This project will soon enter the real estate acquisition phase. During this phase, the city acquires the property rights needed to build and maintain the improvements identified during the design phase. City real estate agents will reach out to affected property owners with details about the acquisition process.

This project is part of the Central/Albemarle/Shamrock Comprehensive Neighborhood Improvement Program. Improvements include a new public greenspace (Potter Place), public art, sidewalk, separated bike lanes, intersection enhancements and pedestrian medians.
