PLAN** Creating Charlotte's
Future, Together.

Join us Thursday, September 28 at Calvary Christian Church (3001 Kilborne Drive). Drop in any time between 5-7 p.m. to discuss how Norland Road and the intersection of Central Avenue and Kilborne Drive can be improved for pedestrians and bicyclists. This is part of a larger project to better connect Kilborne Park to the Evergreen Nature Preserve.

Attendees will also be invited to comment on the proposed green space at Central & Kilborne, and roadway improvements including buffered bike lanes, intersection, and sidewalk. Children are welcome – we want to know how you and your family envision this area.

This project was identified in the Central/Albemarle/Shamrock Comprehensive Neighborhood Improvement Program (CNIP), funded by voter-approved bonds as part of the Community Investment Plan.

For more information contact the Engineering & Property Management Project Manager Mark Grimshaw at 704-619-4333 or mgrimshaw@charlottenc.gov.

The City of Charlotte does not discriminate on the basis of disability. We will provide auxiliary aids and services, written materials in alternative formats, and reasonable modifications in policies and procedures to persons with disabilities upon request. Contact Mark Grimshaw to make arrangements.
