I-77 West Trade Street Underpass Enhancement Project

**West Trade/Rozzelles Ferry**

[CharlotteFuture.com/CNIP](http://CharlotteFuture.com/CNIP)

Through an extensive public engagement process, several projects were identified in the West Trade Rozzelles Ferry Comprehensive Neighborhood Improvement Program (CNIP).

The I-77/West Trade Street Underpass Enhancement Project will focus on improvements along West Trade Street under the I-77 Bridge. Improvements may include landscaping, pedestrian lighting, sidewalks, crosswalks and bicycle lanes. All planned improvements will compliment improvements proposed for the CityLYNX Goldline Phase 2 project.

During the planning phase, the project team will meet to discuss each project and implement a concept design. The concept design will be presented at an information session during the planning phase. Residents will be notified in advance of the meeting. The project team will continue to keep you informed on the status of this project.

For more information please contact the Engineering & Property Management Project Manager **Lamar Davis** at 704-336-6006 or [fldavis@charlottenc.gov](mailto:fldavis@charlottenc.gov) or Neighborhood & Business Services Service Area Manager **Randy Harris** at 704-432-2433 or [rgharis@charlottenc.gov](mailto:rgharis@charlottenc.gov).
