Water Improvements Are On The Way

Blakeney Heath Road Water Quality Enhancements

charlottewater.org

WHAT: Charlotte Water (CLTWater) is planning to install a water main along Blakeney Heath Road.

WHEN: The contractor is anticipated to begin work in March or April 2021.

WHERE: Blakeney Heath Road between Woodend Court and Ardrey Kell Road. All construction activities will be limited to existing utility easements and the road right-of-way.

WHAT TO EXPECT:

- Construction can be loud, dirty and inconvenient. Crews will be using heavy equipment and storing materials on-site.
- Staff will notify affected customers of planned water outages 72-hours in advance.
- Any unplanned water outages are considered emergencies and will be repaired as soon as possible.
- Construction may cause temporary cloudy, discolored water or lower than usual pressure. If you experience this, please run cold water for up to 15 minutes. If water doesn't clear, please call 311 and say or select 'water emergency' for assistance.
