Please join us for a drop-in (anytime) meeting Thursday, April 6 from 5:30-7:30 p.m. at Kilborne Park (2600 Kilborne Drive Charlotte NC 28205).

The project team met with the public in June 2016 to receive feedback on improving Kilborne Drive. Now, come view the proposed design concept and tell us what you think. Your participation is valued and important.

The Kilborne Drive Streetscape Project is the first phase of the Old Potter Road Trail, identified during the Comprehensive Neighborhood Improvement Program Public Engagement Process. The Kilborne Drive Streetscape Project limits are along Kilborne Drive, from Eastway Drive to Elkin Lane. The intent of improvements will be to, where possible, provide better pedestrian crossings, traffic calming, buffered bicycle lanes and landscaping.

For more information please contact the Engineering & Property Management Project Manager Mark Grimshaw at 704-619-4333 or [mgrimshaw@charlottenc.gov](mailto:mgrimshaw@charlottenc.gov).
