**Planned Water Outage: McAlpine Lane between Brooklet Lane to dead end
4728, 4729, 4732, 4733 McAlpine Lane
Brooklet Lane
Tennille Court
- Monday, January 31st, 2022 9:00 am – 4:00 pm**

C & D Utility, LLC, under Charlotte Water (CLTWater) supervision, will connect new water pipes. This work requires a planned water outage.

Please prepare in advance by storing water for water use (drinking, flushing toilets) during the below time.

WHEN: Monday, January 31st 9:00 am until 4:00 pm

If foul weather or some other unforeseen circumstances prevent completion of work, the scheduled makeup date is Tuesday, February 1st with same hours.

If you experience cloudy, discolored water after the outage please:

1. Run cold water from a bath tub or outside spigot for five minutes.
2. When water runs clear, run cold water through any faucets where discolored water is present.
3. If water isn't clear after 10 minutes, call 311 or 704-336-7600 and select water service after the recorded message.
