Project Update

May 2016

North Tryon Business Corridor Project

North Tryon Business Corridor Project

The real estate phase is nearing completion and the utility relocation phase will soon begin.

The project limits are along North Tryon Street from Dalton Avenue to 30th Street. Goals for the project include infrastructure improvements that support redevelopment and improve the aesthetics of North Tryon Street and Church Street. The project will improve all modes of transportation and provide a safe pedestrian/bicycle environment. Project amenities will include crosswalks, sidewalks, planting strips, decorative lighting and bicycle lanes.

For more information please visit the project website at charlottenc.gov/projects. Click on Transportation Projects then North Tryon Business Corridor Project.

We will continue to keep you informed on the status of this project. Thank you for your patience.

For more information, please contact:

Tom Russell, Engineering Project Manager
704-336-4639 or trussell@charlottenc.gov
