**COMMUNITY  
INVESTMENT  
PLAN** Creating Charlotte's  
Future, Together.

Please join us for a “drop-in” meeting Thursday, April 6 from 6:30-8:30 p.m. at the Police and Fire Training Academy (1770 Shopton Road).

At the meeting, property owners will have an opportunity to view the improvements. Utility relocations will begin this summer.

This project will convert the existing four-way stop intersection into a single lane roundabout with sidewalk and bicycle accommodations.

For more information please contact the Engineering & Property Management Project Manager Alan Morrison at 704-336-7266 or [amorrison@charlottenc.gov](mailto:amorrison@charlottenc.gov).

We can provide auxiliary aids and services under the Americans with Disabilities Act. Anyone requiring accommodations should contact Alan Morrison as early as possible so that arrangements can be made.
