PLAN**

Creating Charlotte's
Future, Together.

#CLTFUTURE

CharlotteFuture.com/Whitehall

The project encountered a delay due to unforeseen utility conflicts. The contractor is working diligently to finish most of the construction prior to the holidays. Pending favorable weather conditions, raised crosswalks and reverse angle parking will be installed by December 21. Asphalt paving and striping will be completed in early 2019. Thank you for your continued patience during construction.
