

## Clems Branch Wastewater System Improvement Project

September 30, 2019 Neighborhood Update

Charlotte Water (CLTWater) and contractor RH Price Inc. are nearing completion of pipe installation in Providence Pointe Neighborhood.

### NEXT STEPS (weather permitting)

- During next two weeks, crews will continue concrete restoration:
  - HOA clubhouse to bike trail.
  - Prescott Hill Avenue intersection of Springwell Street.
- CLTWater is working with HOA on irrigation piping replacement and landscape restoration.
- Crews are scheduled repave a portion of McAllister Park Drive.
- **October** – crews will install pipe under Prescott Hill Avenue near Clems Branch.
  - Crews will tunnel under road to avoid several utilities.
- **November** - Install a lining inside the pipe. This work will take an estimated two weeks.
  - Expect to see crews working on Prescott Hill Avenue near Caraway Woods Court and McAllister Park Drive.
  - You may hear pumps 24-hours a day until work is complete.
  - You may notice some odors outside in the immediate area.
  - Crews will be on scaffolding installing a sock-like lining inside an existing pipe through manholes in street or backyards.
  - Street parking may be restricted when construction is in the immediate area.
- **December** - Begin project restoration.
- Residents can report any construction related repairs, restoration needs, or safety concerns via a form on the project website or by going to this web address:  
<https://charlottenc.seamlessdocs.com/f/clemsbranch>.
