Construction Update

Forest Pawtuckett Neighborhood Water Pipe Replacement Project
Thank you for your patience and understanding during the water main replacement project in Forest Pawtuckett Neighborhood. In a heightened effort to maintain constant water service, CLTWater is delaying construction activities that would interrupt water service.

**Completed**
Crews completed water pipe replacement and restoration efforts. All customers were switched onto the new pipe.

**Rescheduled**
Crews will return in a few months to abandon the old pipe which will require a planned water outage. Crews will also replace a fire hydrant and complete restoration. You will be notified 72-hours in advance if this work will require a planned water outage.

**Restoration**
Crews will complete a temporary restoration of anything disturbed by construction. Final restoration will occur after completing the entire project. Our project inspector can assist with restoration questions. Properties that lose grass during construction will be reseeded and covered with straw.

**Project Contacts**
Project Coordinator - Olivier A. Veille, 704.336.7461 or Olivier.Veille@charlottenc.gov.

Project Inspector - Alex Tettmar, 980-287-5623 or Alex.Tettmar@charlottenc.gov.
