## **Blue Granite Water Company (BGWC) and Charlotte Water (CLTWater) Drinking Water Interconnection Project**

Charlotte Water (CLTWater) will install pipe to connect to Blue Granite Water Company (BGWC) near the Buster Boyd Bridge on York Road in South Carolina. This important interconnection will provide BGWC with additional water to serve the area.

- Construction start: August 5th
- Construction completion: November

Crews will start by tunneling under York Road at Blucher Circle (near QuikTrip) and work in one of the southbound / Charlotte bound lanes of York Road. One lane will be open each direction on York Road.

### **During Construction**

Construction can be loud, dirty and inconvenient. Crews will be using heavy equipment and storing materials on-site. Construction will take place in the road right-of-way. Please be aware of your surroundings near the construction site and report any safety concerns to the project inspector as soon as possible.

### **Planned Water Outages**

Staff will notify affected customers of planned water outages 72-hours in advance. Any unplanned water outages are considered emergencies and will be repaired as soon as possible.
