August 24, 2018

SUBJECT: Interruption of Water Service
Scheduled Temporary Water Outage

WHERE: Hardison Road (Between Howland Lane to Dead End)
Project Name: Hardison Road, Rock Creek Drive, Gaywind Drive and Gorham Drive
Water Main Replacement
Project Number: 7030700015-17-066

Dear Customer:

R.H. Price, under Charlotte Water (CLTWater) supervision, is replacing water mains in your neighborhood.

One of the consequences is that your water service must be temporarily interrupted to make final connections.

**DATES OF INTERRUPTION:** **Tuesday, August 28, 2018**
**DURATION OF INTERRUPTION:** **9:00 AM to 4:00 PM**

If foul weather or some other unforeseen circumstances prevent completion of work, the scheduled makeup date is **Wednesday, August 29, 2018** with the same hours.

Once service is restored, you may experience water that appears slightly discolored. You may also notice a latent chlorine odor from disinfection of the new main. This is quite normal and temporary. To help with this process, run your cold-water tap for a short period of time. If water doesn’t clear up after 15 minutes, please call the contacts below. The new main has been flushed and de-chlorinated, so it should not take very long for the appearance of the water to improve.

Please visit the project website by going to [www.charlottewater.org](http://www.charlottewater.org) and select ‘Projects’ to view updates.

We apologize for any inconvenience this outage may cause and ask for your patience and cooperation as this project moves toward completion.

If you have any questions or your water service is off during times other than indicated above, please call the Project Inspector, Enzo Martucci, at 980-721-0225, or myself at 704-336-7461.

Sincerely,

CHARLOTTE WATER
