# CLTFUTURE

[Charlottenc.gov/projects](https://Charlottenc.gov/projects)

Construction is underway on the Oakhurst/Amity Gardens Multi-Use Path project. During construction, the city will make every effort to minimize disruption and inconvenience. We appreciate your patience.

Identified in the Land Acquisitions and Street Connections Program, this project will improve connectivity for pedestrians and bicyclists. Work includes a 1,200-foot multi-use path between the Oakhurst and Amity Garden neighborhoods, two pedestrian bridges, retaining walls, lighting, stairs and handrail. Upon completion of the project, landscaping will be installed including trees to restore existing native species in the project area.

If you have any questions, please contact Construction Inspector John Trogdon at 704-634-4888 or [John.Trogdon@charlottenc.gov](mailto:John.Trogdon@charlottenc.gov) or Project Manager Derrel Poole at 704-534-2789 or [Derrel.Poole@charlottenc.gov](mailto:Derrel.Poole@charlottenc.gov).
