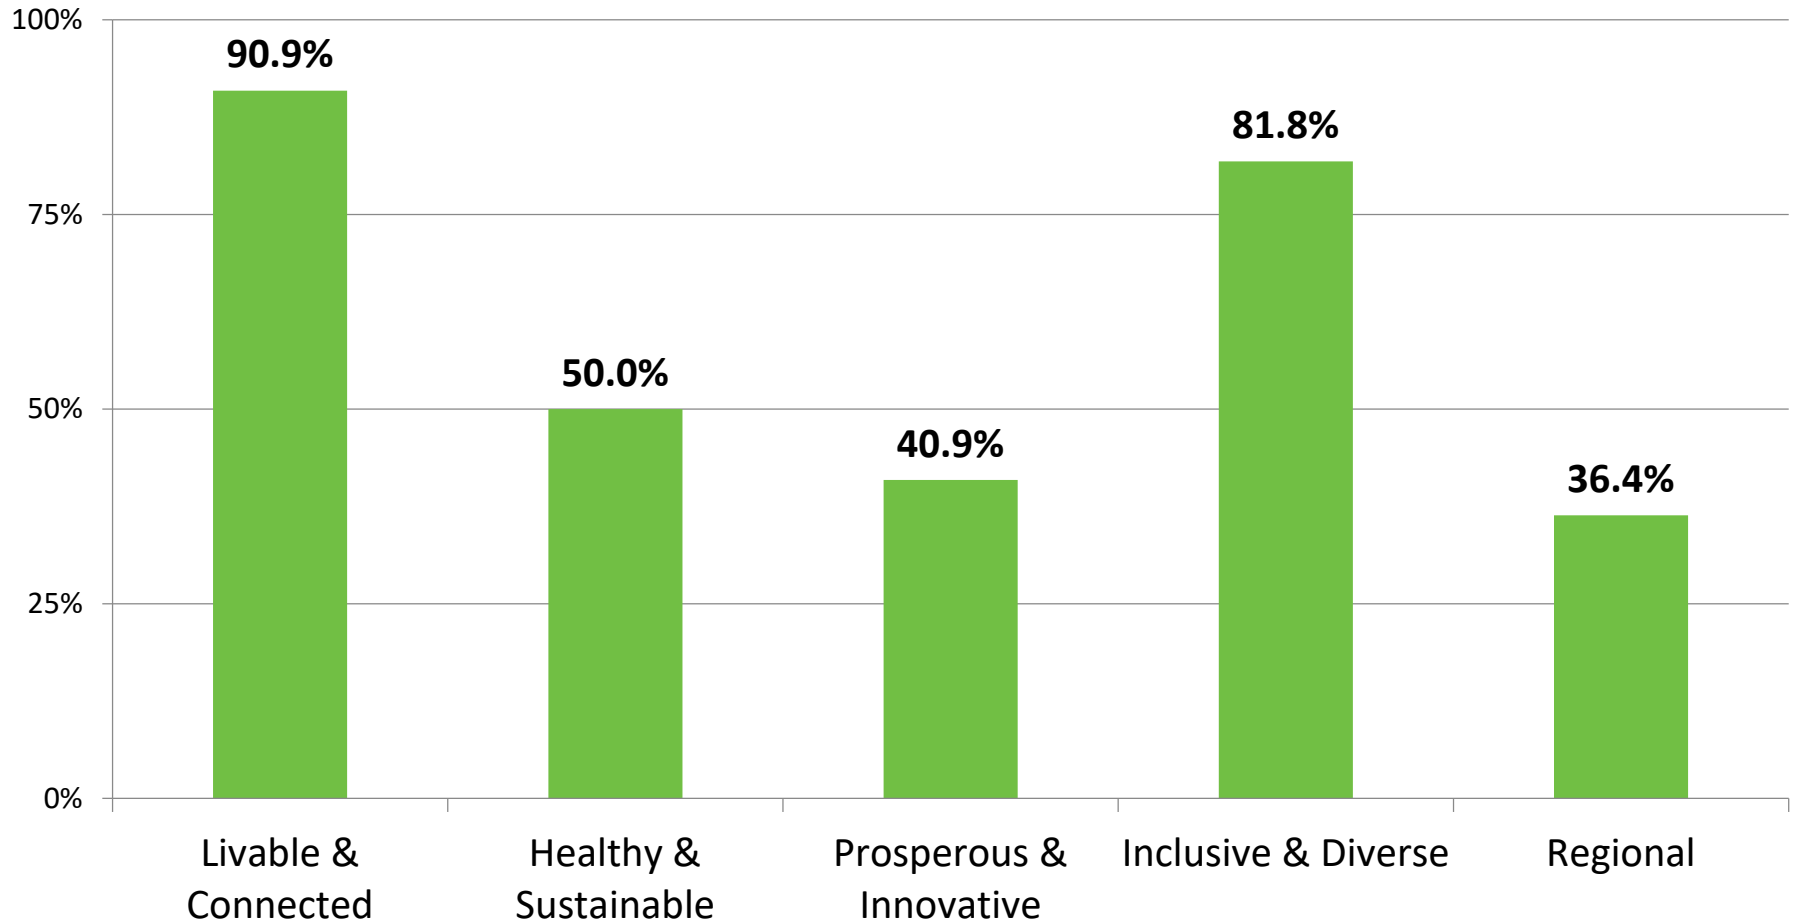

To maximize the effectiveness of the remaining Task Force meetings, I would: (select two)

Hear from Planning staff pros/cons of best practices for Charlotte

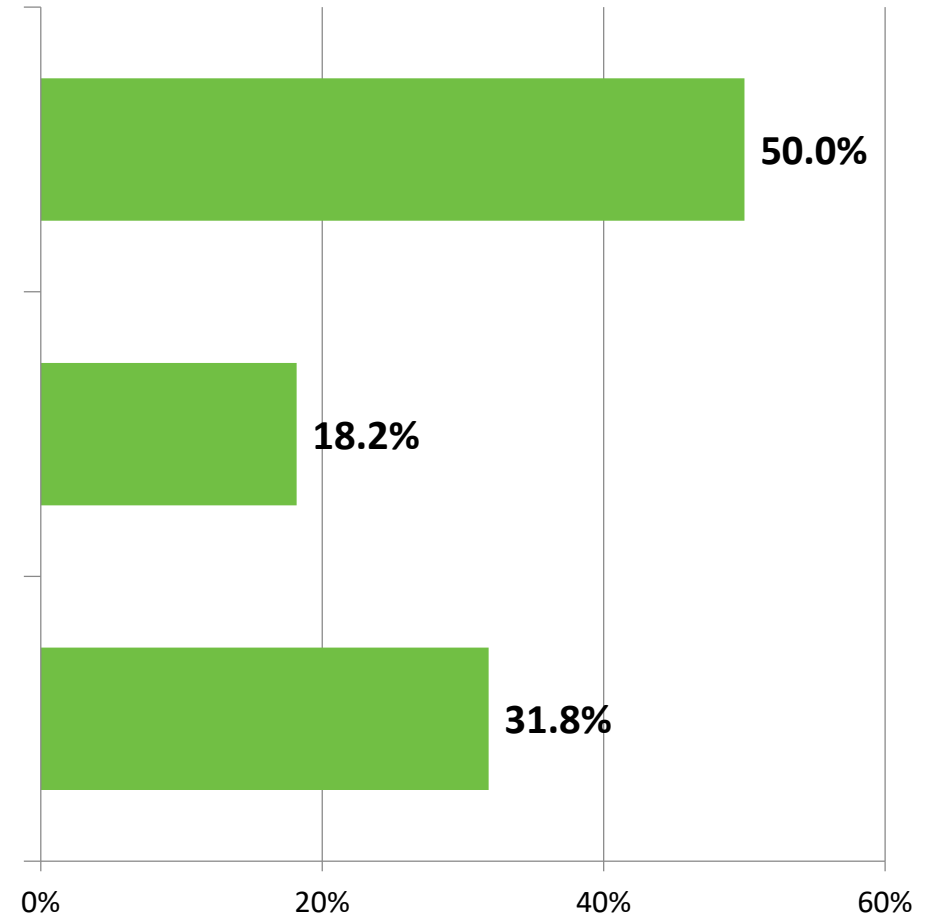

The Comprehensive Plan Vision Elements are all important. Which THREE do you believe are most important to the identification of the Transformational Mobility Network? (select three)

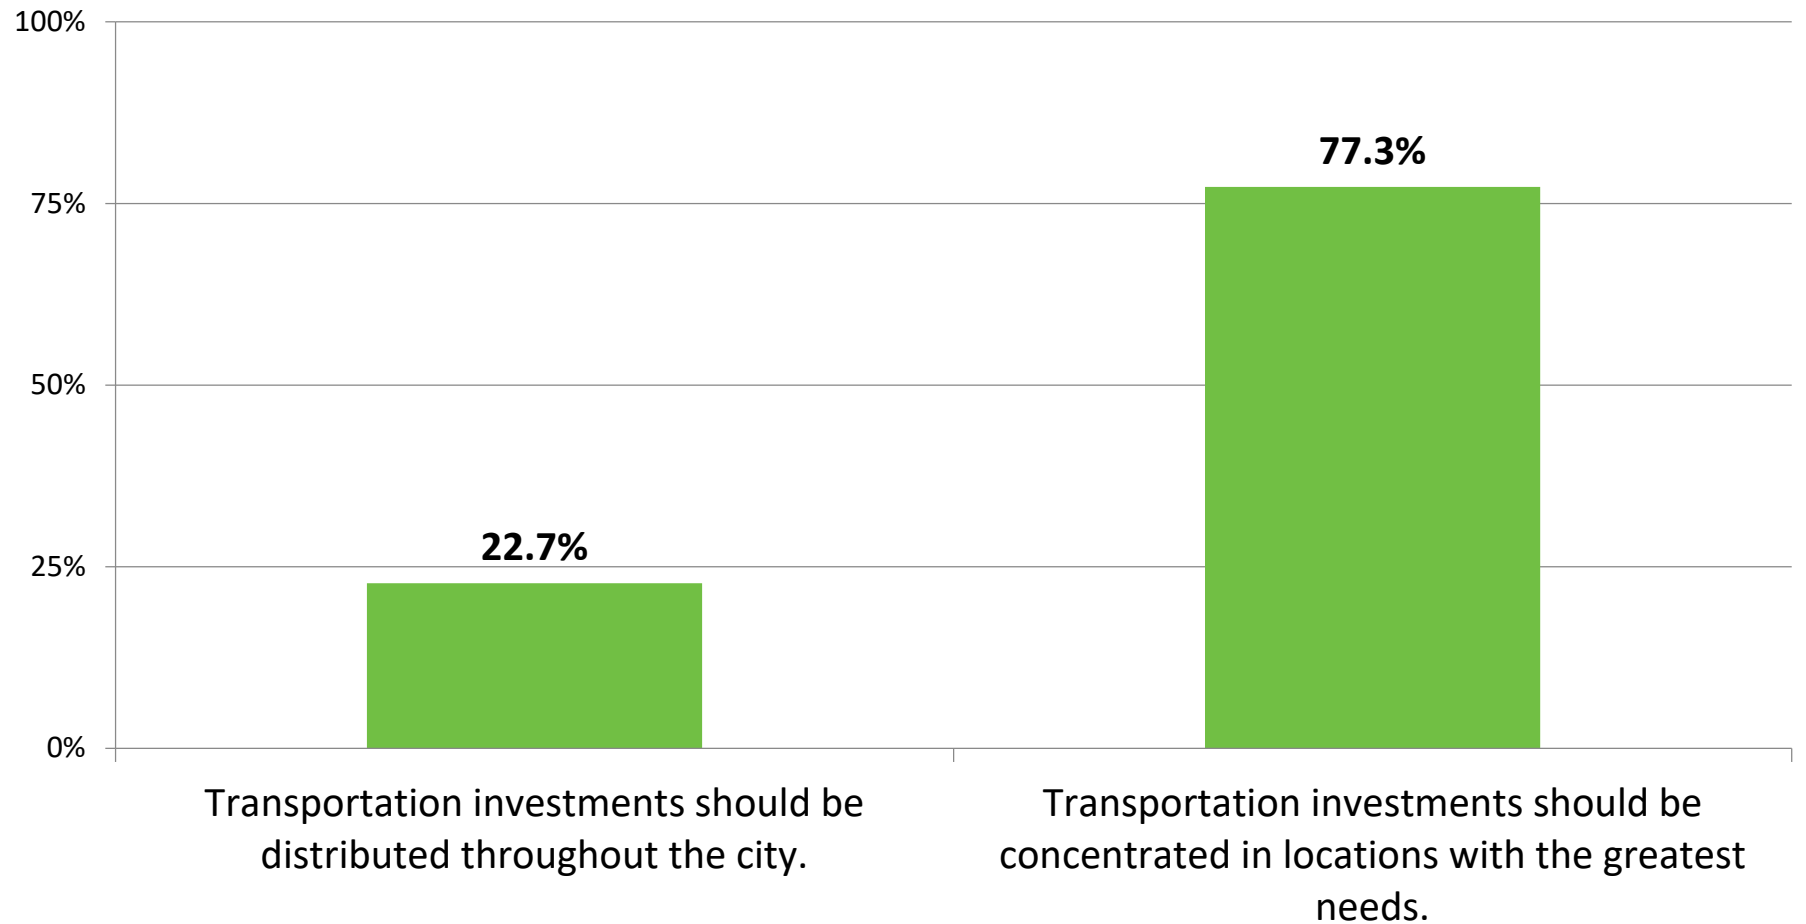

When considering a future transportation funding referendum, which approach aligns more with your current thinking?

- A large impact project, in combination with a strategic smaller impact project
- More/smaller impact projects that are distributed throughout the city
- Fewer/larger projects that each has the potential to have a large impact

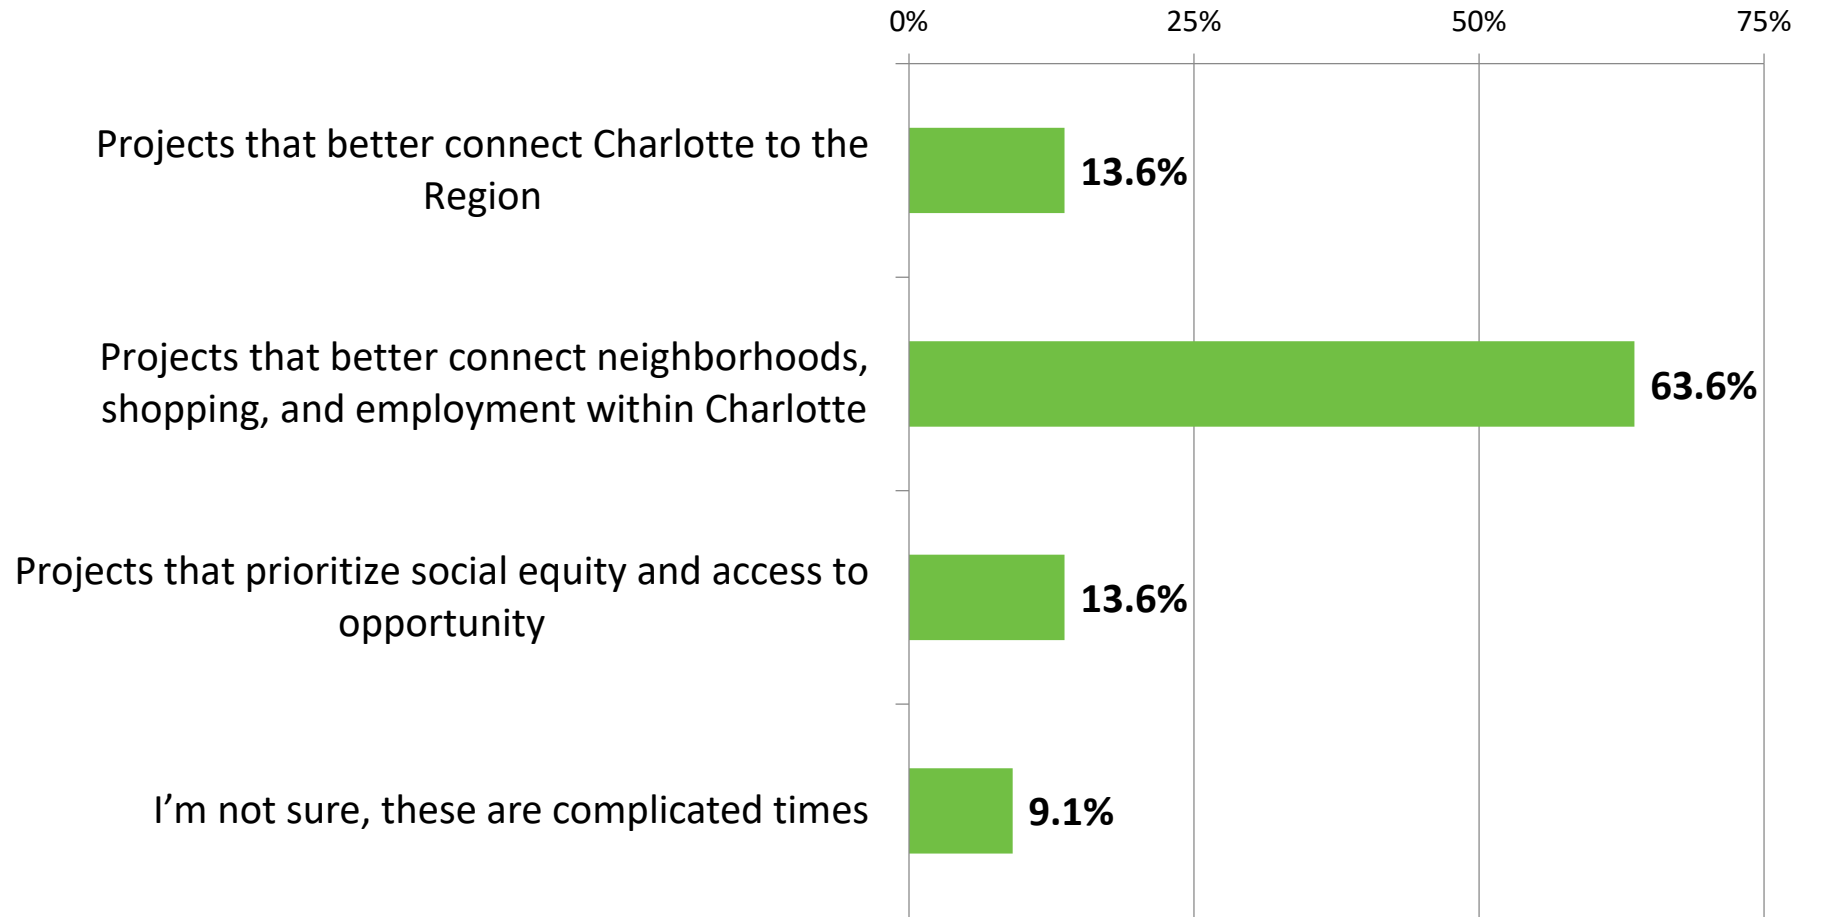

When considering the allocation of limited transportation funds, which philosophy do you align with more?

Which of the following do you think would generate the greatest amount of support from Charlotte voters?
