Kilborne Drive Streetscape Project

The Kilborne Drive Streetscape Project is the first phase of the Old Potter Road Trail, identified during the Comprehensive Neighborhood Improvement Program (CNIP) Public Engagement Process.

The Kilborne Drive Streetscape Project limits are along Kilborne Drive from Eastway Drive to Elkin Lane. The intent of improvements will be to, where possible, provide better pedestrian crossings, traffic calming, streetscape and landscaping. To kick off the design phase, the City is holding a drop-in community meeting **Thursday June 23 from 5:30-7:30 p.m.**

Optional walking tours will also occur at 6 and 6:30 p.m. Call Project Manager Mark Grimshaw at 704-336-4549 for more information or to sign up.

We look forward to seeing you!
