

WATER PIPE REPLACEMENT UPDATE

Charlotte Water (CLTWater) is planning future drinking water enhancements in your neighborhood. Construction is scheduled to start during summer 2021 and estimated to take four months.

Thank you for your cooperation and patience as we move forward with this project. Learn more at charlottewater.org (Projects, Construction, Cooper Drive).

Water Pipe Replacement Update

Charlotte Water (CLTWater) is planning to replace existing 2-inch galvanized steel pipe (GSP) water mains with new 6-inch water mains under the following streets:

Cooper Drive
Ebb Place
Gentry Place
Sandridge Road

Crews will dig mostly in the road, road right-of-way, and along utility easements. Pipe and other materials will be along construction zone and right-of-way.
