

PUBLIC NOTICE: WASTEWATER EASEMENT ACQUISITION ALONG THE UPPER LITTLE SUGAR CREEK

This notification is given of the City of Charlotte, Charlotte Water's intent to acquire easement for the installation and future maintenance of approximately 4,000 feet of new sanitary sewer pipe. The proposed sewer pipe will replace existing sewer along the upper little sugar creek from Wellingford Road to Bilmack Road. Property Owners that will be impacted by the sanitary sewer replacement project have been notified by mail and easement acquisition is in negotiation stages with the respective property owners.

The public is hereby notified of the proposed sewer replacement project, and of the intent to acquire both temporary construction and permanent sanitary sewer easements on Mecklenburg County property, Parcel Tax ID # 089-014-04. The Mecklenburg-owned property was acquired with Hazard Mitigation Grant Program funding. This advertisement and news release is issued to assist FEMA Region IV with floodplain management as directed by Executive Order 11988.

PUBLIC COMMENTS

Any individual, group, or agency disagreeing with the proposed project and is wishing to comment on this project may submit written comments to FEMA Regional Environmental Officer, Attn: NC HMGP Reviewer, 3003 Chamblee Tucker Road, Atlanta, GA 30341. All comments received by April 28th, 2017 will be considered by the FEMA REO.

If you have any questions on the project, please contact:
