Construction Update

Deerhurst Neighborhood
Water Pipe Replacement Project
Thank you for your patience and understanding during the water main replacement project in Deerhurst Neighborhood. In a heightened effort to maintain constant water service, CLTWater is delaying construction activities that would interrupt water service.

**Completed**
Crews completed water pipe replacement and restoration efforts on Parkhurst Lane and Louvaine Drive. Customers on Vicksburg Road and Ludi Mae Court were switched onto the new pipe.

**Rescheduled**
Crews will return to Vicksburg Road and Ludi Mae Court in a few months to abandon the old pipe which will require a planned water outage. Crews will also replace a fire hydrant and complete restoration.

**Restoration**
Crews will complete a temporary restoration of anything disturbed by construction. Final restoration will occur after completing the entire project. Our project inspector can assist with restoration questions. Properties that lose grass during construction will be reseeded and covered with straw.
